

UNITED THANK OFFERING SPRING 2006 CHILDREN'S ACTIVITY SHEETS

The mission of the United Thank Offering is to expand the circle of thankful people. To achieve this mission, we encourage daily prayers, offerings and awareness of the abundance of God's blessings. We believe that children who learn early in their lives to pray daily, thanking God for something, will grow into grateful adults. So join us in encouraging this habit in the children under your care. Thanks be to God!

Enclosed are activity sheets to use with children in your church. Using the master sheets, you can make as many copies as needed for use in Sunday School, as a quiet activity children can do during services, or as a send home project to be enjoyed by both parent and child. Some suggestions for teachers are included on the back of each sheet, which do not need to be copied unless you send the sheets home for parents to follow.

With these activities, some Sunday School teachers like to give children their own United Thank Offering coin box to keep in their rooms. Other popular items for children include the UTO stamps/stickers and colorful, temporary tattoos.
