The House of Bishops Committee on Stewardship and Development presented its Report #15 on Resolution A183 (Develop Nine-Year Vision and Budget Cycle) and moved that the Committee be discharged as the matter is considered in Resolution A061.

Original Text of Resolution:
(A183)
Resolved, the House of Deputies concurring, That the 76th General Convention of The Episcopal Church receive and endorse the Report of the Budgetary Funding Task Force, in particular the Task Force’s recommendations that:

• Adequate funding of the budget of The Episcopal Church depends on (1) a compelling statement of our identity as a church; (2) a clearly articulated common vision of our participation in God’s mission; and (3) a pervasive accountability of church structures to that identity and common vision so that stewardship and mission are linked. Specific steps must be taken to make these three goals an active part of the on-going life of our church:
o Develop a common vision for mission during the triennium immediately preceding the election of a Presiding Bishop for the purpose of informing the nomination and election process for that office.

o Identify specific goals to be accomplished during the nine-year period corresponding to the term of the Presiding Bishop (the Term Goals).

o Hold a joint meeting of the House of Deputies and the House of Bishops at the beginning of the General Convention at which a Presiding Bishop is to be elected, so that the goals identified for the coming Presiding Bishop’s term may be addressed, amended and ratified.

o Develop a draft budget based on identified goals and present the Budget of The Episcopal Church in a nine-year cycle to coincide with the term of a Presiding Bishop (the Term Budget).

o Report on the Term Budget and progress toward accomplishing the Term Goals in a written report on an annual basis to all bishops and deputies to the General Convention, Standing Committees of the Dioceses, members of the Executive Council, members of all other Committees, Commissions, Agencies and Boards, and post the report for members of the Church on the web site of The Episcopal Church, as well as report on it by all means available, especially personal visits to dioceses and provinces, in order to receive the widest possible circulation.

o Review the Term Budget and progress toward the Term Goals at a joint meeting of the House of Deputies and the House of Bishops at each General Convention to encourage accountability and so that the goals may be revised as needed.

o Structure the Church Center staff in order to facilitate the accomplishment of goals over the course of the Presiding Bishop’s term, with some positions coinciding with the term of the Presiding Bishop and some being permanent in nature.

o Conduct an in-depth review, regarding the accomplishment of the Term Goals during the last triennium of a Presiding Bishop’s term.

And be it further

Resolved, That the 76th General Convention endorse the continuation of the Budgetary Funding Task Force and charge it to produce an implementation plan for its proposals, including necessary canonical changes, for consideration by the 77th General Convention; and be it further

Resolved, That the General Convention request the Joint Standing Committee on Program, Budget and Finance consider a budget allocation of $72,000 for the implementation of this resolution.

projected income and projected expenses, and we are currently looking at an approximate shortfall of 14 million dollars.

“In order to help dioceses meet local expenses, we plan to propose a reduction in the diocesan asking for the next Triennium.

Resolved, That the 76th General Convention of The Episcopal Church endorse the “Commitment to be Companions in Christ” between the Igreja Episcopal Anglicana do Brasil and The Episcopal Church, as expressed in the text below,
and by this affirmation authorize the signature of The Episcopal Church on this Covenant:

THE COMMITMENT TO BE COMPANIONS IN CHRIST - BETWEEN THE IGREJA EPISCOPAL ANGLICANA DO BRASIL AND THE EPISCOPAL CHURCH.

Preamble: The Episcopal Church and Igreja Episcopal Anglicana do Brasil share a missionary history in Brazil of over 100 years. The work in Brazil was initiated in 1890 by missionaries Lucien Lee Kinsolving and James Watson Morris, from the Virginia Theological Seminary. In 1907 the missionary efforts in Brazil resulted in the establishment of a missionary district of The Episcopal Church under the leadership of Bishop Lucien Lee Kinsolving. In 1965 this missionary district became the autonomous Province of Brazil, and The Episcopal Church concluded ongoing financial obligations in 1975. In 1990, at the celebration of the centennial of the Church of Brazil, the Presiding Bishops of The Episcopal Church and Igreja Episcopal Anglicana do Brasil agreed to establish a Bilateral Committee to reconnect and reconcile dynamics of distance that occurred during and after the establishment of Brazil’s autonomy. The experience of the Bilateral Committee has been one of reacquainting the Churches, re-establishing friendship, sharing vision for ministry mission and encouraging diocesan companionships. The Bilateral Committee believes the endorsement of the following Commitment to be Companions in Christ will be good for the souls of both provinces. The Bilateral Committee also believes it is wise and appropriate to solidify and make public and structurally accountable this ongoing commitment to one another.

The General Convention of The Episcopal Church and the Synod of Igreja Episcopal Anglicana do Brasil commit to mutual support and encouragement for ministry and mission development within both provinces. The Episcopal Church and Igreja Episcopal Anglicana do Brasil hereby establish a Bilateral Standing Committee to provide vision and planning to sustain and enhance the Committee relationship. The Bilateral Standing Committee will sustain the two provinces in their commitment to: 1) pray for each other’s life and faith; 2) commit to develop and support diocesan companion relationships; and 3) discern and support other initiatives that will mutually enrich the ministry and mission of both provinces. The Bilateral Standing Committee will establish and maintain a list of triennial initiatives consistent with the priorities of both provinces, such as theological education, missionary expansion, stewardship, sustainability and social ministry. The Bilateral Standing Committee will be composed of one bishop, appointed by each of the Presiding Bishops, and one priest, deacon or lay person from each province, appointed by the President of the House of Deputies (TEC) and the Presiding Bishop (IEAB), respectively. Terms for these four members shall be six years, rotated so that one of the two from each province shall be appointed at the start of every triennium. There shall also be two (to four) additional members from each province. For The Episcopal Church, this shall be one member from the Standing Commission on World Mission and one liaison from the Executive Council, selected from those bodies for three-year terms. The Igreja Episcopal Anglicana do Brasil shall appoint its additional members in a manner of its
No member shall serve more than six consecutive years. The Bilateral Standing Committee will be accountable to the Presiding Bishop and the Executive Council of each province. In The Episcopal Church a report will be submitted after each meeting of the Bilateral Standing Committee to the Standing Commission on World Mission and to the Executive Council. In the Igreja Episcopal Anglicana do Brasil a report to the Executive Council and to the Provincial Synod will be provided after each meeting of the Bilateral Standing Committee. The Bilateral Standing Committee will typically meet every 18 months. Meeting places will alternate between provinces. Evaluation of this commitment will be undertaken at least every three years. The evaluation and recommendations will be furnished to the Executive Council of The Episcopal Church and the Igreja Episcopal Anglicana do Brasil and to both Presiding Bishops. The Commitment takes effect upon endorsement by the General Convention of The Episcopal Church and the Provincial Synod of the Igreja Episcopal Anglicana do Brasil.

Lifelong Christian Faith Formation in The Episcopal Church is lifelong growth in the knowledge, service and love of God as followers of Christ and is informed by Scripture, Tradition and Reason.

I have called you friends… John 15:14-16

Through The Episcopal Church, God INVITES all people:

• To enter into a prayerful life of worship, continuous learning, intentional outreach, advocacy and service.
• To hear the Word of God through Scripture, to honor church teachings and continually to embrace the joy of Baptism and Eucharist, spreading the Good News of the risen Christ and ministering to all.
• To respond to the needs of our constantly changing communities, as Jesus calls us, in ways that reflect our diversity and cultures as we seek, wonder and discover together.
• To hear what the Spirit is saying to God’s people, placing ourselves in the stories of our faith, thereby empowering us to proclaim the Gospel message.

…You did not choose me, but I chose you and appointed you to go and bear fruit...  

John 15:14-16

Through The Episcopal Church, God INSPIRES all people:
• To experience Anglican liturgy, which draws us closer to God, helps us discern God’s will and encourages us to share our faith journeys.
• To study Scripture, mindful of the context of our societies and cultures, calling us to seek truth anew while remaining fully present in the community of faith.
• To develop new learning experiences, equipping disciples for life in a world of secular challenges and carefully listening for the words of modern sages who embody the teachings of Christ.
• To prepare for a sustainable future by calling the community to become guardians of God’s creation.

…I am giving you these commands that you may love one another...

John 15:17

Through The Episcopal Church, God TRANSFORMS all people:
• By doing the work Jesus Christ calls us to do, living into the reality that we are all created in the image of God and carrying out God’s work of reconciliation, love, forgiveness, healing, justice and peace.
• By striving to be a loving and witnessing community, which faithfully confronts the tensions in the church and the world as we struggle to live God’s will.
• By seeking out diverse and expansive ways to empower prophetic action, evangelism, advocacy and collaboration in our contemporary global context.
• By holding all accountable to lift every voice in order to reconcile oppressed and oppressor to the love of God in Jesus Christ our Lord.

Message from the House of Deputies
The Secretary announced that the following message had been received from the House of Deputies:

*HD Message #149: C061 (Amend Title III.1.2) Adopted with amendment.*

Ecumenical Relations
The House of Bishop Committee on Ecumenical Relations presented its Report #7 on Resolution A074 (Endorse Theological Statement on Interreligious Relations) and moved adoption of a substitute.

Original Text of Resolution:
(A074)
[Editor's Note: See The Blue Book Report of the Standing Commission on Ecumenical and Interreligious Relations, pp. 154-163.]

Committee Substitute:
Resolved, the House of Deputies concurring, That the 76th General Convention of The Episcopal Church adopt the following statement as a foundation upon which it engages in interreligious dialogue; and be it further
Resolved, That this statement be commended to dioceses and congregations and shared with our ecumenical and interreligious partners.

I. Introduction
1. We affirm the foundational Gospel proclamation that “Jesus is Lord” (I Corinthians 12:3 NRSV here and hereafter), and therefore Jesus’ Summary of God’s Law: “love the Lord your God with all your hearts, with all your souls, and with all your minds, and to love your neighbor as yourself” (Mark 12:29-31; BCP, Catechism, page 851). For this
reason we reach out in love and genuine openness to know and to understand those of other religions.

Therefore, we commend to all our members: dialogue for building relationships, the sharing of information, religious education and celebration with people of other religions as part of Christian life,

1. dialogue begins when people meet each other
2. dialogue depends upon mutual understanding, mutual respect and mutual trust
3. dialogue makes it possible to share in service to the community
4. dialogue is a medium of authentic witness by all parties and not an opportunity for proselytizing.

We believe that such dialogue may be a contribution toward helping people of different religions grow in mutual understanding and making common cause in peacemaking, social justice and religious liberty. We further encourage dioceses, congregations and other organizations of The Episcopal Church to initiate such dialogue in partnership with other Christian Churches and in consultation with other provinces of the Communion, where appropriate.

2. As we engage other religious traditions, our work must be grounded in thoughtful exploration of and reflection on the appropriate ways to profess Christianity in the context of other religious traditions. This document is an initial reflection on why we are participating in multi-religious relationships. It explores the contexts for doing so and seeks to discern the unique contribution of The Episcopal Church to such relationships. As Christians we celebrate and affirm our witness to the gospel of Jesus Christ. “He is the image of the invisible God, the firstborn of all creation” (Colossians 1:15). We rejoice in our call to spread the good news of God’s love and reconciliation through engaging in life-enhancing relationships with all of God’s people.

II. Historical Context

3. The Episcopal Church and the Anglican Communion have had a long interest and involvement in interreligious matters, which have historically been addressed in the context of mission. Prominent Episcopalians were involved in the first World Parliament of Religions in 1893. The Episcopal Church and Anglican Communion were well represented at the 1910 Edinburgh Missionary Conference, which was called to discuss cooperation in the global mission field and gave birth to the modern ecumenical movement. In the decades that followed, the Anglican Communion and The Episcopal Church were influenced by the important theologies of mission developed by John V. Taylor (Bishop of Winchester and General Secretary of the Church Mission Society) and Lesslie Newbigin (a minister of the Church of Scotland and later a Bishop in the Church of South India). In The Episcopal Church, thoughtful engagement with Native American culture has resulted in the establishment of significant missionary presence in certain areas.

4. The groundbreaking 1965 document from Vatican Council II, Nostra Aetate (In Our Time), helped to inaugurate a new era of dialogue between Christians and those of other religions. In the Anglican Communion, the 1988 Lambeth Conference issued a major report commending dialogue with people of other faiths as part of Christian discipleship.
and mission. It also produced the first Anglican Communion document on dialogue with Abrahamic traditions, “Jews, Christians and Muslims: The Way of Dialogue.” This document was recommended for study; and the Provinces were asked to initiate talks wherever possible on a tripartite basis with both Jews and Muslims. Other important resources we have used here include “Generous Love: the Truth of the Gospel and the Call to Dialogue,” issued in 2008 by the Network for Interfaith Concerns (NIFCON) of the Anglican Communion; the Archbishop of Canterbury’s 2007 reply to “A Common Word,” an overture from Muslim scholars for dialogue with Christians; and “Relations with Other World Religions,” Section F of the 2008 Lambeth Conference Indaba Reflections.

5. The Episcopal Church’s primary participation in interreligious dialogue has taken several forms:
   • Ecumenical efforts with other Christians, through the Interfaith Relations Commission of the National Council of Churches of Christ. The 1999 Assembly of the National Council of Churches unanimously approved a policy statement giving a theological rationale for participating in interreligious dialogue.
   • International efforts through the Anglican Communion Office, including the Network for Interfaith Concerns.
   • Particular initiatives taken by the Presiding Bishop as primate and chief pastor of the church.
   • Task force initiatives, first the Presiding Bishop’s Advisory Committee on Interfaith Relations (through 1997) and then the Standing Commission on Ecumenical Relations (from 1997-2003).
   • Diocesan, congregational and individual efforts in peace making and interreligious dialogue.

6. In addition, in response to the terrorist attacks of September 11, 2001, Episcopal Relief and Development funded the Interfaith Education Initiative, a three-year program in conjunction with the Office of Ecumenical and Interfaith Relations that surveyed the interfaith work of The Episcopal Church and developed educational resources for interreligious dialogue. This project culminated in a conference held at Washington National Cathedral in 2004, and in the publication of the “IEI Manual on Interfaith Dialogue.”

7. In 2003, the General Convention officially located oversight of the church’s interreligious work with the Standing Commission on Ecumenical Relations, which was renamed the Standing Commission on Ecumenical and Interreligious Relations (SCEIR).

III. Current Context

8. As the Indaba Reflections from Lambeth note, “The contexts within which the Church ministers around the world vary widely and the potential for interfaith dialogue will vary accordingly” (¶ 93). The following paragraphs are an attempt to note some of the ways in which our context informs our approach to interreligious relations.
9. Today the picture of the world we have to carry is of the earth seen from space. Borders and boundaries are fluid, easily fractured and unstable. The peoples of the earth will either survive together or perish together. Paradoxically our entire world is, at the same time, housed inside the flat screens of computers that provide immediate access to almost anyone or anything at anytime, anywhere on the planet. Crises and conflicts that were once local matters and seemed to be none of our concern are now global. Social strife, political upheaval and violence—predominantly fueled by greed and/or religious fanaticism—are not distant from us.

10. In the United States, the naïve image of the world as a safe and stable place was shattered on September 11, 2001. Those killed in the attacks on the World Trade Center in New York came from many lands, prayed in many languages, called God by many names. They are a true microcosm of the shifting reality of who lives in the United States today, citizens and foreign nationals alike. For the first time in decades, people in the United States experienced what other people in other lands have experienced for generations: fear, grief and loss following from an assault on their homeland, the devastation of their people and the shattering of a sense of well being. While grief and loss are certainly appropriate, fear is the opposite of truth and fear has led some people of all religions to collude with, participate in and justify political acts of violence and oppression which dishonor all concepts of the Sacred.

11. As Episcopalians, we recognize that our neighbors come from a variety of different beliefs and backgrounds, and we are unfamiliar with many of if not most of them. Christians continue to struggle to find common ground and mutual respect with Jews and Muslims who are fellow children of Abraham. Whether we intend to or not, we impact and are impacted in return—powerfully and profoundly—by each other’s lives, cultures and beliefs. For each of us, the neighbor often seems to be the Other rather than the one whom Christ calls us to receive as a gift and to love as we would be loved ourselves.

12. In contemporary local and global contexts, The Episcopal Church faces crucial opportunities and challenges for developing new creative relationships with people of other religious heritages. Throughout the world, people of different religions can be seen searching for compatible if not common ways toward justice, peace and sustainable life. Our theological and ecclesial heritage offers significant resources for participating in this global quest.

IV. Scripture, Reason and Tradition as Resources in Interreligious Dialogue

13. As part of the Anglican Communion, The Episcopal Church seeks to be a community living in obedience to the Word of God revealed through Scripture, and to identify the contemporary message of that Word through bringing the insights of tradition and reason, to theological reflection on interreligious relations.

Scripture and Reason

14. We understand the Holy Scriptures to be inspired by the Holy Spirit of God and at the same time the work of human authors, editors and compilers. “All scripture is
inspired by God and is useful for teaching, for reproof, for correction and for training in righteousness” (2 Timothy 3:16). The Scriptures “contain all things necessary for salvation” (BCP, 513). In the Scriptures we discover the nature of God, by their witness to Jesus Christ, in their record of his teaching, and through their proclamation of the Good News of God’s Reign for all people. We believe the Holy Spirit continues to guide us in our growing understanding of the Scriptures, which are always to be interpreted in the widest possible context of God’s redeeming love for all people. Throughout our history, Episcopalians have wrestled with varying interpretations of the Scriptures. Such differences are to be expected and appreciated as a direct consequence of our dynamic relationship with the Word of God and our experience of faith over time.

15. Christianity’s Holy Scriptures reveal to us both the invitation and the direction to engage with people of other religions. In Genesis 1:26 we meet the loving God who created all people and all nations, and the awesome majesty of creation bids us humbly acknowledge that the fullness of God’s intention is beyond the scope of our limited understanding; God’s gracious love is not confined to the Christian community alone. Because of our faith in the incarnation of God in Jesus Christ, we expect to meet God in our neighbor, whom God commands us to love as we love ourselves (Mark 12:29-31).

