### III. TOWARD ECONOMIC SELF-SUFFICIENCY

A church is authentically autonomous when it is self-governed, self-propagated, and self-supporting financially, in order to have such self-sufficiency, IAM and ECUSA agree that:

ECUSA will continue to contribute to the general budget of IAM through its national program budget for a period of twenty five (25) years, based on a reduction of 4% annually of the present 1994 appropriation of \$918,864.00, the reduction to begin one year after the effective date of autonomy, that is, January 1, 1996. This contribution is subject to adoption by the General Convention on a triennial basis and to review by the ECUSA Executive Council and the IAM provincial Council as circumstances dictate. It is necessary to renegotiate the % of reduction given the constant devaluation of the Mexican peso.