16. The sixteenth-century Anglican theologian Richard Hooker helped form our tradition of Scriptural interpretation. In his major work, *Of the Laws of Ecclesiastical Polity*, Hooker argued that the Holy Spirit requires the church to use Reason to interpret scripture. For Hooker, the Scriptures reveal to us essential truths about God and ourselves that we cannot learn by any other means. In other matters of human life, God expects us to use our minds in order to reason together and thus discover, through conversation, debate and argument, the right way forward. This requires respect for the opinions of other people of good will.

17. This Biblically-based respect for the diversity of understandings that authentic, truth-seeking human beings have is essential for communal reasoning and faithful living. The revelation of God in Christ calls us therefore to participate in our relationship with God and one another in a manner that is at once faithful, loving, lively and reasonable. This understanding continues to call Episcopalians to find our way as one body through various conflicts. It is not a unity of opinion or a sameness of vision that holds us together. Rather, it is the belief that we are called to walk together in Jesus’ path of reconciliation not only through our love for the other, but also through our respect for the legitimacy of the reasoning of the other. Respect for reason empowers us to meet God’s unfolding world as active participants in the building of the Kingdom and to greet God’s diverse people with appropriate welcome and gracious hospitality.

**Tradition**

18. Tradition is also an important aspect of Anglican theological understanding. As Anglicans we have always understood ourselves to be in continuity with the Catholic faith reaching back to the ancient, patristic church; we therefore hold the church’s tradition in high regard. Anglicans have used tradition to inform our common reasoning.
as the church responds to new challenges and developments, using accumulated wisdom to show how similar challenges have been met in the past. For example, the English Reformers allowed tradition to shape the reformation of the Christianity they had received. Similarly, the founders of The Episcopal Church also placed great emphasis in tradition by continuing important beliefs and practices of the Church of England, such as its liturgy and ministry, and adapting them to the new context of the American republic, as in the American revival of the ancient practice of electing bishops. Tradition informed and shaped how Anglicans in these contexts responded to new situations.

19. Historically The Episcopal Church encountered religious pluralism and engaged in interreligious relations in the context of the foreign mission field. In many cases this work was the product of dedicated missionaries called to spread the Gospel in faithfulness to the Great Commission. We are also aware that in many cases this work went hand in hand with American expansionism in a combination of mission and empire. We need no better example than the ship sent to the newly-conquered Philippines that carried William Howard Taft as appointed governor and Charles Henry Brent as missionary bishop. We are shaped by these traditions: we are inspired by the energy, engagement and faithfulness to the Gospel exhibited in the Anglican missionary engagement. Yet we recognize the need to be aware of the socio-religious implications of mission.

20. In turn, we hope that these examples from our history will help to shape future interreligious relationships. We pray for the same energy, engagement and faithfulness to the Gospel that the Anglican missionary traditions display. We hope that these traditions will in turn shape our future relationships as missional ones of dialogue and companionship. “Companions in Transformation,” the official Global Mission vision statement adopted at the 2003 General Convention, emphasizes the importance of dialogue and companionship in engagement with other religious traditions. We believe the theological principles articulated there are also part of creating new traditions in interreligious relations, informed in classic Anglican fashion by our past.

21. We believe that interreligious work will carry forth God’s intention for God’s creation. It will provide us the opportunity to reflect the love of God we know through our redemption through the Incarnation of Christ; and it will provide us with the opportunity to build faithful communities that live out the majesty of God’s will for the earth with more depth and in more forms than we currently experience within the limitations of our own rich religious community. And we believe that Episcopalians find our best resources in our historic understandings of Scripture, reason and tradition to engage in this work of transformation.

V. Salvation in Christ and Interreligious Relations

22. The most sensitive aspect of interreligious relations concerns any religion’s claims to unique or exclusive authority or revelation, including Christian traditions and teachings such as the incarnation, cross and the resurrection of Jesus Christ. Christians affirm that God “has created all men and women in his image, and he wishes all to enjoy that fullness of life in his presence which we know as salvation” (Generous Love, Section 1).
We also recognize that our efforts toward this goal are futile without the assistance of God in Christ through the power of the Holy Spirit. We are dependent on the grace of God—God’s unconditional, undeserved love for those God has made. The source of salvation is God alone; Christians believe salvation comes through Jesus Christ, the Son of God.

23. As Christians “we are saved by grace through faith, and this is not our own doing, but the gift of God, not the result of works so that no one may boast. For we are what God has made us, created in Christ Jesus for good works, which God has prepared beforehand to be our way of life” (Ephesians 2: 8-10). In various ways, language of salvation refers to a form of deliverance from sin and the finiteness of this life as we experience it, with all its hardships and joys. Our hope of salvation expresses our expectation that we shall share in the life of God, and do so not only after death, but now.

24. The Christian scriptures proclaim that Jesus is “the Word made flesh” (John 1:14) and as such he is “the Way and the Truth and the Life” (John 14:6). As stated in our creeds (Apostles’ and Nicene) and liturgy, Jesus Christ is the full revelation of God. Since God has chosen to share our life, we affirm that God is intensely concerned about every human life. Among Christians, Episcopalians have a particular appreciation of this teaching, in that we believe that the coming of God in Christ has already begun to transform all of creation.

25. The human response to God’s incarnate love was “to crucify the Lord of Glory” (1 Corinthians 2:8). The cross is the Christian symbol and act of self-emptying, humility, redemptive suffering, sacrificial self-giving and unvanquished love. We believe that we have been reconciled to God through the cross.

26. In the resurrection we believe “Christ is risen from the dead, trampling down death by death and giving life to those in the tomb” (BCP, p. 483). By our baptism into Christ’s death and resurrection we enjoy new life as members of the Body of Christ, called therefore to become ourselves ambassadors of reconciliation (Romans 6:4; 2 Corinthians 5:14-20).

27. Professing salvation in Christ is not a matter of competing with other religious traditions with the imperative of converting one another. Each tradition brings its own understanding of the goal of human life to the interreligious conversation. Christians bring their particular profession of confidence in God’s intentions as they are seen in and through the incarnation, death and resurrection of Jesus Christ. As the bishops at Lambeth 2008 noted, “The purpose of dialogue is not compromise, but growth in trust and understanding of each other’s faith and traditions. Effective and meaningful dialogue will only take place where there is gentleness, honesty and integrity. In all of this, we affirm that Christianity needs to be lived and presented as ‘a way of life,’ rather than a static set of beliefs (¶ 89).”
28. Claiming Jesus as the Way, therefore, requires us to “respect the dignity of every human being” (BCP, p. 305). This grounds our expectation that we shall discover new insights and develop new relationships through interreligious dialogue. In mutual encounters and shared ascetic, devotional, ethical and prophetic witness, we dare to hope that God will reveal new and enriching glimpses of a reconciled humanity.

VI. Mission and Evangelism

29. Another sensitive and important aspect of interreligious relations concerns how we as Christians are called to offer life abundant (John 10:10) and to “make disciples of all nations” (Matthew 28:16-20). Christianity (including Anglicanism) is an actively evangelical religion. As we consider mission and evangelism in a pluralistic, globalized world, we are mindful of our particular cultural contexts. We are aware that The Episcopal Church is an international church, with congregations in over sixteen different nations. We are also part of the larger Anglican Communion. We should always be mindful of how encounters with people of other religions in the United States may have differences as well as similarities with encounters in different contexts outside the U.S. We seek to be informed by the experience and reflection of our sisters and brothers living among men and women of many religious traditions in many nations. We stand in solidarity with each other, each seeking in our own circumstances to be faithful to the Gospel.

30. We have spoken in this statement of the need to love one’s neighbor. We see that love taking a variety of forms. Commitment to justice and mutual respect is the paramount consideration for some, for whom the practice of Christian love is the most powerful witness to the truth of the Gospel. Others, while not denying the witness of faithful lives, believe that love demands the verbal proclamation of the Gospel and an open invitation to all people to be reconciled to God in Christ. Still others understand evangelization as our participation in God’s transformation of human society. The love of God that Jesus expressed in presence, compassion, healing and justice: this we are called to live in mission. The reconciliation that God offers a sinful and broken world in Jesus’ death and resurrection: this is the hope we offer the world in mission. As we seek to respond to God’s call to love our neighbor, we all must seek to avoid ways of interaction which do violence to the integrity of human persons and communities.

31. We look for a way forward in the theology of companionship, as articulated in *Companions in Transformation*. This statement, produced by the Standing Commission on World Mission, reflects important developments in The Episcopal Church’s understanding of how we participate in global mission; it is currently in a process of reception and review by the Church. *Companions in Transformation* outlines different ways in which Episcopalians are called to engage in mission and witness, and we believe these ways are also important in the service of interreligious dialogue. *Companions* states that a church participating in God’s mission may not be able to solve the anguish, violence and injustice suffered by companion churches. Even so, simply being present in the place of fear, loss and isolation expresses the love of Christ. We seek to be in companionship with our interreligious partners as we present ourselves in a variety of ways:
• **Witness:** “You are witnesses of these things,” said Jesus to his disciples (Luke 24:48). Witness in word means sharing the story of what God has done with us in light of the story of what God has done in Christ Jesus. Such witness is a natural and inevitable fruit of life in Christ, and it is the heart of evangelism as a mission imperative. Sharing the story with those who have never heard it is a crucial gift. Sharing our story with others must be part of a dialogue in which we listen to the stories others share with us, whether from places of little faith or from other religious paths. The religious diversity of the 21st century, like that of the early centuries of Christianity, calls us to hold together the multiple tasks of listening, learning and bearing witness to Christ.

• **Pilgrim:** Pilgrims grow in their knowledge of God, learning as much as they share, receiving as much as they give. The humility of this orientation and the eagerness to learn from companions nurtures deep and lasting relationships. The pilgrim motif opens the door to true mutuality, where, as the 1966 Anglican Congress said about partnership, “all are givers and all are receivers.”

• **Servant:** Servanthood means that we listen to the stated needs of our companions and look for signs of God’s work in them. It means that we seek to meet Christ in all situations. For Episcopalians, authentic servanthood is a crucial counter to the assumptions we develop on the basis of our extraordinary access to the power of information, technology and money. Servanthood is a key mark for our church as a whole, though it is sometimes perceived as a domineering church in a superpower nation.

• **Prophet:** In companionship we often find our views of political, racial and economic relationships in the world challenged and transformed. Episcopalians in the 21st century are called to prophesy both to our own church and to the world church that the Body of Christ may be a mustard seed of God’s Jubilee in the world, working justice for the whole human family from all faiths.

• **Ambassador:** In addition to witnessing in word and deed as ambassadors of Christ, in companionship with interfaith partners we are ambassadors of our own church. As Episcopalians in dialogue, we must be aware always that companions are experiencing the vision, faithfulness and integrity of The Episcopal Church through our conversation, conduct and life. The role of ambassador also entails a commitment to represent fairly the life of The Episcopal Church. We should not be hesitant in being Episcopalian Christians, just as our interreligious partners are not hesitant in being faithful Muslims, Jews, Buddhists, Hindus, Jains, Sikhs, Bahai or other faiths, as we are in dialogue with each other.

• **Host:** “Let a little water be brought and wash your feet,” said Abraham to the three strangers who appeared at Mamre (Genesis 18:4). “Let it be to me according to your word,” said Mary to the angel Gabriel (Luke 1:38). God is not forcible but invites a response of hospitality. As we engage in interreligious dialogue, hospitality must be central in our response. Hospitality means that we listen to what our companions say, offer them opportunities to experience the breadth of our church and care for one another. We are likewise called to be generous and hospitable with those whom God brings to us, always respecting the practices and customs of our partners.

• **Sacrament:** As the body of Christ, the church is a sacrament of Christ, an outward and visible sign of Christ’s inward and spiritual grace. We are called to be
signs of God’s mission to reconcile all people with one another and with God in Christ. The people and communities we meet are likewise sacramental signs of God’s global presence. This sacramental emphasis helps us to retain an incarnational focus on people, relationships and community, where God truly lives and where the most lasting impacts are made.

32. We are called and committed to be in companionship and partnership in interreligious dialogue in these different ways. We believe that religions must stand together in solidarity with all who are suffering and witness to the dignity of every human being. In these ways, presence in mission becomes a courageous mode of peace-making in a violent world. With ecumenical and interreligious groups, initiatives to encourage contact and dialogue and to advocate for religious freedom are imperative for reconciliation amid today’s heightened tensions among religions. God is calling us to join hands with all and to speak out when religious freedom is curtailed and when the social, environmental, economic or political welfare of communities is damaged. We believe that authentic Christian witness and evangelism that serve God’s mission are compatible with authentic interreligious dialogue.

33. At the outset of this statement, we recalled that one hundred and twenty years ago in the Chicago Quadrilateral, The Episcopal Church formulated a definition of what it considered essential to engage in ecumenical relations. Today Christianity lives and serves in a global setting in which all of God’s human creation is challenged to find common ground for our mutual flourishing. Interreligious relations are vital to this. In seeking to articulate for this century the principles to be considered for authentic interreligious relations and dialogue, we offer three gifts from The Episcopal Church and the Anglican way:

• Our comprehensive way of thinking by which we balance Scripture, reason and tradition in relationship building;
• Our belief system that centers on the incarnation of God in Christ and on the Crucified One who leads us to self-emptying, forgiveness and reconciliation; and
• Our practice of focusing mission in terms of service, companionship and partnership between people as demonstrative of God’s embrace of human life.

34. These gifts are especially suited for our time. The late Martin Luther King, Jr., celebrated in Lesser Feasts and Fasts, foresaw a time when as one all human beings of every religion would have to learn to choose “a non-violent coexistence” over a “violent co-annihilation,” and to seek community over chaos. Interreligious relations are no longer about competing religions but about mutual demonstrations of Love Incarnate. We close this statement encouraged by Dr. King’s word: “Love is the key that unlocks the door which leads to ultimate reality. This Hindu-Muslim-Christian-Jewish-Buddhist belief about human reality is beautifully summed up in the first Epistle of St. John: ‘Let us love one another; for love is of God; and everyone that loves is born of God and knows God. The one who loves not does not know God, for God is love… If we love one another God dwells in us, and God’s love is perfected in us.’”

(b) Notices of resignation or declination to serve shall be communicated in writing to the president.

(c) No person serving in a Diocese as Chancellor, Vice-Chancellor, Advisor, Conciliator, Church Attorney, Intake Officer or Investigator may serve on the Disciplinary Board of that Diocese, and no member of a Disciplinary Board may be selected to serve in one of those positions in the same Diocese. A member of the Standing Committee of a Diocese may serve on the Disciplinary Board if the Canons of the Diocese so provide. A lay person ceasing to be a member under this subsection by reason of ordination may be appointed to fill a vacancy in the clergy members of the Board.

(d) Each Diocese shall provide by Canon for the filling of vacancies on the Board. In the event there be no such canonical provision by the Diocese, any vacancy occurring on the Board shall be filled by appointment of the Bishop Diocesan and the appointee shall be of the same order as the Board member being replaced.

(h) The Disciplinary Board shall keep a record of all proceedings before its Hearing Panels in a format that can be reduced to a transcript if necessary. The record of each proceeding shall be certified by the
president of the Panel. If the record cannot be certified by the president by reason of the president’s death, disability or absence, the record shall be certified by another member of the Panel selected by a majority of the remaining members of the Panel.

(i) Any Diocese may agree with one or more other Dioceses to develop and share resources necessary to implement this Title, including members of Disciplinary Boards, Church Attorneys, Intake Officers, Advisors, Investigators, Conciliators and administrative and financial support for proceedings under this Title.

(j) Church Attorneys, Intake Officers, Advisors, Investigators and Conciliators need not reside in or be members of the Diocese proceeding under this Title. Members of Disciplinary Boards shall be members of the Diocese in which they serve unless such Diocese has entered into an agreement for the sharing of resources as provided in Canon IV.5.3(i).

Sec. 4. In each Province there shall be a court to be known as the Provincial Court of Review, with jurisdiction to receive and determine appeals from Hearing Panels of Dioceses within the Province as provided in Canon IV.15 and to determine venue issues as provided in Canon IV.19.5.

(a) The Provincial Court of Review shall consist of: (i) one Bishop of the Province; two Priests, or one Priest and one Deacon; and two lay persons; and (ii) one Bishop, one Priest or Deacon, and one lay person to serve as alternates as hereinafter provided. Each Priest or Deacon, whether a member or alternate, shall be canonically resident in a Diocese of the Province different from any other Priest or Deacon, and each lay person, whether a member or alternate, shall reside in a Diocese of the Province different from any other lay person. The Priests, Deacons and lay persons shall be members of the Disciplinary Boards of their respective Dioceses.

(b) The members and alternates of the Provincial Court of Review shall be appointed annually by the president of the Province. The Provincial Court of Review shall select a president from among its members.

(c) The persons appointed to the Provincial Court of Review shall continue to serve until their respective successors have been appointed, except in case of death, resignation or declination to serve.

(d) No member of the Provincial Court of Review may serve in any matter originating from the Diocese in which such member serves on the Disciplinary Board. In such event, the alternate shall serve.

(e) In the event that any member of the Provincial Court of Review is excused pursuant to the provisions of Canon IV.5.3(c), or, upon objection made by either party to the appeal is deemed by the other members of the Provincial Court of Review to be disqualified, such member's alternate shall serve.

(f) In the event of any Provincial Court of Review member's death, resignation or declination to serve, or disability rendering the member unable to act or is ineligible to serve under Canons IV.5.4(d) or (e), and in the further event that there is no alternate available to serve, the
president of the Provincial Court of Review shall declare a vacancy on the Provincial Court of Review. Notices of resignation or declination to serve shall be communicated in writing to the president of the Provincial Court of Review.

(g) Vacancies on the Provincial Court of Review shall be filled by appointment by the president of the Province of persons qualified as provided in Canon IV.5.4(a).

(h) The Provincial Court of Review shall appoint a clerk who may be a member of the Court, who shall be custodian of all records and files of the Provincial Court of Review and who shall provide administrative services as needed for the functioning of the Court.

(i) The rules of procedure for appeals to the Provincial Court of Review are as provided in Canon IV.15, but the Provincial Court of Review may adopt, alter or rescind supplemental rules of procedure not inconsistent with the Constitution and Canons of the Church.

CANON 6: Of Intake and Referral of Information Concerning Offenses

Sec. 1. Each Diocese shall provide for and publicize methods and means of reporting information concerning Offenses.

Sec. 2. Information concerning Offenses may be submitted to the Intake Officer in any manner and in any form.

Sec. 3. Any person other than the Intake Officer who receives information regarding an Offense shall promptly forward the information to the Intake Officer. A Bishop Diocesan may forward information to the Intake Officer whenever the Bishop Diocesan believes that the information may indicate conduct constituting one or more Offenses.

Sec. 4. Upon receipt of such information, the Intake Officer may make such preliminary investigation as he or she deems necessary, and shall incorporate the information into a written intake report, including as much specificity as possible. The Intake Officer shall provide copies of the intake report to the other members of the Reference Panel and to the Church Attorney.

Sec. 5. If the Intake Officer determines that the information, if true, would not constitute an Offense, the Intake Officer shall inform the Bishop Diocesan of an intention to dismiss the matter. If the Bishop Diocesan does not object, the Intake Officer shall dismiss the matter. The Intake Officer shall provide written notice to the Complainant and the Bishop Diocesan of the decision of dismissal, the reasons therefore, and the Complainant's right to appeal the decision within thirty days of the date of the notice and shall send a copy of that notice and the written intake report to the president of the Disciplinary Board. If the Complainant wishes to appeal the dismissal, the Intake Officer shall assist the Complainant in preparing and signing a written statement of the acts complained of, which statement shall be sent to the president of the Disciplinary Board along with a statement that the Complainant appeals the dismissal. The intake report and any related information, in the case of a dismissal, may be retained by the Intake Officer and considered in connection with any additional information that may
come to the Intake Officer thereafter concerning the subject Member of the Clergy.

Sec. 6. In the event of an appeal of a dismissal, the president of the Disciplinary Board shall, within thirty days of the receipt of the appeal, review the intake report and either affirm or overrule the dismissal. The president shall promptly notify the Complainant, the Intake Officer and the Bishop Diocesan of the decision. If the decision is to overrule the dismissal, the president shall refer the intake report to the Reference Panel.

Sec. 7. If the Intake Officer determines that the information, if true, would constitute an Offense, the Intake Officer shall promptly forward the intake report to the Reference Panel. The president shall promptly select from the Disciplinary Board, by lot or by other random means, a Conference Panel and a Hearing Panel, and shall designate a president of each Panel. A Conference Panel may consist of one or more persons. A Hearing Panel shall consist of not less than three persons and shall include both clergy and lay members. The president shall be ineligible to serve on either Panel.

Sec. 8. The Reference Panel shall meet as soon as possible after receiving the intake report to determine how to refer the report. Referral options are (a) no action required other than appropriate pastoral response pursuant to Canon IV.8; (b) conciliation pursuant to Canon IV.10; (c) investigation pursuant to Canon IV.11 or (d) referral for possible agreement with the Bishop Diocesan regarding terms of discipline pursuant to Canon IV.9. Referral decisions shall require the approval of a majority of the Reference Panel.

Sec. 9. If the determination of the Reference Panel is to take no action other than an appropriate pastoral response, the Panel shall notify the Complainant and the subject Member of the Clergy of the determination and the basis for the determination to take no action other than an appropriate pastoral response. If the referral is to conciliation, the provisions of Canon IV.10 shall apply. If the referral is to investigation, the provisions of Canon IV.11 shall apply.

Sec. 10. All communications and deliberations during the intake and referral stages shall be confidential except as the Bishop Diocesan deems to be pastorally appropriate or as required by law.

CANON 7: Of Pastoral Direction, Restricted Ministry and Administrative Leave

Sec. 1. At any time the Bishop Diocesan may issue a Pastoral Direction to a Member of the Clergy, canonically resident, actually resident or licensed in the Diocese.

Sec. 2. A Pastoral Direction must (a) be made in writing; (b) set forth clearly the reasons for the Pastoral Direction; (c) set forth clearly what is required of the Member of the Clergy; (d) be issued in the Bishop Diocesan’s capacity as the pastor, teacher and overseer of the Member of the Clergy; (e) be neither capricious nor arbitrary in nature nor in any way contrary to the Constitution and Canons of the General Convention or the Diocese; and (f) be directed to some matter which concerns the Doctrine, Discipline or Worship of the Church or the manner of life and behavior of the Member of
the Clergy concerned; and (g) be promptly served upon the Member of the Clergy.

Sec. 3. If at any time the Bishop Diocesan determines that a Member of the Clergy may have committed any Offense, or that the good order, welfare or safety of the Church or any person or Community may be threatened by that member of the Clergy, the Bishop Diocesan may, without prior notice or hearing, (a) place restrictions upon the exercise of the ministry of such Member of the Clergy or (b) place such Member of the Clergy on Administrative Leave.

Sec. 4. Any restriction on ministry imposed pursuant to Canon IV.7.3(a) or placement on Administrative Leave pursuant to Canon IV.7.3(b) must (a) be made in writing; (b) set forth clearly the reasons for which it is issued; (c) set forth clearly the limitations and conditions imposed and the duration thereof; (d) be neither capricious nor arbitrary in nature nor in any way contrary to the Constitution and Canons of the General Convention or the Diocese; (e) be promptly served upon the Member of the Clergy; and (f) advise the Member of the Clergy of his or her right to be heard in the matter as provided in this Canon. A copy of such writing shall be promptly provided to the Church Attorney.

Sec. 5. The duration of restriction on ministry or Administrative Leave may be for a stated period or to continue until the occurrence of a specified event or the satisfaction of a specified condition.

Sec. 6. Pastoral Directions, restrictions on ministry and Administrative Leaves (a) may be issued and imposed in any chronological order; (b) may be issued and imposed concurrently; and (c) may be modified at any time by the issuing Bishop or that Bishop’s successor, provided that the Pastoral Direction, restriction on ministry or Administrative leave, as modified, meets the requirements of this Canon.

Sec. 7. Any Pastoral Direction, restriction on ministry or Administrative Leave under this Canon shall be effective upon service of the writing setting forth on the subject Member of the Clergy as provided in Canon IV.19.20.

Sec. 8. If imposition of restriction on ministry or placement on Administrative Leave occurs prior to the receipt of information by the Intake Officer, as provided in Canon IV.6, then the Bishop may forward a copy of the writing setting forth the restriction or Administrative Leave to the Intake Officer, who shall receive such information as a report of an Offense and proceed as provided in Canon IV.6.

Sec. 9. The Bishop Diocesan may disclose such information concerning any Pastoral Direction, restriction on ministry or Administrative Leave as the Bishop Diocesan deems pastorally appropriate or as necessary to seek or obtain Diocesan authority for resolution of the matter or any part thereof.

Sec. 10. Every imposition of restriction on ministry or placement on Administrative Leave shall be subject to review upon the request of the Member of the Clergy at any time in the duration thereof. A request for review must be in writing and addressed to the president of the Disciplinary Board and the Church Attorney, with a copy to the Bishop Diocesan. A Member of the Clergy who requests review shall become a Respondent.
under this Title. Reviews shall be conducted within fifteen days of the
delivery of the request for review to the president of the Disciplinary Board,
unless extended by consent of the Respondent. If a restriction on ministry or
placement on Administrative Leave has been reviewed once, a second
request for review may be made only if there has been a substantial change
of circumstances from the time of the first request or if there has been a
modification of the restriction on ministry or placement on Administrative
Leave.
Sec. 11. If a request for review of restriction on ministry or Administrative
Leave is made prior to referral to the Conference Panel, then the review shall
be conducted by the Conference Panel. If a request for review of restriction
on ministry or Administrative Leave is made subsequent to referral to the
Conference Panel but prior to referral to the Hearing Panel, the review shall
be conducted by the Conference Panel. If a request for review of restriction
on ministry or Administrative Leave is made subsequent to referral to the
Hearing Panel, the review shall be conducted by the Hearing Panel. The
question before a Panel reviewing a restriction on ministry or Administrative
Leave is whether, at the time of the review and based upon information then
available to the Panel, the restrictions on ministry or Administrative Leave
and the terms and conditions thereof are warranted. The review may be
conducted either personally or telephonically. The Intake Officer, the
Respondent or the Respondent’s Advisor or both, the Bishop Diocesan, the
Chancellor and the Church Attorney shall each be afforded the opportunity
to be present, either personally or telephonically, at the review, and any such
person present shall be heard by the Panel if such person desires to be
heard. The Panel may hear from other persons at the Panel’s discretion.
Sec. 12. After conducting the review and hearing from the persons
designated in Canon IV.7.11 who desire to be heard, the Panel shall confer
privately and make a determination to (a) dissolve the restriction on ministry
or Administrative Leave; (b) affirm the restriction on ministry or
Administrative Leave and the terms and conditions thereof; or (c) affirm the
restriction on ministry or Administrative Leave, but with modification of the
terms and conditions thereof. The Panel’s determination shall be in writing
and shall be delivered to the Respondent, the Church Attorney, the Bishop
Diocesan and the Intake Officer, and shall be binding in the same manner
as provided in Canon IV.7.7. In the event of the dissolution of the restriction
on ministry or Administrative Leave, the Bishop Diocesan may give notice
thereof to such persons and Communities having notice of the restriction on
ministry or Administrative Leave as the Bishop Diocesan deems
appropriate.
Sec. 13. Any Accord or Order resulting from Canons IV.9, IV.10, IV.12 or
IV.13, unless otherwise specified, shall supersede any restriction on ministry
or Administrative Leave then in effect.

CANON 8: Of Pastoral Response

Sec. 1. The Bishop Diocesan shall provide for appropriate pastoral response
whenever any report is made to the Intake Officer. Such pastoral response
shall embody respect, care and concern for affected persons and Communities. The response shall be designed so as to promote healing, repentance, forgiveness, restitution, justice, amendment of life and reconciliation among all involved or affected.

Sec. 2. In each pastoral response the Bishop Diocesan shall consider offering pastoral care to all those affected by the Offense or allegations thereof. Pastoral care shall be considered for the Complainant, the Complainant’s family, the Respondent, the Respondent’s family, Injured Persons, Injured Persons’ families, any affected Community, witnesses and the Disciplinary Board.

Sec. 3. In every case, and notwithstanding any other provision of this Title to the contrary, the Bishop Diocesan may disclose such information concerning any Offense or allegations thereof or concerning any Accord or Order as the Bishop Diocesan deems pastorally appropriate.

Sec. 4. The Bishop Diocesan shall give consideration to the respective privacy interests and pastoral needs of all affected persons.

Sec. 5. The Bishop Diocesan may designate a person to be responsible for the implementation of the pastoral response. Such person may be the Intake Officer. The duties of such person may include coordination of pastoral care and coordination of communications between the Bishop Diocesan and Advisors.

CANON 9: Of Agreements Between Bishops Diocesan and Respondents for Discipline

Sec. 1. At any time before an Order becomes effective, the Respondent or any Member of the Clergy who has not yet become a Respondent but who is alleged to have committed an Offense may propose terms of discipline to the Bishop Diocesan, or the Bishop Diocesan may propose terms of discipline to the Respondent or such Member of the Clergy. Before reaching agreement, the Bishop Diocesan shall consult with the Injured Persons, if any, the President of the Disciplinary Board and the Church Attorney with respect to the proposed terms of discipline. If the Respondent or such Member of the Clergy and the Bishop Diocesan reach agreement regarding terms of discipline, such terms shall be set forth in a proposed Accord. A Member of the Clergy becomes a Respondent by reaching agreement with the Bishop Diocesan regarding terms of discipline.

Sec. 2. An Accord under this Canon may be entered into if (a) the Respondent is aware of the discipline to be imposed and the effect thereof; (b) the Respondent has had adequate opportunity to consult and seek advice from, or has in fact consulted and received advice from, counsel of the Respondent’s choosing; and (c) the Accord adequately considers and, where possible, provides for healing, repentance, forgiveness, restitution, justice, amendment of life and reconciliation among the Complainant, Respondent, affected Community and other persons and is otherwise an appropriate resolution of the matter.
Sec. 3. An Accord under this Canon may be withdrawn by the Priest or Deacon within three days of execution thereof by the Priest or Deacon and if not withdrawn shall be effective and irrevocable thereafter.

CANON 10: Of Conciliation
Sec. 1. Conciliation shall seek a resolution which promotes healing, repentance, forgiveness, restitution, justice, amendment of life and reconciliation among the Complainant, Respondent, affected Community, other persons and the Church.
Sec. 2. Where a matter is referred for conciliation, the Bishop Diocesan shall appoint a Conciliator to assist the Complainant, Respondent, other affected persons and the Church in reconciling. The Bishop Diocesan or a representative appointed by the Bishop Diocesan may participate in the conciliation.
Sec. 3. If the conciliation is successful in reaching agreement among the parties on a suitable resolution of all issues, an Accord will be prepared as provided in Canon IV.14. If conciliation cannot be achieved within a reasonable time, the Conciliator will report such to the Bishop Diocesan, and the matter will be referred back to the Reference Panel.
Sec. 4. A Conciliator shall be a person skilled in dispute resolution techniques and without conflict of interest in the matter. All communications between the Complainant and the Conciliator, the Respondent and the Conciliator and other participants in the conciliation and the Conciliator shall be confidential except as the Conciliator may have the permission of the respective person to disclose the information to the other participants in the conciliation in order to promote efforts towards conciliation.

CANON 11: Of Investigations
Sec. 1. In each Diocese there shall be one or more Investigators.
Sec. 2. Upon referral of an intake report, the Investigator shall investigate all facts pertinent to the factual claims of the intake report. The Investigator shall use appropriate investigative means, with due consideration to pastoral sensitivities, and shall complete the investigation as expeditiously as possible.
Sec. 3. The Investigator shall present the findings of the investigation in writing to the Reference Panel. The Reference Panel may meet with the Investigator and shall consider the report to determine whether to (a) take no action other than appropriate pastoral responses pursuant to Canon IV.8; (b) refer the matter to the Bishop Diocesan for consideration of proceedings under Canon IV.9; (c) refer the matter to conciliation pursuant to Canon IV.10; (d) require further investigation; or (e) refer the matter to the Conference Panel pursuant to Canon IV.12. The determination shall be approved by a majority vote of the Reference Panel.
Sec. 4. If the determination is to refer for further investigation, the Investigator shall make such further investigation as the Reference Panel directs and shall submit a supplemental report of findings to the Reference Panel.
Panel. The Reference Panel shall then reconvene and proceed as provided in Canon IV.11.3.

Sec. 5. All investigations shall be confidential except as may be utilized by the Church Attorney, the Bishop Diocesan or the Panels upon the consent of the person interviewed or as the Bishop Diocesan deems pastorally necessary, and all persons interviewed by the Investigator shall be advised of the confidential nature of the investigation.

CANON 12: Of Conference Panels

Sec. 1. Upon referral of a matter to a Conference Panel, the president of the Disciplinary Board shall forward to the Church Attorney the intake report, all of the Investigator’s reports and any other writings or other file materials created or collected by the Disciplinary Board or any panel thereof during the intake, investigative or referral process. From this material the Church Attorney shall prepare a written statement, describing each alleged Offense separately, with reasonable particularity sufficient to apprise the Respondent of the acts, omissions or conditions which are the subject of the proceedings. The Church Attorney shall then forward the materials received from the president of the Disciplinary Board, together with the written statement, to the Conference Panel.

Sec. 2. The Conference Panel shall review the materials provided to determine who, in addition to those listed in Canon IV.12.3, should be directed to participate in the proceeding before the Conference Panel in order to promote the purposes of this Title. Such may include, for example, the Investigator, family members, representatives of the affected Community or other affected persons.

Sec. 3. The Conference Panel shall issue a notice to the Respondent, the Respondent’s Advisor, the Complainant, the Complainant’s Advisor, the Investigator and such other persons, if any, as the Conference Panel in its discretion may determine. The notice shall describe the nature and purpose of the proceeding, contain a copy of the written statement prepared by the Church Attorney, shall disclose the names of all persons to whom the notice is sent, and shall establish a date, time and place for a conference at which the Respondent is to appear before the Conference Panel.

Sec. 4. The Respondent shall attend the conference.

Sec. 5. The Church Attorney shall attend the conference, shall represent the Church and shall be heard by the Conference Panel.

Sec. 6. The Complainant may attend the conference but may not be required to do so. The Complainant’s Advisor may attend the conference regardless of whether the Complainant attends.

Sec. 7. The proceedings of the Conference Panel shall be informal and conversational. The Conference Panel shall describe the alleged Offense to the Respondent. The Conference Panel shall hear from the Complainant or the Complainant’s Advisor or both, if either or both are present, and from the Respondent or the Respondent’s Advisor or both. At its discretion, the Conference Panel may hear from the Investigator or any other persons present, and may direct the Investigator to conduct additional investigation.
and suspend its proceedings to allow such investigation to be completed. At its discretion, the Conference Panel may confer with any participants outside the presence of the other participants.

Sec. 8. No witnesses shall be called to testify at the proceedings before the Conference Panel. No record of the proceedings of the Conference Panel shall be made. The conference shall be closed to all except the members of the Conference Panel, and invited participants. Proceedings before the Conference Panel shall be confidential except as may be provided in an Order or Accord or as provided elsewhere in this Title.

Sec. 9. An Accord may be entered into at a proceeding before the Conference Panel. If an Accord is not entered into, the Conference Panel shall confer privately to reach a determination of the matter, which may include (a) dismissal of the matter; (b) referral for conciliation; (c) referral to the Hearing Panel; or (d) issuance of an Order.

Sec. 10. If the determination is to dismiss the matter, the Conference Panel shall issue an Order which shall include the reasons for dismissal and which may contain findings exonerating the Respondent. A copy of the Order shall be provided to the Bishop Diocesan, the Respondent, the Respondent’s Advisor, the Complainant, the Complainant’s Advisor and the Church Attorney.

Sec. 11. If the resolution is the entry of an Accord or the issuance of an Order other than an Order of dismissal, the provisions of Canon IV.14 shall apply.

Sec. 12. The Respondent or the Church Attorney may refuse an Order issued by the Conference Panel by giving written notice of the refusal to the president of the Conference Panel within fifteen days following the effective date of the Order as defined in Canon IV.14.10. Upon receipt of the notice of refusal, the president of the Conference Panel shall notify the president of the Disciplinary Board of the refusal and the matter will proceed as provided in IV.14.11.

**CANON 13: Of Hearing Panels**

Sec. 1. If a matter is referred to the Hearing Panel, the president of the Conference Panel shall promptly notify the president of the Disciplinary Board of the referral.

Sec. 2. Upon receipt of a referral for Hearing Panel proceedings, the Church Attorney shall review all information acquired as of the time of such referral and, if necessary, shall revise or update the written statement of the Offense and shall provide the same to the Hearing Panel. The Hearing Panel shall issue a notice to the Respondent, to the Respondent’s Advisor and to the Church Attorney.

(a) The notice shall describe the nature and purpose of the proceeding, contain a copy of the written statement prepared by the Church Attorney, disclose the names of all persons to whom the notice is sent, advise the Respondent that a written response to the notice must be filed by the Respondent with the Hearing Panel within thirty days of the mailing date of the notice and advise the Respondent that failure to
attend or participate in a scheduled or noticed hearing may result in a finding of default.

(b) A copy of the notice shall be sent to the Complainant and to the Complainant’s Advisor.

(c) Unless additional time is approved by the Hearing Panel, the Respondent shall file with the Hearing Panel a written response signed by the Respondent within thirty days of the mailing date of the notice. The president of the Hearing Panel shall forward a copy of the response to the Church Attorney.

Sec. 3. In all proceedings before the Hearing Panel, the Church Attorney shall appear on behalf of the Diocese, which shall then be considered the party on one side and the Respondent the party on the other. Each Complainant shall be entitled to be present throughout and observe the Hearing and each may be accompanied by another person of his or her own choosing in addition to his or her Advisor.

Sec. 4. All proceedings before the Hearing Panel, except its private deliberations, shall be public, provided, however, that the Hearing Panel may close any part of the proceedings at its discretion to protect the privacy of any person. A record of the hearing shall be made by such means as to enable the creation of a written transcript of the hearing.

Sec. 5. The Church Attorney and the Respondent shall each be afforded reasonable time and opportunity to prepare evidence for the hearing as follows:

(a) Within thirty days after the filing of the response by the Respondent, the Church Attorney and the Respondent’s counsel shall meet and confer regarding the nature and basis of the allegations against the Respondent and the defenses thereto and to make or arrange for initial disclosures as described in Canon IV.13.5(b), and to develop a proposed plan of discovery forms and schedule for approval by the Hearing Panel. A report of the proposed plan shall be filed with the president of the Hearing Panel within fifteen days after the conference.

(b) Within fifteen days after the conference described in Canon IV.13.5(a), the Church Attorney and the Respondent’s counsel shall each provide to the other initial disclosure of (1) the name and, if known, the address and telephone number of each individual likely to have direct knowledge of information which may be used to support the allegations against the Respondent or the defenses thereto, together with a detailed summary of the expected testimony of the person, if called to testify; and (2) a copy of, or a description by category and location of, all documents and tangible things that may be used to support the allegations against the Respondent or the defenses thereto, except as such disclosure would involve Privileged Communications.

(c) If the discovery plan has been mutually agreed upon by the Church Attorney and counsel for the Respondent, the president of the Hearing Panel may approve the plan and incorporate it in a discovery order and scheduling order governing all discovery procedures and establishing a date for hearing of the matter. If the Church Attorney and Respondent’s
counsel do not agree on all elements of the discovery plan, the president of the Hearing Panel shall allow each to be heard with respect to the elements in dispute, make a determination of appropriate discovery procedures and issue a discovery order and scheduling order within thirty days of the receipt of the discovery planning report.

(d) Discovery procedures may include oral or written deposition testimony of any person having knowledge pertaining to the Offense or any defenses thereto, requests for production of documents or tangible objects and requests for admissions of fact.

(e) In addition to the disclosures required by this section and the discovery obtained pursuant to the discovery plan, the Church Attorney and Respondent's counsel shall each provide to the other and to the Hearing Panel at least thirty days before the hearing final pre-hearing disclosures including (1) the name, address and telephone number of each witness expected to be called to testify at the hearing; (2) identification of each document or other tangible object expected to be used as an exhibit in the hearing; and (3) requests, if any, to have all or portions of the hearing closed to the public.

(f) Notwithstanding any provision of this section, in approving or determining the discovery plan, the president of the Hearing Panel shall take reasonable steps to assure that the discovery process will not unduly burden any person from whom information is sought or unduly adversely affect any pastoral response being offered to any such person. The Hearing Panel may impose, after reasonable notice and opportunity to be heard, reasonable sanctions on any party for failure to comply with any discovery or scheduling order.

Sec. 6. In all proceedings of the Hearing Panel the testimony of witnesses shall be taken orally and personally or by such other means as provided by order of the Hearing Panel. All testimony shall be given under oath or solemn affirmation and be subject to cross-examination. The Hearing Panel shall determine the credibility, reliability and weight to be given to all testimony and other evidence. The proceedings shall be conducted as follows:

(a) The president shall regulate the course of the hearing so as to promote full disclosure of relevant facts.

(b) The president:

(1) may exclude evidence that is irrelevant, immaterial or unduly repetitious;
(2) shall exclude privileged evidence;
(3) may receive documentary evidence in the form of a copy or excerpt if the copy or excerpt contains all pertinent portions of the original document;
(4) may take official notice of any facts that could be judicially noticed, including records of other proceedings and of technical or scientific facts within the Hearing Panel's specialized knowledge;
(5) may not exclude evidence solely because it is hearsay;
(6) shall afford to the Church Attorney and to the Respondent reasonable opportunity to present evidence, argue and respond to
argument, conduct cross-examination and submit rebuttal evidence; and
(7) may, at the discretion of the Hearing Panel, give persons other than the Church Attorney and the Respondent opportunity to present oral or written statements at the hearing.

(c) Nothing in this section shall preclude the exercise of discretion by the president in taking measures appropriate to preserve the integrity of the hearing.

Sec. 7. Following the conclusion of the hearing, the Hearing Panel shall confer privately to reach a determination of the matter by (a) dismissal of the matter or (b) issuance of an Order.

Sec. 8. If the determination is to dismiss the matter, the Hearing Panel shall issue an Order which shall include the reasons for dismissal and which may contain findings exonerating the Respondent. A copy of the Order shall be provided to the Bishop Diocesan, the Respondent, the Respondent’s Advisor, the Complainant, the Complainant’s Advisor and the Church Attorney.

Sec. 9. If the resolution is the issuance of an Order other than an Order of dismissal, the provisions of Canon IV.14 shall apply.

CANON 14: Of Accords and Orders
Sec. 1. An Accord may (a) provide any terms which promote healing, repentance, forgiveness, restitution, justice, amendment of life and reconciliation among the Complainant, Respondent, affected Community and other persons; (b) place restrictions on the Respondent’s exercise of ministry; (c) place the Respondent on probation; (d) recommend to the Bishop Diocesan that the Respondent be admonished, suspended or deposed from ministry; (e) limit the involvement, attendance or participation of the Respondent in the Community; or (f) any combination of the foregoing. An Accord may be conditioned on the Bishop Diocesan imposing any recommended admonition, suspension, deposition or conditions for restoration to ministry. An Accord providing for suspension from ministry shall specify on what terms or conditions and at what time the suspension shall cease. Any Accord providing for limitation upon the involvement, attendance or participation of the Respondent in the Community shall also provide conditions for restoration.

Sec. 2. If an Accord results from a Conciliation, the Accord shall be signed by the Complainant, the Respondent and the Conciliator, provided that the Conciliator shall sign last.

Sec. 3. If an Accord results from proceedings before a Conference Panel, the Complainant and the Complainant’s Advisor shall have first been afforded an opportunity to be heard by the Panel regarding the proposed terms of the Accord. The Accord shall be signed by the Respondent, the Church Attorney and the president of the Panel, provided that the president shall sign last.

Sec. 4. A copy of the Accord shall be sent to the Complainant, the Complainant’s Advisor, the Respondent, the Respondent’s Advisor, the Church Attorney and the Bishop Diocesan by the Conciliator or the
president of the Conference Panel or Hearing Panel (whichever the matter was before when the Accord was reached) on the date that the Conciliator or president of the Panel signs the Accord.

Sec. 5. The Bishop Diocesan shall have thirty days from the date on which the Accord is sent to the Bishop Diocesan in which to advise in writing the Respondent, the Respondent’s Advisor, the Complainant, the Complainant’s Advisor, the Church Attorney and the Conciliator or the president of the Conference Panel or Hearing Panel whether the Bishop Diocesan will pronounce the Sentence or accept the other terms of the Accord as recommended. The Bishop Diocesan shall advise that he or she will (a) pronounce the Sentence as recommended or (b) pronounce a lesser Sentence than that recommended and/or (c) reduce the burden on the Respondent of any of the other terms of the Accord. The Bishop Diocesan shall pronounce Sentence not sooner than forty days following the date on which the Accord is sent to the Bishop Diocesan and not later than sixty days following such date. The Bishop Diocesan’s pronouncement of a lesser Sentence than that recommended or other modification shall not affect the validity or enforceability of the remainder of the Accord.

Sec. 6. An Order issued by a Conference Panel or Hearing Panel may (a) provide any terms which promote healing, repentance, forgiveness, restitution, justice, amendment of life and reconciliation among the Complainant, Respondent, affected Community and other persons; (b) place restrictions on the Respondent’s exercise of ministry; (c) recommend to the Bishop Diocesan that the Respondent be admonished, suspended or deposed from ministry; (d) limit the involvement, attendance or participation of the Respondent in the Community; or (e) any combination of the foregoing. An Order providing for suspension from Ministry shall specify on what terms or conditions and at what time the suspension shall cease. Any Order providing for limitation upon the involvement, attendance or participation of the Respondent in the Community shall also provide conditions for restoration.

Sec. 7. Prior to the issuance of an Order by a Conference Panel or a Hearing Panel, the issuing Panel shall afford the Bishop Diocesan and the Complainant each with an opportunity to be heard on the proposed terms of the Order.

Sec. 8. The Bishop Diocesan shall have thirty days from the date of the issuance of the Order in which to advise in writing the Respondent, the Respondent’s Advisor, the Complainant, the Complainant’s Advisor, the Church Attorney and the president of the Conference Panel or Hearing Panel (whichever Panel issued the Order) whether the Bishop Diocesan will pronounce the Sentence or accept the other terms of the Order as recommended. The Bishop Diocesan shall advise that he or she will (a) pronounce the Sentence as recommended or (b) pronounce a lesser Sentence than that recommended and/or (c) reduce the burden on the Respondent of any of the other terms of the Order. The Bishop Diocesan shall pronounce Sentence not sooner than forty days following the issuance of the Order and not later than sixty days following the issuance of the
Order. Notwithstanding anything in this section to the contrary, no Sentence shall be pronounced while an appeal of the matter is pending. However, the Bishop Diocesan may, while an appeal is pending, place restrictions upon the exercise of the Respondent's ministry, or place the Respondent on Administrative Leave, or continue any such restriction or Administrative Leave as was in effect at the time of the issuance of the Order. The Bishop Diocesan's pronouncement of a lesser Sentence than that recommended or other modification shall not affect the validity or enforceability of the remainder of the Order.

Sec. 9. An Accord or Order shall include, in addition to such terms and provisions as are consistent with Canons IV.14.1 and IV.14.6, (a) the name of the Respondent; (b) a reference to the Canon(s), section(s) and subsection(s) specifying the Offense; and (c) general information regarding the Offense sufficient to afford protection from proceedings which are barred under Canon IV.19.13.

Sec. 10. An Accord under Canon IV.9 shall be effective as provided in Canon IV.9.3. An Accord under Canon IV.10 or IV.12 shall be effective thirty days following the date on which the Accord is signed by the Conciliator or the president of the Panel. An Order is effective thirty days following the date on which the Order is issued.

Sec. 11. If the Order is issued by a Conference Panel, the Respondent may refuse the Order as provided in Canon IV.12.12 and the matter shall be referred to a Hearing Panel for hearing as provided in Canon IV.13.

Sec. 12. Notice of Accords and Orders which shall have become effective and are not subject to refusal by the Respondent shall be given without delay as follows:

(a) In the case of any Accord or Order pertaining to a Priest or Deacon, the Bishop Diocesan shall give notice of the Accord or Order to every Member of the Clergy in the Diocese, each Vestry in the Diocese, the Secretary of Convention and the Standing Committee of the Diocese, which shall be added to the official records of the Diocese; to the Presiding Bishop, to all other Bishops of the Church, and where there is no Bishop, to the Ecclesiastical Authority of each Diocese of the Church; to the Recorder of ordinations; to the Church Deployment Office; and to the Secretary of the House of Bishops and the Secretary of the House of Deputies.

(b) In the case of any Accord or Order pertaining to a Bishop, the Presiding Bishop shall give notice of the Accord or Order to the Ecclesiastical Authority of every Diocese of the Church, to the Recorder of ordinations, to the Church Deployment Office, and to the Secretary of the House of Bishops, and to all Archbishops and Metropolitans, and to all Presiding Bishops of Churches in communion with the Church.

(c) All notices given pursuant to this Canon shall reference the Canon(s), section(s) and subsection(s) specifying the Offense which is the subject of the Accord or Order.
(d) Similar notice shall be given whenever there is any modification or remission of any Order for which notice has previously been given pursuant to this Canon.

CANON 15: Of Review

Sec. 1. In the event that proceedings before the Hearing Panel are unreasonably delayed or suspended, and are not resumed within sixty days following a written request for resumption of proceedings from the Church Attorney or the Respondent, the Church Attorney or the Respondent may file a written request with the Provincial Court of Review for an order directing the Hearing Panel to resume the proceedings. The Court of Review shall consider the request as follows:

(a) The person filing the request shall provide copies of the request to the presidents of the Hearing Panel and of the Disciplinary Board. The request shall include a statement of the status of the proceedings and the reason, if known, for the delay or suspension of proceedings, and a description of all actions taken by the person filing the request or by any other person to resolve any impediment to the proceedings or other cause for the delay.

(b) Within fifteen days of receipt of the copy of the request, the president of the Hearing Panel shall file a response to the request with the Provincial Court of Review, with a copy to the Church Attorney, the Respondent and the president of the Board.

(c) The Provincial Court of Review shall convene, either personally or telephonically, to consider the request and the response, if any, from the Hearing Panel. The Court shall then either issue an order directing resumption of the proceedings or an order declining to direct resumption with an explanation of the reasons therefore. The order issued by the Provincial Court of Review shall be binding upon the Hearing Panel.

(d) In the event a Hearing Panel, having been ordered to resume proceedings, either refuses to do so or is unable to do so, the Church Attorney or the Respondent may request that the Provincial Court of Review order the transfer of the proceedings to a Hearing Panel of another Diocese within the same Province, including an order to the Board of the originating Diocese to transmit the complete record of the proceedings to the successor Hearing Panel.

Sec. 2. Within forty days after issuance of an Order by a Hearing Panel, the Respondent or the Church Attorney may appeal to the Provincial Court of Review, by serving written notice of the appeal upon the Bishop Diocesan, with copies of the notice to the presidents of the Hearing Panel and the Province. The notice of appeal shall be signed by the Respondent’s counsel or the Church Attorney and shall include a copy of the Order from which the appeal is taken and shall state the grounds of the appeal.

Sec. 3. Any Order from a Hearing Panel finding that a Respondent did not commit an Offense involving a question of the Doctrine, Faith or Worship of the Church may be appealed by the Bishop Diocesan upon the written
request of at least two Bishops Diocesan of other Dioceses within the Province who are not members of the Provincial Court of Review. Such an appeal shall be taken on the question of the Church’s Doctrine, Faith and Worship only, and may not seek to reverse the finding of the Hearing Panel of non-commission of other Offenses. An appeal under this section may be taken by service of a notice of appeal by the Bishop Diocesan upon the Respondent, the Church Attorney and the presidents of the Hearing Panel and the Province within forty days after the Order of the Hearing Panel is received by the Bishop Diocesan.

Sec. 4. If an appeal is taken from a Hearing Panel of a Diocese which is non-provincial, the appeal shall be taken before the Provincial Court of Review geographically closest to that Diocese.

Sec. 5. An appeal shall be heard on the record of the Hearing Panel. The record on appeal may be corrected, if defective, but no new evidence shall be taken by the Provincial Court of Review.

Sec. 6. The standards for and conditions of appeal to the Provincial Court of Review shall be as follows:

(a) Where an Order is issued against a Respondent who fails to appear before the Hearing Panel or who otherwise fails to participate in proceedings before the Hearing Panel, such Order shall be upheld unless a review of the record on appeal shows the Hearing Panel made a clear error in issuing such Order. The Provincial Court of Review shall review the facts and record in the light most favorable to the Respondent.

(b) In all other appeals, the Provincial Court of Review shall grant relief to the appealing party only if, on the basis of the record on appeal, it determines that the party seeking review has been substantially prejudiced by any of the following:

(1) The action taken below violates the Constitution and Canons of the Church or the Diocese;
(2) The Hearing Panel has exceeded the jurisdiction conferred by this Title;
(3) The Hearing Panel has not decided all of the issues requiring resolution;
(4) The Hearing Panel has erroneously interpreted or applied the Constitutions or Canons of the Church;
(5) The Hearing Panel has committed a procedural error or engaged in a decision-making process contrary to this Title; and/or
(6) The factual determinations of the Hearing Panel are not supported by substantial evidence when viewed in the whole light of the record on appeal.

Sec. 7. It shall be the duty of the Hearing Panel to produce the record on appeal, consisting of a transcript of the proceedings before the Hearing Panel together with documentary and tangible evidence received by the Hearing Panel. The record shall be printed or otherwise reproduced as authorized by the president of the Provincial Court of Review. Within thirty days after receiving the record on appeal from the Hearing Panel, the party
appealing shall serve two copies of the record on appeal, the notice of appeal and the appealing party's brief, if any, upon the opposite party and shall deliver five copies to the president of the Provincial Court of Review. Within thirty days after receiving a copy of the record on appeal, the party opposing the appeal shall serve the brief in opposition, if any, upon the appealing party, with five copies to the president of the Provincial Court of Review. Any reply brief of the appealing party shall be served likewise within fifteen days following service of the brief in opposition.

Sec. 8. All members and alternates of the Provincial Court of Review serving for an appeal shall be present for any oral proceedings of the appeal.

Sec. 9. The Provincial Court of Review shall keep a record of all proceedings. The Provincial Court of Review shall appoint a reporter who shall provide for the recording of the proceedings and who shall serve at the pleasure of the Provincial Court of Review.

Sec. 10. At the hearing of the appeal, the Provincial Court of Review shall afford the Respondent and the Church Attorney the opportunity to be heard. The Provincial Court of Review may regulate the number of counsel to be heard.

Sec. 11. No Order or determination of a Hearing Panel shall be overturned solely for technical or harmless error.

Sec. 12. If, after a notice of appeal has been filed, the appealing party fails to pursue the appeal as provided in this Canon, the Provincial Court of Review may dismiss the appeal.

Sec. 13. Following a hearing of the appeal and private deliberation, the Provincial Court of Review may (a) dismiss the appeal; (b) reverse or affirm in whole or in part the Order of the Hearing Panel; or (c) grant a new hearing before the Hearing Panel.

Sec. 14. The concurrence of a majority of the Provincial Court of Review shall be required to decide an appeal. The Provincial Court of Review shall issue its decision in writing, signed by the members concurring therein, stating its decision and the reasons for the decision. The decision shall be attached to the record. If there is not a concurrence by a majority of the Provincial Court of Review, the Order of the Hearing Panel shall stand as affirmed except for any part of the Order for which there is concurrence.

Sec. 15. Upon determination of the appeal, the president of the Provincial Court of Review shall give notice of the determination in writing to the appealing party, the party in opposition and to the Bishop Diocesan and Church Attorney. The appeal record shall be certified by the clerk of the Provincial Court of Review and the president, and shall be delivered to the Bishop Diocesan along with a copy of the record on appeal from the Hearing Panel.

CANON 16: Of Abandonment of The Episcopal Church

(A) By a Bishop

Sec. 1. If a Bishop abandons The Episcopal Church (i) by an open renunciation of the Doctrine, Discipline or Worship of the Church; or (ii) by formal admission into any religious body not in communion with the same;
or (iii) by exercising Episcopal acts in and for a religious body other than the Church or another church in communion with the Church, so as to extend to such body Holy Orders as the Church holds them, or to administer on behalf of such religious body Confirmation without the express consent and commission of the proper authority in the Church, it shall be the duty of the Disciplinary Board for Bishops, by a majority vote of all of its members, to certify the fact to the Presiding Bishop and with the certificate to send a statement of the acts or declarations which show such abandonment, which certificate and statement shall be recorded by the Presiding Bishop. The Presiding Bishop shall then place a restriction on the exercise of ministry of said Bishop until such time as the House of Bishops shall investigate the matter and act thereon. During the period of such restriction, the Bishop shall not perform any Episcopal, ministerial or canonical acts.

Sec. 2. The Presiding Bishop, or the presiding officer, shall forthwith give notice to the Bishop of the certification and restriction on ministry. Unless the restricted Bishop, within sixty days, makes declaration by a verified written statement to the Presiding Bishop, that the facts alleged in the certificate are false or utilizes the provisions of Canon III.12.7, the Bishop will be liable to Deposition. If the Presiding Bishop is reasonably satisfied that the statement constitutes (i) a good faith retraction of the declarations or acts relied upon in the certification to the Presiding Bishop or (ii) a good faith denial that the Bishop made the declarations or committed the acts relied upon in the certificate, the Presiding Bishop, with the advice and consent of the Disciplinary Board for Bishops, shall terminate the restriction. Otherwise, it shall be the duty of the Presiding Bishop to present the matter to the House of Bishops at the next regular or special meeting of the House. If the House, by a majority of the whole number of Bishops entitled to vote, shall give its consent, the Presiding Bishop shall depose the Bishop from the ministry, and pronounce and record in the presence of two or more Bishops that the Bishop has been so deposed.

(B) By a Priest or Deacon

Sec. 3. If it is reported to the Standing Committee of the Diocese in which a Priest or Deacon is canonically resident that the Priest or Deacon, without using the provisions of Canon III.7.8-10 or III.9.8-11, has abandoned The Episcopal Church, then the Standing Committee shall ascertain and consider the facts, and if it shall determine by a vote of three-fourths of all the members that the Priest or Deacon has abandoned The Episcopal Church by an open renunciation of the Doctrine, Discipline or worship of the Church, or by the formal admission into any religious body not in communion with the Church, or in any other way, it shall be the duty of the Standing Committee of the Diocese to transmit in writing to the Bishop Diocesan, or if there be no such Bishop, to the Bishop Diocesan of an adjacent Diocese, its determination, together with a statement setting out in reasonable detail the acts or declarations relied upon in making its determination. If the Bishop Diocesan affirms the determination, the Bishop Diocesan shall place a restriction on the exercise of ministry by that Priest or Deacon for sixty days and shall send to the Priest or Deacon a copy of the
determination and statement, together with a notice that the Priest or Deacon has the rights specified in Section 2 and at the end of the sixty day period the Bishop Diocesan will consider deposing the Priest or Deacon in accordance with the provisions of Section 4.

Sec. 4. Prior to the expiration of the sixty day period of restriction, the Bishop Diocesan may permit the Priest or Deacon to utilize the provisions of Canon III.7.8-10 or III.9.8-11, as applicable. If within such sixty day period the Priest or Deacon shall transmit to the Bishop Diocesan a statement in writing signed by the Priest or Deacon, which the Bishop Diocesan is reasonably satisfied constitutes a good faith retraction of such declarations or acts relied upon in the determination or a good faith denial that the Priest or Deacon committed the acts or made the declarations relied upon in the determination, the Bishop Diocesan shall withdraw the notice and the restriction on ministry shall expire. If, however, within the sixty day period, the Bishop Diocesan does not pronounce acceptance of the renunciation of the Priest or Deacon in accordance with Canon III.7.8-10 and III.9.8-11, as applicable, or the Priest or Deacon does not make retraction or denial as provided above, then it shall be the duty of the Bishop Diocesan either (i) to depose the Priest or Deacon or (ii) if the Bishop Diocesan is satisfied that no previous irregularity or misconduct is involved, with the advice and consent of the Standing Committee, to pronounce and record in the presence of two or more Priests that the Priest or Deacon is released from the obligations of Priest or Deacon and (for causes which do not affect the person’s moral character) is deprived of the right to exercise the gifts and spiritual authority conferred in Ordination.

CANON 17: Of Proceedings for Bishops

Sec. 1. Except as otherwise provided in this Canon, the provisions of this Title shall apply to all matters in which a Member of the Clergy who is subject to proceedings is a Bishop.

Sec. 2. In all matters in which the Member of the Clergy who is subject to proceedings is a Bishop, the following terms used in Canons IV.5 through IV.16 and Canons IV.18 and IV.19 shall have the following respective meanings:

(a) Disciplinary Board shall mean the Disciplinary Board for Bishops as provided in Canon IV.17.3.
(b) Intake Officer shall mean a person appointed by the Presiding Bishop.
(c) Bishop Diocesan shall mean the Presiding Bishop, unless the Member of the Clergy who is subject to proceedings is the Presiding Bishop, in which case Bishop shall mean the Bishop authorized by Canon IV 19.24.
(d) Church Attorney shall mean a person appointed by the Disciplinary Board for Bishops to serve as the Church Attorney.
(e) Investigator shall mean any person who is qualified to serve as an Investigator under this Title, selected by the Disciplinary Board for Bishops.
(f) Provincial Court of Review shall mean the Court of Review for Bishops as provided in Canon IV.17.8.

Sec. 3. The Disciplinary Board for Bishops is hereby established as a court of the Church to have original jurisdiction over matters of discipline of Bishops, to hear Bishops’ appeals from imposition of restriction on ministry or placement on Administrative Leave and to determine venue issues as provided in Canon IV.19.5. The Disciplinary Board for Bishops shall consist of ten Bishops elected at any regularly scheduled meeting of the House of Bishops, and four Priests or Deacons and four lay persons initially appointed by the President of the House of Deputies with the advice and consent of the lay and clergy members of the Executive Council and thereafter elected by the House of Deputies. All lay persons appointed to serve shall be confirmed adult communicants in good standing. Members of the Board shall serve staggered terms of six years, with terms of one half of the Bishops and one half of the lay persons, Priests and Deacons collectively expiring every three years, with the first expirations occurring at the end of the year 2012.

Sec. 4. Within sixty days following each General Convention, the Board shall convene to elect a president for the following triennium. The president shall be a Bishop. If there is no president, the Bishop who is senior by consecration shall perform the duties of the president.

Sec. 5. The Conference Panel shall consist of three Bishops, one Priest or Deacon and one lay person. The Hearing Panel shall consist of three Bishops, one Priest or Deacon and one lay person, except that the Hearing Panel for the Offense specified in Canon IV.4.1(h)(2) pertaining to Doctrine Offenses shall consist of five Bishops only.

Sec. 6. The provisions of Canons IV.14.1(d) and IV.14.6(c) pertaining to recommendations that a Respondent be suspended or deposed from ministry shall not apply where the Respondent is a Bishop. Where the Respondent is a Bishop, an Accord or Order may provide for the suspension or deposition of the Respondent. In such event, the Sentence of suspension or deposition shall be pronounced by the president of the Disciplinary Board for Bishops. The president shall have no discretion to decline to pronounce the Sentence or to pronounce a lesser Sentence. Where an Accord provides for the suspension or deposition of a Respondent who is a Bishop, the president shall pronounce Sentence within thirty days after the date on which the Conciliator or the president signs the Accord. Where an Order provides for the suspension or deposition of a Respondent who is a Bishop, the president shall pronounce Sentence not sooner than forty days following the issuance of the Order and not later than sixty days following the issuance of the Order. Notwithstanding anything in this section to the contrary, no Sentence shall be pronounced while an appeal of the matter is pending. However, the president may, while an appeal is pending, place restrictions upon the exercise of the Respondent’s ministry, or place the Respondent on Administrative Leave, or continue any such restriction or Administrative Leave as was in effect at the time of the issuance of the Order.
Sec. 7. Notwithstanding any provision of this Title to the contrary, no proceeding shall be brought under this Title against a Bishop in which the Offense alleged is violation of Canon IV.4.1(h)(2) for holding and teaching, or having held and taught, publicly or privately, and advisedly, any Doctrine contrary to that held by the Church unless a statement of disassociation shall have first been issued by the House of Bishops as provided in Canon IV.17.7 (a) and thereafter the consent of one-third of the Bishops qualified to vote in the House of Bishops has been received to initiate proceedings under this Title as provided in Canon IV.17.7 (b).

(a) Any ten Bishops Diocesan in the Church may file with the Presiding Bishop a written request, signed by such Bishops, that the House of Bishops issue a statement of disassociation. Such request shall include a statement of the Doctrine alleged to be contrary to that held by the Church, the name or names of the Bishop or Bishops alleged to have held and taught publicly or privately, and advisedly, such Doctrine, and a concise statement of the facts upon which the request for the statement of disassociation is based. Contemporaneously with the filing of the request, there shall be filed with the Presiding Bishop a proposed statement of disassociation and a brief in support thereof. The Presiding Bishop shall thereupon serve a copy of the request for a statement of disassociation upon each Bishop who is the subject thereof, together with the proposed statement of disassociation and a copy of the supporting brief. The Presiding Bishop shall fix a date for the filing of a response and brief in support thereof, which date shall be not less than ninety days from the date of service, and may extend the time for responding for not more than sixty additional days. Upon the filing of a response and supporting brief, if any, or upon the expiration of the time fixed for a response, if none be filed, the Presiding Bishop shall forthwith transmit copies of the request for a statement of disassociation, proposed statement of disassociation, response, and briefs to each member of the House of Bishops. The request for a statement of disassociation shall be considered by the House of Bishops at its first regularly scheduled meeting held at least one month after copies of the request for a statement of disassociation, proposed statement of disassociation, response and briefs are transmitted to each member of the House of Bishops. The House of Bishops may amend the proposed statement of disassociation. If a statement of disassociation is not issued by the conclusion of the meeting, there shall be no further proceedings under this Title against any Bishop who is the subject thereof for holding and teaching the Doctrine alleged in the request for a statement of disassociation.

(b) Not later than ninety days following the issuance of a statement of disassociation by the House of Bishops as provided in Canon IV.17.7(a), any ten Bishops Diocesan may file with the Presiding Bishop a written request, signed by such Bishops, that the House of Bishops initiate proceedings under this Title against any Bishop who is the subject of such statement of disassociation for violation of Canon IV.4.1(h)(2) with
regard to the same Doctrine as was alleged in the request for the statement of disassociation. Such request for initiation of proceedings under this Title shall include an explanation why the issuance of the statement of disassociation was not a sufficient response to the matters alleged in the request for statement of disassociation and shall be accompanied by a brief in support of the request for initiation of proceedings. The Presiding Bishop shall fix a date for the filing of a response, which shall include an explanation why the issuance of the statement of disassociation was a sufficient response to the matters alleged in the request for statement of disassociation, and brief in support thereof, which date shall be not less than ninety days from the date of service, and may extend the time for responding for not more than sixty additional days. Upon the filing of a response and supporting brief, if any, or upon the expiration of the time fixed for a response, if none be filed, the Presiding Bishop shall forthwith transmit copies of the request for initiation of proceedings under this Title, response and briefs to each member of the House of Bishops. No proceeding under this Title for violation of Canon IV.4.1(h)(2) shall be initiated unless the written consent of one-third of the Bishops qualified to vote in the House of Bishops shall be received by the Presiding Bishop within sixty days of the date on which the copies of the request for initiation of proceedings under this Title, response, and briefs were sent to them. In case the Presiding Bishop does not receive the written consent of one-third of all the Bishops eligible to vote within sixty days of such date, the Presiding Bishop shall declare the matter dismissed and no further proceedings may be had thereon. If the Presiding Bishop receives the necessary written consents within sixty days as specified above, the Presiding Bishop shall forthwith notify the President of the Disciplinary Board for Bishops. The President shall promptly select from the Disciplinary Board for Bishops, by lot or by other random means, a Hearing Panel consisting of nine Bishops and shall designate a president of the Hearing Panel. The President of the Disciplinary Board for Bishops shall promptly forward to the president of the Hearing Panel and to the National Church Attorney copies of the request for initiation of proceedings under this Title, response and briefs, and the matter shall proceed under this Title as a matter which has been referred to a Hearing Panel.

Sec. 8. The Court of Review for Bishops is hereby established as a court of the Church to have jurisdiction to hear appeals from Hearing Panels of the Disciplinary Board for Bishops.

(a) The Court of Review for Bishops shall consist of nine members, all of whom shall be Bishops. Three Bishops shall be elected by the House of Bishops at any regularly scheduled meeting of the House of Bishops, to serve until the adjournment of the third succeeding regular meeting of General Convention and until their successors are elected and qualify; however, there shall be no change in the composition of the Court with
respect to a particular Respondent following any hearing in the matter and while it is pending unresolved before the Court.

(b) From among their number, the members of the Court of Review for Bishops shall elect a president.

(c) The reasonable and necessary expenses of the Court of Review for Bishops, including fees, costs, disbursements and expenses of the members, clerks, reporters and Church Attorneys shall be charged upon the General Convention and paid by the Treasurer of the General Convention upon Order of the president of the Court of Review. The Court of Review for Bishops shall have the authority to contract for and bind the General Convention to payment of these expenses.

Sec. 9. An Accord between the Presiding Bishop and a Bishop resulting from an agreement for discipline pursuant to Canon IV.9 shall be (a) subject to the right of withdrawal provided in Canon IV.9.3 and (b) submitted by the Presiding Bishop to the Disciplinary Board for Bishops for approval promptly after it is signed by the Presiding Bishop and the respondent. Unless withdrawn under IV.9.3, it shall be effective upon approval of the Disciplinary Board for Bishops and not subject to appeal.

CANON 18: Of Modification and Remission of Orders

Sec. 1. Any Member of the Clergy who is the subject of an Order which has become effective may apply to the Bishop Diocesan of the Diocese from which the Order issued, or the Presiding Bishop in the case of a Bishop, for modification or remission of the Order. If the Bishop is satisfied that sufficient reasons exist for granting the modification or remission sought, in whole or in part, the procedures provided in this Canon for modification or remission shall apply.

Sec. 2. In the case of an Order pertaining to a Priest or Deacon, any provision of any Order other than a provision recommending deposition of the Priest or Deacon may be modified or remitted by the Bishop Diocesan of the Diocese from which the Order issued with the advice and consent of two-thirds of the members of the Disciplinary Board.

Sec. 3. In the case of a deposition of a Priest or Deacon pursuant to an Order, such deposition may be remitted and terminated by the Bishop Diocesan of the Diocese from which the Order issued only upon the following conditions: (a) the remission shall be done with the advice and consent of two-thirds of the members of the Disciplinary Board of the Diocese from which the Order issued; (b) the proposed remission, with the reasons therefore, shall be submitted to the judgment of five of the Bishops Diocesan whose Dioceses are nearest to the Diocese from which the Order issued, and the Bishop Diocesan shall receive in writing from at least four of those Bishops their approval of the remission and their consent thereto; (c) if the person deposed maintains legal residence or canonical residence in a Diocese other than the Diocese from which the Order issued, the proposed remission, with the reasons therefore, shall be submitted to the judgment of the Bishop(s) Diocesan of the Diocese(s) of legal and canonical residence and such Bishop(s) shall give his or her (or their) written approval of the
remission and consent thereto; and (d) before such remission, the Bishop Diocesan shall require the person deposed, who desires to be restored to the ordained ministry, to subscribe to the declaration required in Article VIII of the Constitution.

Sec. 4. In the case of an Order pertaining to a Bishop, any provision of the Order may be modified or remitted by the president of the Disciplinary Board for Bishops with the advice and consent of a majority of the members of the Board and the Bishops who are then serving on any Provincial Court of Review.

Sec. 5. In the case of any Order deposing a Member of the Clergy for abandoning the Church, no application for remission shall be received by the Bishop Diocesan until the deposed person has lived in lay communion with the Church for not less than one year next preceding application for the remission.

Sec. 6. No Order may be modified or remitted unless the Member of the Clergy, the Church Attorney and each Complainant have been afforded sufficient opportunity to be heard by the Disciplinary Board, or the Disciplinary Board together with the Bishops who are then serving on any Provincial Court of review, as the case may be, as to why the proposed modification or remission should or should not be permitted.

CANON 19: Of General Provisions

Sec. 1. Proceedings under this Title are neither civil nor criminal but ecclesiastical in nature. These proceedings represent the responsibility of the Church to determine who shall serve as Members of the Clergy of the Church, reflecting the polity and order of this hierarchical church. Members of the Clergy have voluntarily sought and accepted positions in the Church and have thereby given their consent to subject themselves to the Discipline of the Church. They may not claim in proceedings under this Title constitutional guarantees otherwise associated with secular court proceedings.

Sec. 2. No member of the Church, whether lay or ordained, may seek to have the Constitution and Canons of the Church interpreted by a secular court, or resort to a secular court to address a dispute arising under the Constitution and Canons, or for any purpose of delay, hindrance, review or otherwise affecting any proceeding under this Title.

Sec. 3. No secular court shall have authority to review, annul, reverse, restrain or otherwise delay any proceeding under this Title. No action shall be brought in any secular court to enforce the terms or provisions of any Accord or Order unless otherwise expressly provided therein.

Sec. 4.

(a) A Member of the Clergy shall not be subject to proceedings under this Title for acts committed more than ten years before the initiation of proceedings except:

(1) if a Member of the Clergy is convicted in a criminal Court of Record or a judgment in a civil Court of Record in a cause involving
immorality, proceedings may be initiated at any time within three years after the conviction or judgment becomes final;
(2) if an alleged Injured Person was under the age of twenty-one years at the time of the alleged acts, proceedings may be initiated at any time prior to the alleged Injured Person’s attaining the age of twenty-five years; or
(3) if an alleged Injured Person is otherwise under disability at the time of the alleged acts, or if the acts alleged were not discovered, or the effects thereof were not realized, during the ten years immediately following the date of the acts alleged, the time within which proceedings may be initiated shall be extended to two years after the disability ceases or the alleged Injured Person discovers or realizes the effects of the acts alleged; provided, however, the time within which proceedings may be initiated shall not be extended beyond fifteen years from the date the acts are alleged to have been committed.

(b) The time limits of Subsection (a) above shall not apply with respect to persons whose acts include physical violence, sexual abuse or sexual exploitation, if the acts occurred when the alleged Injured Person was under the age of twenty-one years; in any such case, proceedings under this Title may be initiated at any time.
(c) Except as provided in Subsection (b) above, the time limitations for initiation of proceedings in this Section shall be retroactive only to January 1, 1996.
(d) No proceedings under this Title shall be initiated for acts which are alleged to violate Canon IV.3.1(a) or to constitute a breach of Canon IV.4.1(b), (c), (e) or (h)(2) unless the acts were committed within or continued up to two years immediately preceding the time the proceedings are initiated.
(e) For purposes of this Section 4, proceedings are initiated under this Title with respect to a particular Offense when specific allegations of the commission of that Offense are made to the Intake Officer.

Sec. 5. Jurisdiction and venue for proceedings under this Title shall be as follows:
(a) A Member of the clergy shall be subject to proceedings under this Title for the alleged commission of an Offense in the Diocese in which the Member of the Clergy is canonically resident or in any Diocese in which an Offense is alleged to have occurred.
(b) Whenever a referral of a matter is to be made by an Intake Officer regarding a Member of the Clergy who is not canonically resident in the Intake Officer's Diocese, the Bishop Diocesan of the Intake Officer's Diocese shall promptly notify the Bishop Diocesan of the Diocese where the Member of the Clergy is canonically resident that the Intake Officer's Diocese intends to conduct proceedings under this Title regarding the matter. The Bishop Diocesan of the Diocese of canonical residence shall have thirty days following the receipt of such notice within which to object to assumption of jurisdiction over the matter by
the Intake Officer’s Diocese. Such objection shall be made in writing to the Bishop Diocesan of the Intake Officer’s Diocese. If the Bishop Diocesan of the Diocese of canonical residence fails to so object within the time provided, it shall be deemed that the Bishop Diocesan of the Diocese of canonical residence has agreed to assumption of jurisdiction over the matter by the Intake Officer’s Diocese.

(c) If objection is made by the Bishop Diocesan of the Diocese of canonical residence as provided in Canon IV.19.5(b), the Bishop Diocesan of the Diocese of canonical residence and the Bishop Diocesan of the Intake Officer’s Diocese shall promptly agree as to which Diocese will assume jurisdiction over the matter and conduct proceedings. If the two Bishops cannot promptly agree, the disagreement will be resolved as follows:

(1) If they are in the same Province, either may promptly request the president of the Provincial Court of Review to decide which Diocese shall conduct the proceedings. If they are in different Provinces, either may promptly request the president of the Disciplinary Board for Bishops to decide which Diocese shall conduct the proceedings.

(2) The requesting Bishop shall provide a copy of the request to the other Bishop. A reply to the request may be made by the non-requesting Bishop within fifteen days of service of the request.

(3) The president shall have the discretion to hear from the Bishops Diocesan or the Church Attorneys for the respective Dioceses, either personally or telephonically, concerning the request and any reply. The president shall have the discretion to request additional submissions from the Bishops Diocesan or the Church Attorneys.

(4) The president shall decide which Diocese shall conduct the proceedings within thirty days of service of the request.

Sec. 6. In any proceeding under this Title in which the Respondent fails to appear before the Conference Panel as required by Canon IV.12.4 or to timely file with the Hearing Panel the written response required by Canon IV.13.2(c), such Panel may proceed in the absence of the Respondent and may accept as true the matters described in the notice issued to the Respondent pursuant to Canons IV.12.3 or IV.13.2.

Sec. 7. Unless otherwise expressly provided in writing in the restriction on ministry or Sentence of suspension, a Member of the Clergy under a restriction on Ministry or Sentence of suspension shall not exercise any authority of his or her office over the real or personal property or temporal affairs of the Church except such matters as may not be exercised by a person other than the holder of the office, and may exercise authority in those matters only with the advice and consent of the Vestry or Bishops Committee, in the case of congregational property or affairs, or the Standing Committee, in the case of Diocesan property or affairs. The Sentence of suspension of a Rector shall terminate the pastoral relation between the Rector and the Vestry or Congregation unless (i) the Vestry by two-thirds vote requests of the Ecclesiastical Authority within thirty days that the relation continue and (ii) the Ecclesiastical Authority approves such request.
If the pastoral relation has not been terminated, religious services and sacramental ministrations shall be provided for that Parish as though a vacancy exists in the office of the Rector. This Section shall not prohibit the application of Canon III.9.13-21.

Sec. 8. In computing any period of time for proceedings described in this Title, the day of the act or event from which the designated time period begins to run shall not be included. The last day of the time period shall be included, unless it is a Saturday, Sunday or legal holiday in that jurisdiction, in which event the period runs until the end of the next day which is not a Saturday, Sunday or legal holiday in that jurisdiction. Whenever a party has the right or is required to do an act within a prescribed period after the service of notice or other paper, if the service is by mail, five days shall be added to the prescribed period. Whenever it is provided in this Title that an act be done promptly or without delay, such act shall be done as quickly as is reasonably possible under the circumstances.

Sec. 9. In all cases in this Title where an action is performed or power exercised by a canonical body consisting of several members, including Reference Panels, Conference Panels, Hearing Panels and Courts of Review, and the full membership has been notified to convene, a majority of the members of the body shall be a quorum; and a majority of the members present when a quorum exists shall be competent to act.

Sec. 10. Each Diocese shall make provision for Advisors to be available to Respondents and Complainants as provided in this Canon for the purposes of support, assistance, consultation and advice regarding the process provided in this Title and the rights, responsibilities, consequences and alternatives pertaining thereto.

(a) The Bishop Diocesan shall make an Advisor available to the Respondent not later than the earliest of (1) reference for conciliation, to the Conference Panel or to the Hearing Panel, (2) the imposition of restriction on ministry or placement on Administrative Leave or (3) any interrogation or request for a statement or other information from the Respondent.

(b) The Bishop Diocesan shall make an Advisor available to the Complainant not later than the earliest of (1) the forwarding of the intake report to the Reference Panel, (2) the Complainant's appeal of a dismissal under Canon IV.6.5 or (3) the Bishop's designation of an Injured Person as a Complainant.

(c) The following shall be disqualified from serving as an Advisor: the Bishop Diocesan, the Church Attorney, any member of the Disciplinary Board, the Intake Officer, any Investigator, any person who is likely to be a witness in any pertinent proceeding and the Chancellor or any Vice-chancellor of the Diocese.

(d) No Respondent or Complainant shall be required to accept the services of any Advisor made available by the Bishop Diocesan. Any Respondent or Complainant may use the services of any Advisor of his or her choice after designating that person as Advisor in writing to the Intake Officer.
(e) All communications between the Respondent and his or her Advisor or attorney and between the Complainant and his or her Advisor or attorney shall be privileged.

(f) The reasonable costs and expenses of providing Advisors made available by the Bishop Diocesan shall be the obligation of the Diocese in which the matter of Discipline is proceeding unless otherwise provided in an Accord or Order. The reasonable costs and expenses of providing Advisors chosen by the Respondent or Complainant and not made available by the Bishop Diocesan shall be the obligation of such Respondent or Complainant unless otherwise provided in an Accord or Order.

(g) In all proceedings under this Title at which the Respondent or the Complainant has the right to be present, their Advisors shall also have the right to be present.

Sec. 11. No person subject to the authority of the Church may attempt to coerce or improperly influence, directly or indirectly, the actions of any body performing functions under this Title, or any member of such body or any other person involved in such proceedings.

Sec. 12. In all proceedings under this Title whenever a Respondent or a Complainant is required or permitted to appear or to participate or to be heard or to be present, they each shall have the right to be accompanied by and to be represented by counsel of their choice. Whenever any notice or other document is provided to or served upon a Respondent or a Complainant under this Title, such shall also simultaneously be provided to or served upon their respective counsel, if Respondent or Complainant, as the case may be, has notified the Bishop of the identity and contact information for such counsel. Nothing in this Title shall be construed as requiring any Respondent to be represented by counsel. Anything in this Title required or permitted to be done by the Respondent’s counsel may be done by the Respondent personally.

Sec. 13. Proceedings under this Title, other than pastoral responses, shall be barred to the extent that the specific Offense has been the subject of any prior proceeding under this Title against the same Member of the Clergy which resulted in an Order or Accord. Additionally, in the case of a Member of the Clergy who has been the subject of proceedings under any predecessor to this Title, proceedings under this Title, other than pastoral responses, shall be barred to the extent that the specific Offense was previously included in a presentment against the Member of the Clergy or was expressly set forth in the Member of the Clergy’s waiver and voluntary submission to discipline upon which a Sentence was been pronounced or in the report of a conciliator.

Sec. 14. Impartiality of officials and bodies described in this Title shall be addressed as follows:

(a) Any Bishop Diocesan exercising authority under this Title shall disqualify herself or himself in any proceeding in which the Bishop’s impartiality may reasonably be questioned. The Bishop shall also disqualify himself or herself when the Bishop, the Bishop’s spouse or a
person within the third degree of relationship to either of them, or the spouse of such person, is the Respondent, Complainant or an Injured Person.

(b) Any member of any Panel provided for in this Title shall disqualify himself or herself in any proceeding in which the member's impartiality may reasonably be questioned. The member shall also disqualify himself or herself when the member, the member's spouse, any person within the third degree of relationship to either of them or the spouse of such person, (1) is the Respondent, Complainant or an Injured Person, (2) is likely to be a witness in the proceeding, (3) has a personal bias or prejudice concerning the Respondent, Complainant or any Injured Person, (4) has personal knowledge of disputed evidentiary facts concerning the proceeding, (5) has a personal financial interest in the outcome of the proceeding or in the Respondent, Complainant, any Injured Person or any other interest that could be substantially affected by the outcome or (6) is a member of the same congregation or otherwise has a close personal or professional relationship with the Respondent, the Complainant, any Injured Person or any witness in the matter.

(c) Any member of any Panel provided for in this Title who has not disqualified himself or herself as provided in this section may be subject to challenge by the Church Attorney or the Respondent on grounds described in this section. The Complainant or the Complainant’s Advisor may inform the Church Attorney of any such grounds. The challenge shall be investigated by the remaining members of the Panel who shall determine whether the challenged member of the Panel should be disqualified and replaced according to the procedures of this Title for filling vacancies.

(d) No Bishop Diocesan or Panel shall accept from the Church Attorney or from the Respondent any waiver of any ground for disqualification enumerated in this section unless preceded by full disclosure of the basis for the disqualification, on the record.

Sec. 15. In addition to any challenge permitted under Canon IV.19.14, the integrity of the Disciplinary Board shall be preserved by a system of challenge as to the membership of any Panel of the Board appointed for a proceeding. Each Diocese shall provide by Canon for a system of challenge. If the Canons of the Diocese make no provision for challenging a member of the Board, any member of a Panel appointed for a proceeding may be challenged by the Church Attorney or the Respondent on grounds of conflict of interest or undue bias. The remaining members of the Board shall determine whether the challenge is relevant and factually supported and shall determine whether the challenged member shall be excused from that proceeding. If the member is excused, another member of the Board shall be appointed to the Panel to fill the vacancy created by the challenge, maintaining the appropriate balance of lay and ordained members.
Sec. 16. There shall be a presumption that the Respondent did not commit the Offense. The standard of proof required for a Hearing Panel to find an Offense by a Respondent shall be that of clear and convincing evidence.

Sec. 17. In all matters under this Title, it shall be the burden of the Church through the Church Attorney to establish an Offense by any Respondent.

Sec. 18. Except as otherwise provided in this Title, or except for good cause shown as determined by the Hearing Panel, it shall be the duty of all members of the Church to appear and testify or respond when duly served with a notice to do so from any Panel in any matter arising under this Title.

Sec. 19. No Chancellor or Vice-Chancellor of a Diocese shall serve as Church Attorney in that Diocese. No Chancellor or Vice-Chancellor of any Province shall serve as Church Attorney in any Diocese of that Province or any provincial proceeding. Neither the Presiding Bishop’s Chancellor nor the Chancellor to the President of the House of Deputies shall serve as Church Attorney in any proceeding. The Church Attorney in any proceeding shall not be from the same law firm as any Chancellor or Vice-Chancellor otherwise disqualified under this section.

Sec. 20. Notices or other papers to be served according to procedures of this Title shall be deemed to have been duly served if a copy is delivered to the person to be served, is left with an adult resident of the abode of the person to be served or is mailed by certified mail to the person’s usual place of abode. Notice by publication shall be made in a newspaper of general circulation in the jurisdiction of the person’s usual place of abode. Acceptance of service renders unnecessary any further process.

Sec. 21. A reference in this Title to a Bishop Diocesan shall include a Bishop Coadjutor if specific jurisdiction for matters contemplated by this Title has been assigned to the Bishop Coadjutor pursuant to Canon III.11.10(a)(2), and a Bishop Suffragan or Assistant Bishop if specific responsibilities for matters contemplated by this Title have been expressly assigned to the Bishop Suffragan or Assistant Bishop by the Bishop Diocesan.

Sec. 22. A Hearing Panel or Court of Review may in its discretion obtain legal counsel to give it opinions on any questions of law, procedure or evidence. Such legal counsel, if any, shall have no vote in any proceeding before the Hearing Panel or Court of Review.

Sec. 23. Except as expressly provided in this Title, applicable Diocesan Canon, or in any Accord or Order, all costs, expenses and fees, if any, shall be the obligation of the party, person or entity incurring them.

(a) The necessary costs, expenses and fees of the Investigator, the Church Attorney, the Conference Panel, the Hearing Panel and any pastoral response shall be the expense of the Diocese.

(b) The necessary costs and expenses of the Provincial Court of Review shall be the expense of the Province.

(c) The necessary costs and expenses of the Disciplinary Board for Bishops and the Court of Review for Bishops shall be the expense of the General Convention.
(d) Nothing in this Title precludes the voluntary payment of a Respondent’s costs, expenses and fees by any other party or person, including a Diocese.

Sec. 24. If the Presiding Bishop is unavailable to act by virtue of absence, disability or other disqualification, actions to be performed by the Presiding Bishop in this Title shall be performed by that Bishop who would be the Presiding Officer of the House of Bishops as provided by Article I, Section 3, of the Constitution in the event of the resignation, infirmity, disability or death of the Presiding Bishop.

Sec. 25. If there is neither a Bishop Diocesan nor a Bishop Coadjutor nor a Bishop Suffragan nor an Assistant Bishop expressly assigned the administration of clergy discipline in a Diocese and not under a restriction on ministry or Sentence of suspension, the Diocese shall, by agreement pursuant to Canon III.13.2, arrange for a Bishop to perform the duties of the Bishop Diocesan under this Title before commencing or continuing with any proceedings under this Title.

Sec. 26. Wherever in this Title it is provided that any communication, deliberation, investigation or proceeding shall be confidential, no person having knowledge or possession of confidential information derived from any such communication, deliberation, investigation or proceeding shall disclose the same except as provided in this Title, in any Accord or Order, or as required by any applicable law.

Sec. 27. Privileged Communication shall not be disclosed, nor shall any negative inference be drawn respecting the claim of the privilege, unless the privilege is waived by the person to whom the privilege belongs. Waiver of a privilege may occur by (a) voluntary disclosure; (b) failure to timely object to use of a Privileged Communication; or (c) placing the Privileged Communication at issue. Notwithstanding any provision of this section to the contrary, no waiver by a penitent of the privilege which attaches to communications or disclosures made within the Rite of Reconciliation of a Penitent shall work to require any confessor to divulge anything pertaining to any such communications or disclosures, the secrecy of the confession being morally absolute as provided in the Book of Common Prayer.

Sec. 28. Noncompliance with any procedural requirements set forth in this Title shall not be grounds for the dismissal of any proceeding unless the non-compliance shall cause material and substantial injustice to be done or seriously prejudice the rights of a Respondent as determined by the Panel or Court before which the proceeding is pending on motion and hearing.

Sec. 29. Solely for the purposes of the application of these Canons to persons who have received the pronouncement of the former Sentence of removal, the former Sentence of removal shall be deemed to have been a Sentence of deposition.

Sec. 30. Records of proceedings shall be preserved as follows:

(a) Each Hearing Panel and Provincial Court of Review shall keep a complete and accurate record of its proceedings by any means from which a written transcript can be produced. When all proceedings have been concluded, the president of the Panel or Court shall certify the
record. If the president did not participate in the proceeding for any reason, the Panel or Court shall elect another member of the Panel or Court to certify the record.

(b) The Panel or Court shall make provision for the preservation and storage of a copy of the record of each proceeding in the Diocese in which the proceeding originated.

(c) The Panel or Court shall promptly deliver the original certified record of its proceedings to the Archives of The Episcopal Church.

(d) The Bishop Diocesan shall (i) promptly deliver to the Archives of The Episcopal Church a copy of any Accord or Order which has become effective and a record of any action of remission or modification of any Order and (ii) provide for the permanent preservation of copies of all Accords and Orders by means which permit the identification and location of each such copy by the name of the Member of the Clergy who is the subject thereof.

Sec. 31. Any Member of the Clergy canonically resident in the Diocese who deems himself or herself to be under imputation, by rumor or otherwise, of any Offense for which proceedings could be had under this Title, may on his or her own behalf request the Bishop Diocesan to conduct an inquiry with regard to such imputation. Upon receipt of such request by a Member of the Clergy, it shall be the duty of the Bishop Diocesan to cause the matter to be investigated and to report the result to the Member of the Clergy.

Sec. 32. No Member of the Clergy shall be accountable for any Offense if the act or omission constituting the Offense shall have occurred only prior to the effective date of this Title, unless such act or omission would have constituted an offense under the predecessor to this Title.

Original Text of Resolution:
(D006)

Resolved, the House of Deputies concurring, That Canon III.9.12-21 is hereby amended to read as follows:

Sec. 12. Reconciliation of Disagreements Affecting the Pastoral Relation
When the pastoral relationship in a parish between a Rector and the Vestry or Congregation is imperiled by disagreement or dissension, and the issues are deemed serious by a majority vote of the Vestry or the Rector, either party may petition the Ecclesiastical Authority, in writing, to intervene and assist the parties in their efforts to resolve the disagreement. The written petition shall include sufficient information to inform the Ecclesiastical Authority and the parties involved of the nature, causes and specifics of the disagreements or dissension imperiling the pastoral relationship. The Ecclesiastical Authority shall initiate such proceedings as are deemed appropriate under the circumstances for that purpose by the Ecclesiastical Authority, which may include the
appointment of a qualified consultant or trained mediator. The parties to the
disagreement, following the recommendations of the Ecclesiastical Authority, shall
labor in good faith that the parties may be reconciled. Whenever the Standing
Committee is the Ecclesiastical Authority, it shall request the Bishop of a
neighboring Diocese to perform the duties of the Ecclesiastical Authority under
this Canon.
Sec. 13. Dissolution of the Pastoral Relation
A) Except upon mandatory resignation by reason of age, a Rector may not
resign as Rector of a parish without the consent of its Vestry, nor may any
Rector canonically or lawfully elected and in charge of a Parish be removed
there from by the Vestry against the Rector’s will, except as hereinafter
provided.
Sec. 14. B) If for any urgent reason a Rector or Vestry desires a dissolution of
the pastoral relation, and the parties cannot agree, either party may give notice
in writing to the Ecclesiastical Authority of the Diocese with a copy available to
the Rector or Vestry. Such notice shall include sufficient information to inform the
Ecclesiastical Authority and all parties involved of the nature, causes and specifics requiring
the dissolution of the pastoral relationship. If the parties have participated in mediation or
consultation processes under III.9.12, a separate report from the mediator or consultant will
be submitted to the Ecclesiastical Authority with copies available to the Rector and Vestry.
Whenever the Standing Committee is the Ecclesiastical Authority of the
Diocese, it shall request the Bishop of another Diocese to perform the duties
of the Bishop under this Canon.
Sec. 15. C) Within sixty days of receipt of the written notice the Bishop, as
chief pastor of the Diocese, the Bishop Diocesan or the Bishop exercising authority
under this canon may initiate further mediation processes and reconciliation
between Rector and Vestry in every informal way which the Bishop deems proper. The Bishop
may appoint a committee of at least one Presbyter and one Lay Person, none of whom may be members of or
related to the Parish involved, to interview the Rector and Vestry and report to the
Bishop on the cooperation and responsiveness of the parties involved in the processes required
by the Bishop. A copy of this report shall be available to the Vestry and Rector.
Sec. 16. D) If the differences between the parties are not resolved after
completion of the mediation or other reconciliation efforts or actions prescribed by the
Bishop, the Bishop shall proceed as follows:
(a) (1) The Bishop shall give written notice to the Rector and Vestry that a
godly judgment will be rendered in the matter after consultation with the
Standing Committee and that either party has the right within ten days to
request in writing an opportunity to confer with the Standing Committee
before it consults with the Bishop. The Bishop’s written notification shall include
sufficient information to inform the Standing Committee and the parties involved of the
nature, causes, and specifics of the unresolved disagreements or dissension imperiling the
pastoral relationship.
(b) (2) If a timely request is made, the President of the Standing
Committee shall set a date for the conference, which shall be held within
thirty days.
(e) (3) At the conference, each party shall be attend and be entitled to representation and to present its position fully and completely.

(d) (4) Within thirty days after the conference or after the Bishop’s notice if no conference is requested, the Bishop shall confer with and receive the recommendation of the Standing Committee; thereafter the Bishop, as final arbiter and judge, shall render a written godly judgment.

(e) (5) Upon the request of either party, the Bishop shall explain the reasons for the judgment. If the explanation is in writing, copies shall be delivered to both parties. Either party may request the explanation be in writing.

(f) (6) If the pastoral relation is to be continued, the Bishop shall require the parties to agree on definitions of responsibility and accountability for the Rector and the Vestry.

(g) (7) If the relation is to be dissolved:

(1) The Bishop shall direct the Secretary of the Convention to record the dissolution.

(2) The judgment shall include such terms and conditions including financial settlements as shall seem to the Bishop just and compassionate.

Sec. 17. (8) In either event, the Bishop shall offer appropriate supportive services to the Priest and the Parish.

Sec. 18. (E) In the event of the failure or refusal of either party to comply with the terms of the judgment, the Bishop may impose such penalties as may be set forth in the Constitution and Canons of the Diocese; and in default of any provisions for such penalties therein, the Bishop may act as follows:

(a) (1) In the case of a Rector, suspend the Rector from the exercise of the priestly office until the Priest shall comply with the judgment.

(b) (2) In the case of a Vestry, invoke any available sanctions including recommending to the Convention of the Diocese that the Parish be placed under the supervision of the Bishop as a Mission until it has complied with the judgment.

Sec. 19. (F) For cause, the Bishop may extend the time periods specified in this Canon, provided that all be done to expedite these proceedings. All parties shall be notified in writing of the length of any extension.

Sec. 20. (G)

(a) (1) Statements made during the course of proceedings under this Canon are not discoverable nor admissible in any proceedings under Title IV provided that this does not require the exclusion of evidence in any proceeding under the Canons which is otherwise discoverable and admissible.

(b) (2) In the course of proceedings under this Canon, if a charge is made by the Vestry against the Rector that could give rise to a disciplinary proceeding under Canon Title IV, all proceedings under this Canon with respect to such charge shall be suspended until the charge has been resolved or withdrawn.

Sec. 21. (H) Sections 12 or 13-20 of this Canon shall not apply in any Diocese which has made a provision on this subject in its Canons which is consistent
with this Canon and provides proper procedural and due process safeguards as required by this Canon.

Note: All subsequent Canons in Title III would be renumbered.

People With God’s help, by continuing in the apostles’ teaching and fellowship, in the breaking of bread, and in the prayers.

Celebrant How will you each respond to temptation and sin in your own life?
People With God’s help, by persevering in resisting evil, and whenever falling into sin, repenting and returning to the Lord.

The House concurred
(Communicated to the House of Deputies in HB Message #248)

Final Text of Resolution:
(D067)
Resolved, That the Budget for The Episcopal Church for the next triennium be adopted as set forth:

1.0 The Budget for The Episcopal Church for the period January 1, 2010 through December 31, 2012, which shall be a unified budget including Canonical, Corporate and Program (mission) portions, is adopted at a total of $141,271,984.00.

1.1 The Canonical portion, providing for the contingent expenses of the General Convention, the stipend of the Presiding Bishop and the expenses of that office, the expenses of the President of the House of Deputies and Church Pension Fund assessments is adopted at a total of $23,224,447.00 as follows:
   - For the year 2010 $ 6,984,630.00
   - For the year 2011 $ 7,110,068.00
   - For the year 2012 $ 9,129,748.00

1.2 The Corporate portion, providing for the requirements for the administrative support of the Domestic and Foreign Missionary Society offices, is adopted at a total of $30,824,297.00 as follows:
   - For the year 2010 $ 10,360,457.00
   - For the year 2011 $ 10,129,112.00
   - For the year 2012 $ 10,334,729.00

1.3 The Program (mission) portion, providing for support for the mission and ministry (restricted and unrestricted) of the Church, is adopted at a total of $86,807,787.00 as follows:
   - For the year 2010 $ 28,787,593.00
   - For the year 2011 $ 28,736,457.00
   - For the year 2012 $ 29,283,736.00

2.0 The funding policy for the period January 1, 2010 through December 31, 2012 is adopted, based on a single asking of the dioceses. After a $120,000 exemption from total income, a single asking shall be applied at the rates of 21% for 2010, 20% for 2011 and 19% for 2012 of the balance of income to
the diocese, reported in the diocesan financial statements for the year two years prior to the year to which the pledge is applied [e.g.: 2010 Asking is to be based on 2008 actual income figures]. “Income” includes (1) all congregational giving to the diocese, (2) all unrestricted investment and endowment income to the diocese, (3) restricted investment and endowment income to the diocese which covers costs in the operating budget, and (4) other earnings from investments or enterprises. It is intended that income shall include revenues that fund normal operating and program expenses of the dioceses. It is not intended to include pass-through income that is used for expenses for programming that are simply administered by the dioceses, or that would not be otherwise funded by contributions from parishes or out of investment income.

2.1 We rejoice with dioceses that have moved toward, and those that give at and above 21%. Such giving creates a strong financial basis for vital mission and witness of The Episcopal Church. We encourage all our dioceses to adopt the full asking; then we could allocate an additional 6 million dollars each year toward fulfilling the mission priorities which we have embraced in the 76th General Convention.

2.2 For the budgetary period income from diocesan commitments, totaling $79,162,193.00 is anticipated as follows:
   - For the year 2010 $ 28,333,000.00
   - For the year 2011 $ 26,374,340.00
   - For the year 2012 $ 24,454,853.00

2.3 For the budgetary period 2010-2012, payment by the dioceses of the asking shall be made in twelve equal monthly payments.

2.4 All additional income, other than from the asking of the dioceses, totaling $62,109,791.00, is projected as follows:
   - For the year 2010 $ 20,952,373.00
   - For the year 2011 $ 20,467,048.00
   - For the year 2012 $ 20,691,370.00

2.5 A General Ordination fee is hereby authorized, which fees shall be added to the funding from dioceses and applied to the expenses of examination as appropriated in the budget. A candidate for Holy Orders eligible for examination and so certified by the diocesan bishop shall not be disqualified for examination because the fee has not been paid.

2.6 General Convention registration and exhibitors fees are hereby authorized, which fees shall be added to the funding from dioceses and applied to the expenses of the 2012 General Convention, and for no other purpose.

3.0 In the exercise of their respective authorities, the Executive Council of the General Convention and the Joint Standing Committee on Program, Budget and Finance shall be subject to the following policies:

3.1 Each year, the Executive Council, with the advice of the Joint Standing Committee on Program, Budget and Finance, shall adjust the budget to the assured income of the Executive Council so as to
carry out the Budget for The Episcopal Church for that year on a balanced budget basis.

3.2 The fiscal year shall begin January 1.

3.3 If, in any year, the total anticipated income for budget support is less than the amount required to support the budget approved by the General Convention, the Canonical portion of the Budget for The Episcopal Church shall have funding priority over all other budget areas.

3.4 Undesignated bequests and legacies received during the budgetary period shall be set aside in the general endowment fund of which only the income shall be used for the general purposes of the Society.

3.5 Designated bequests and legacies received during the budgetary period shall be set aside in specific funds of which only the income shall be used for the purposes so designated.

3.6.1 Each Committee, Commission, Agency and Board (CCAB) proposing to the General Convention any resolution with funding implications shall present to the Joint Standing Committee on Program, Budget and Finance a detailed budget in support of its plan(s), including cost estimates from contractors and suppliers for all goods and services, but not later than six months before the opening day of the General Convention.

3.6.2 Subsequent editions of the Report and Proposal of the Presiding Bishop and Executive Council to the General Convention contain the following information for each year of the preceding triennium:

- A description of the actual income and expenditures of the DFMS, relating the expenditures to the Church’s priorities with accompanying narrative
- Endowment balance and total investment return, with accompanying narrative

The House of Bishops Committee on Prayer Book, Liturgy and Church Music presented its Report #48 on Resolution C077 (Revised Eucharistic Prayer C for Trial Use) and moved the resolution, recommending rejection.
Original Text of Resolution:

Resolved, the House of Deputies concurring, That the 76th General Convention approve the following text of Eucharistic Prayer C for Trial Use from January 1, 2010 until the publication and issuance of the next Proposed Book of Common Prayer, per Title II, Canon 3, Section 6; and be it further Resolved, That the Custodian of the Standard Book of Common Prayer take the necessary steps to fulfill Title II, Canon 3, Section 6 (b) and (d) to enact the intention of the resolution.

Eucharistic Prayer C Trial Use

In this prayer, the lines in italics are spoken by the People.

The Celebrant, whether bishop or priest, faces them and sings or says

The Lord be with you.
And also with you.

Lift up your hearts.
We lift them to the Lord.

Let us give thanks to the Lord our God.
It is right to give him thanks and praise.

Then facing the Holy Table, the Celebrant proceeds

God of all power, Ruler of the Universe, you are worthy of glory and praise.
Glory to you for ever and ever.

At your command all things came to be: the vast expanse of interstellar space, galaxies, suns, the planets in their courses, and this fragile earth, our island home.
By your will they were created and have their being.

From the primal elements you brought forth the human race, and blessed us with memory, reason, and skill. You made us the rulers of creation. But we turned against you, and betrayed your trust; and we turned against one another.
Have mercy, Lord, for we are sinners in your sight.

Again and again, you called us to return. Through prophets and sages you revealed your righteous Law. And in the fullness of time you sent you only Son, born of a woman, to fulfill your Law, to open for us the way of freedom and peace.
By his blood, he reconciled us.
By his wounds, we are healed.
And therefore we praise you, joining with the heavenly chorus, with prophets, apostles, and martyrs, and with all those in every generation who have looked to you in hope, to proclaim with them your glory, in their unending hymn:

Celebrant and People

_Holy, holy, holy Lord, God of power and might, heaven and earth are full of your glory. Hosanna in the highest. Blessed is he who comes in the name of the Lord. Hosanna in the highest._

The Celebrant Continues

And so, Father, we who have been redeemed by him, and made a new people by water and the Spirit, now bring before you these gifts. Sanctify them by your Holy Spirit to be the Body and Blood of Jesus Christ our Lord.

At the following words concerning the bread, the Celebrant is to hold it, or lay a hand upon it; and at the words concerning the cup, to hold or place a hand upon the cup and any other vessel containing wine to be consecrated.

On the night he was betrayed he took bread, said the blessing, broke the bread, and gave it to his friends, and said, “Take, eat: This is my Body, which is given for you. Do this for the remembrance of me.”

After supper, he took the cup of wine, gave thanks, and said, “Drink this, all of you: This is my Blood of the new Covenant, which is shed for you and for many for the forgiveness of sins. Whenever you drink it, do this for the remembrance of me.”

Remembering now his work of redemption, and offering to you this sacrifice of thanksgiving, _We celebrate his death and resurrection, as we await the day of his coming._

Lord God of our Fathers; God of Abraham, Isaac, and Jacob;

Lord God of our ancestors; God of Abraham and Sarah, Isaac and Rebekah, Jacob and Rachel and Leah, [God of _________], God and Father of our Lord, Jesus Christ: Open our eyes to see your hand at work in the world about us. Deliver us from the presumption of coming to this Table for solace only, and not for strength; for pardon only, and not for renewal. Let the grace of this Holy Communion make us one body, one spirit in Christ, that we may worthily serve the world in his name. 
_Risen Lord, be known to us in the breaking of the Bread._

Accept these prayers and praises, Father, through Jesus Christ our great High Priest, to whom, with you and the Holy Spirit, your Church gives honor, glory, and worship, from generation to generation. _AMEN._

And now, as our Savior Christ has taught us, we are bold to say,
As our Savior Christ has taught us, we now pray,

Continue with the Lord’s Prayer on page 364.

The House concurred
(Communicated to the House of Deputies in HB Message #288)

Final Text of Resolution:
(D035)
Resolved, That the 76th General Convention repudiates and renounces the Doctrine of Discovery as fundamentally opposed to the Gospel of Jesus Christ and our understanding of the inherent rights that individuals and peoples have received from God, and that this declaration be proclaimed among our churches
and shared with the United Nations and all the nations and peoples located within The Episcopal Church's boundaries. This doctrine, which originated with Henry VII in 1496, held that Christian sovereigns and their representative explorers could assert dominion and title over non-Christian lands with the full blessing and sanction of the Church. It continues to be invoked, in only slightly modified form, in court cases and in the many destructive policies of governments and other institutions of the modern nation-state that lead to the colonizing dispossession of the lands of indigenous peoples and the disruption of their way of life; and be it further

Resolved, That The Episcopal Church review its policies and programs with a view to exposing the historical reality and impact of the Doctrine of Discovery and eliminating its presence in its contemporary policies, program and structures and, further, that this body directs the appropriate representatives of the House of Bishops and House of Deputies, to inform all relevant governmental bodies in the United States of its action and suggest similar and equivalent review of historical and contemporary policies that contribute to the continuing colonization of Indigenous Peoples and, further, to write to Queen Elizabeth II, the Supreme Governor of the Church of England, requesting that her Majesty disavow, and repudiate publicly, the claimed validity of the Christian Doctrine of Discovery; and be it further

Resolved, That each diocese within The Episcopal Church be encouraged to reflect upon its own history, in light of these actions and encourage all Episcopalians to seek a greater understanding of the Indigenous Peoples within the geo-political boundaries claimed by the United States and other nation states located within The Episcopal Church's boundaries, and to support those peoples in their ongoing efforts for their inherent sovereignty and fundamental human rights as peoples to be respected; and be it further

Resolved, That the 76th General Convention direct the Office of Government Relations to advocate for the U.S. government's endorsement of the “United Nations Declaration on the Rights of Indigenous Peoples,” which the United States has refused to endorse (only the U.S., Canada, New Zealand and Australia have failed to sign on).

Resolved, That the General Convention supports adoption of a federal renewable energy standard which would specify that electricity suppliers obtain twenty percent of their electricity from renewable energy, with that amount to be increased over time; and be it further

Resolved, That the General Convention supports U.S. government programs worldwide which practice sound environmental stewardship, for example by building or converting public buildings to solar or other renewable energy and conservation practices, and utilizing renewable, clean energy to operate public transportation, and by saving water through water conservation, efficiency and reuse, thereby reducing the demand for energy-consuming processing facilities; and be it further

Resolved, That, to implement this, the following amendments to the Constitution be approved on first reading: Amend Article I, Section 4 of the Constitution as follows:

Sec. 4. The Church in each Diocese which has been admitted to union with the General Convention, each area Mission established as provided by Article VI, and the Convocation of the American Churches in Europe, shall be entitled to representation in the House of Deputies by not more than four ordained persons, Presbyters or Deacons, canonically resident in the Diocese and not more than four Lay Persons, confirmed adult communicants of this Church, in good standing in the Diocese but not necessarily domiciled in the Diocese; but the General Convention by Canon may reduce the representation to not fewer than two Deputies in each order. Each Diocese, and the Convocation of the American Churches in Europe, shall prescribe the manner in which its Deputies shall be chosen.

There shall also be entitled to representation in the House of Deputies the youth of the Church, who shall be represented by eighteen Lay Persons who shall be Deputies, two each of whom shall be confirmed communicants in good standing, but not necessarily domiciled, in a Diocese in each Province. Deputies representing the youth shall not be less than sixteen years of age, nor more than eighteen years of age, as of the first legislative day of the General Convention for which they are chosen. The Canons of the General Convention shall prescribe the manner in which the Deputies representing the youth shall be chosen.

To constitute a quorum for the transaction of business, the Clerical order shall be represented by at least one Deputy in each of a majority of the Dioceses entitled to representation, and the Lay order shall likewise be represented by at least one Deputy in each of a majority of the Dioceses entitled to representation.

Amend Article I, Section 5 of the Constitution as follows:
Sec. 5. The vote on all questions which come before the House of Deputies shall be governed by the following provisions, supplemented by such procedural provisions as the House of Deputies may adopt in its Rules of Order:
Unless a greater vote on any question is required by this Constitution or by the Canons in cases not specifically dealt with by this Constitution or unless a vote by orders on a question is required, the affirmative vote of a majority of all of the Deputies present and voting shall suffice to carry any question. A vote by orders on any question shall be taken if required for that question by this Constitution or by the Canons or if the Clerical or Lay representation from three or more separate Dioceses shall so request at the time of the call for the vote on that question. In all cases of a vote by orders, the vote of each order, Clerical and Lay, shall be counted separately, each order in each Diocese shall have one vote, and a vote in the affirmative by an order in a Diocese shall require the affirmative vote of a majority of the Deputies present in that order in that Diocese. In all cases of a vote by orders, the Deputies representing the youth shall have one vote in the Lay order, and a vote in the affirmative by the Deputies representing the youth shall require the affirmative vote of a majority of the Deputies representing the youth present. To carry in the affirmative any question being voted on by orders requires concurrence in the affirmative by both orders and, unless a greater vote is required by this Constitution or by the Canons in cases not specifically dealt with by this Constitution, concurrence in the affirmative by an order requires the affirmative vote in that order by a majority of the Dioceses (including, in the Lay order, the Deputies representing the youth) present in that order.

Resolved, the House of Bishops concurring, That the 76th General Convention of The Episcopal Church endorse the “Commitment to be Companions in Christ” between the Igreja Episcopal Anglicana do Brasil and The Episcopal Church, as expressed in the text below, and by this affirmation authorize the signature of The Episcopal Church on this Covenant:

THE COMMITMENT TO BE COMPANIONS IN CHRIST - BETWEEN THE IGREJA EPISCOPAL ANGLICANA DO BRASIL AND THE EPISCOPAL CHURCH.

Preamble: The Episcopal Church and Igreja Episcopal Anglicana do Brasil share a missionary history in Brazil of over 100 years. The work in Brazil was initiated in 1890 by missionaries Lucien Lee Kinsolving and James Watson Morris, from the Virginia Theological Seminary. In 1907 the missionary efforts in Brazil resulted in the establishment of a missionary district of The Episcopal Church under the leadership of Bishop Lucien Lee Kinsolving. In 1965 this missionary district became the autonomous Province of Brazil, and The Episcopal Church concluded ongoing financial obligations in 1975. In 1990, at the celebration of the centennial of the Church of Brazil, the Presiding Bishops of The Episcopal Church and Igreja Episcopal Anglicana do Brasil agreed to establish a Bilateral Committee to reconnect and reconcile dynamics of distance that occurred during and after the establishment of Brazil’s autonomy. The experience of the Bilateral Committee has been one of reacquainting the Churches, re-establishing friendship, sharing vision for ministry mission and encouraging diocesan companionships. The Bilateral Committee believes the endorsement of the following Commitment to be Companions in Christ will be good for the souls of both provinces. The Bilateral Committee also believes it is wise and appropriate to solidify and make public and structurally accountable this ongoing commitment to one another.

The General Convention of The Episcopal Church and the Synod of Igreja Episcopal Anglicana do Brasil commit to mutual support and encouragement for ministry and mission development within both provinces. The Episcopal Church and Igreja Episcopal Anglicana do Brasil hereby establish a Bilateral Standing Committee to provide vision and planning to sustain and enhance the Committee relationship. The Bilateral Standing Committee will sustain the two provinces in their commitment to: 1) pray for each other’s life and faith; 2) commit to develop and support diocesan companion relationships; and 3) discern and support other initiatives that will mutually enrich the ministry and mission of both provinces. The Bilateral Standing Committee will establish and maintain a list of triennial initiatives consistent with the priorities of both provinces, such as theological education, missionary expansion, stewardship, sustainability and social ministry. The Bilateral Standing Committee will be composed of one bishop, appointed by each of the Presiding Bishops, and one priest, deacon or lay person from each province, appointed by the President of the House of Deputies (TEC) and the Presiding Bishop (IEAB), respectively. Terms for these four members shall be six years, rotated so that one of the two from each province shall be appointed at the start of every triennium. There shall also be two (to four) additional members from each province. For The Episcopal Church, this shall be one member from the Standing Commission on World Mission and one liaison from the Executive Council, selected from those bodies for three-year terms. The Igreja Episcopal Anglicana do
Brasil shall appoint its additional members in a manner of its choice. No member shall serve more than six consecutive years. The Bilateral Standing Committee will be accountable to the Presiding Bishop and the Executive Council of each province. In The Episcopal Church a report will be submitted after each meeting of the Bilateral Standing Committee to the Standing Commission on World Mission and to the Executive Council. In the Igreja Episcopal Anglicana do Brasil a report to the Executive Council and to the Provincial Synod will be provided after each meeting of the Bilateral Standing Committee. The Bilateral Standing Committee will typically meet every 18 months. Meeting places will alternate between provinces. Evaluation of this commitment will be undertaken at least every three years. The evaluation and recommendations will be furnished to the Executive Council of The Episcopal Church and the Igreja Episcopal Anglicana do Brasil and to both Presiding Bishops. The Commitment takes effect upon endorsement by the General Convention of The Episcopal Church and the Provincial Synod of the Igreja Episcopal Anglicana do Brasil.

I have called you friends…

John 15:14-16

Through The Episcopal Church, God **INVITES** all people:

- Into a prayerful life of worship, continuous learning, intentional outreach, advocacy and service.
- To hear the Word of God, to honor church teachings and continually to embrace the joy of Baptism and Eucharist, spreading the Good News of the risen Christ and ministering to all.
- To respond to the needs of our constantly changing communities, as Jesus calls us, in ways that reflect our diversity and cultures as we seek, wonder and discover together.
- To hear what the Spirit is saying to God’s people, placing ourselves in the stories of our faith, thereby empowering us to proclaim the Gospel message.

…You did not choose me, but I chose you and appointed you to go and bear fruit…

John 15:14-16

Through The Episcopal Church, God **INSPIRES** all people:

- To experience Anglican liturgy, which draws us closer to God, helps us discern God’s will and encourages us to share our faith journeys.
- To study scripture mindful of the context of our societies and cultures, calling us to seek truth anew while remaining fully present in the community of faith.
- To develop new learning experiences, equipping disciples for life in a world of secular challenges and carefully listening for the words of modern sages who embody the teachings of Christ.
- To prepare for a sustainable future by calling the community to become guardians of God’s creation.

…I am giving you these commands that you may love one another…

John 15:17

- By doing the work Jesus Christ calls us to do, living into the reality that we are all created in the image of God and carrying out God’s work of reconciliation, love, forgiveness, healing, justice and peace.
- By striving to be a loving and witnessing community, which faithfully confronts the tensions in the church and the world as we struggle to live God’s will.

Education
The House of Deputies Committee on Education presented its Report #14 on Resolution A083 (Directive for Dioceses to Formulate a Strategy for Lifelong Christian Formation in the Next Triennium) and moved adoption.

Original Text of Resolution:
(A083)
Resolved, the House of Bishops concurring, That the 76th General Convention direct all dioceses to formulate a strategy for Lifelong Christian Formation in the next triennium; and be it further
Resolved, That such strategies include, but not be limited to, the following areas of the mandate. Strategies should encompass and be suitable for all persons (e.g. various ages, languages and abilities). These strategies should be responsive to diocesan and societal contexts and accurately depict the current education and formation status. Because formation is not limited to a cognitive experience (classroom), formation should be holistic (encompasses learning, action and reflection); and be it further
Resolved, That the Congregational Life Center design an instrument and system of collection that will document currently available and successful programs, activities and resources. In addition, such an endeavor will seek to gather the aspirations for diocesan future programs/activities concerning Christian formation; and be it further
Resolved, That the information and data collected be forwarded to the SCLEF by January 31, 2011.

Deputy Douglas of Massachusetts moved to amend the resolution.

Proposed Amendment:

Resolved, That the 76th General Convention encourage dioceses, parishes and members of The Episcopal Church to participate to the fullest extent possible in the many networks and relationships of the Anglican Communion, including but not limited to networks involving youth, women and indigenous people; networks and ministries concerned with ecumenical and interfaith work, peace and justice, liturgy, environmental issues, health and education; and companion diocese relationships; and be it further

Resolved, That the 76th General Convention recognize that individuals who are part of such relationships have responded to God’s call and have exercised various ministries in and on behalf of God’s One, Holy, Catholic and Apostolic Church over the centuries and are currently doing so in our midst, often without the church’s recognition of their lifelong committed relationships and the blessings bestowed by such relationships; and be it further

The membership of each Board shall include lay persons and Priests or Deacons, and the majority of the Board members shall be Priests or Deacons, but by no more than one. No member of the Standing Committee of a Diocese shall serve as a member of the Disciplinary Board of that Diocese. Within sixty days following each Diocesan convention, the Board shall convene to elect a president for the following year, unless another method for selection of the president is provided by Diocesan Canon.

Sec. 2. The provisions of Canon IV.19 shall apply to all Disciplinary Boards.

Sec. 3. The following rules shall govern the operations of all Disciplinary Boards:

(a) In the event of any Board member’s death, resignation or declination to serve, or disability rendering the member unable to act, the president shall declare a vacancy on the Board.

(b) Notices of resignation or declination to serve shall be communicated in writing to the president.

(c) No person serving in a Diocese as Chancellor, Vice-Chancellor, Advisor, Conciliator, Church Attorney, Intake Officer or Investigator may serve on the Disciplinary Board of that Diocese, and no member of a Disciplinary Board may be selected to serve in one of those positions in the same Diocese. A member of the Standing Committee of a Diocese may serve on the Disciplinary Board if the Canons of the Diocese so provide. If any Priest
elected to the Board is elected a Bishop, or any lay member is ordained prior to the commencement of a proceeding under this Title, that person shall immediately cease to be a member of the Board. If a proceeding has been commenced, that person may continue to serve on the Board for all proceedings in that matter through final disposition. A lay person ceasing to be a member under this subsection by reason of ordination may be appointed to fill a vacancy in the clergy members of the Board.

(d) Each Diocese shall provide by Canon for the filling of vacancies on the Board. In the event there be no such canonical provision by the Diocese, any vacancy occurring on the Board shall be filled by appointment of the Bishop Diocesan and the appointee shall be of the same order as the Board member being replaced.

(e) Proceedings of the Panels of the Disciplinary Board shall be conducted within the rules provided in this Title. The Board may adopt, alter or rescind supplemental rules of procedure not inconsistent with the Constitution and Canons of the Church.

(f) The rules of evidence for proceedings are as provided in Canon IV.13.6.

(g) The Disciplinary Board shall appoint a clerk who may be a member of the Board, who shall be custodian of all records and files of the Disciplinary Board and who shall provide administrative services as needed for the functioning of the Board.

(h) The Disciplinary Board shall keep a record of all proceedings before its Hearing Panels in a format that can be reduced to a transcript if necessary. The record of each proceeding shall be certified by the president of the Panel. If the record cannot be certified by the president by reason of the president’s death, disability or absence, the record shall be certified by another member of the Panel selected by a majority of the remaining members of the Panel.

(i) Any Diocese may agree with one or more other Dioceses to develop and share resources necessary to implement this Title, including members of Disciplinary Boards, Church Attorneys, Intake Officers, Advisors, Investigators, Conciliators and administrative and financial support for proceedings under this Title.

(j) Church Attorneys, Intake Officers, Advisors, Investigators and Conciliators need not reside in or be members of the Diocese proceeding under this Title. Members of Disciplinary Boards shall be members of the Diocese in which they serve unless such Diocese has entered into an agreement for the sharing of resources as provided in Canon IV.5.3(i).

Sec. 4. In each Province there shall be a court to be known as the Provincial Court of Review, with jurisdiction to receive and determine appeals from Hearing Panels of Dioceses within the Province as provided in Canon IV.15 and to determine venue issues as provided in Canon IV.19.5.

(a) The Provincial Court of Review shall consist of: (i) one Bishop of the Province; two Priests, or one Priest and one Deacon; and two lay persons; and (ii) one Bishop, one Priest or Deacon, and one lay person to serve as alternates as hereinafter provided. Each Priest or Deacon, whether a member or alternate, shall be canonically resident in a Diocese of the Province different from any other Priest or Deacon, and each lay person, whether a member or
alternate, shall reside in a Diocese of the Province different from any other lay person. The Priests, Deacons and lay persons shall be members of the Disciplinary Boards of their respective Dioceses.

(b) The members and alternates of the Provincial Court of Review shall be appointed annually by the president of the Province. The Provincial Court of Review shall select a president from among its members.

(c) The persons appointed to the Provincial Court of Review shall continue to serve until their respective successors have been appointed, except in case of death, resignation or declination to serve.

(d) No member of the Provincial Court of Review may serve in any matter originating from the Diocese in which such member serves on the Disciplinary Board. In such event, the alternate shall serve.

(e) In the event that any member of the Provincial Court of Review is excused pursuant to the provisions of Canon IV.5.3(c), or, upon objection made by either party to the appeal is deemed by the other members of the Provincial Court of Review to be disqualified, such member's alternate shall serve.

(f) In the event of any Provincial Court of Review member's death, resignation or declination to serve, or disability rendering the member unable to act or is ineligible to serve under Canons IV.5.4(d) or (e), and in the further event that there is no alternate available to serve, the president of the Provincial Court of Review shall declare a vacancy on the Provincial Court of Review. Notices of resignation or declination to serve shall be communicated in writing to the president of the Provincial Court of Review.

(g) Vacancies on the Provincial Court of Review shall be filled by appointment by the president of the Province of persons qualified as provided in Canon IV.5.4(a).

(h) The Provincial Court of Review shall appoint a clerk who may be a member of the Court, who shall be custodian of all records and files of the Provincial Court of Review and who shall provide administrative services as needed for the functioning of the Court.

(i) The rules of procedure for appeals to the Provincial Court of Review are as provided in Canon IV.15, but the Provincial Court of Review may adopt, alter or rescind supplemental rules of procedure not inconsistent with the Constitution and Canons of the Church.

CANON 6: Of Intake and Referral of Information Concerning Offenses

Sec. 1. Each Diocese shall provide for and publicize methods and means of reporting information concerning Offenses.

Sec. 2. Information concerning Offenses may be submitted to the Intake Officer in any manner and in any form.

Sec. 3. Any person other than the Intake Officer who receives information regarding an Offense shall promptly forward the information to the Intake Officer. A Bishop Diocesan may forward information to the Intake Officer whenever the Bishop Diocesan believes that the information may indicate conduct constituting one or more Offenses.

Sec. 4. Upon receipt of such information, the Intake Officer may make such preliminary investigation as he or she deems necessary, and shall incorporate the
information into a written intake report, including as much specificity as possible. The Intake Officer shall provide copies of the intake report to the other members of the Reference Panel and to the Church Attorney.

Sec. 5. If the Intake Officer determines that the information, if true, would not constitute an Offense, the Intake Officer shall inform the Bishop Diocesan of an intention to dismiss the matter. If the Bishop Diocesan does not object, the Intake Officer shall dismiss the matter. The Intake Officer shall provide written notice to the Complainant and the Bishop Diocesan of the decision of dismissal, the reasons therefore, and the Complainant’s right to appeal the decision within thirty days of the date of the notice and shall send a copy of that notice and the written intake report to the president of the Disciplinary Board. If the Complainant wishes to appeal the dismissal, the Intake Officer shall assist the Complainant in preparing and signing a written statement of the acts complained of, which statement shall be sent to the president of the Disciplinary Board along with a statement that the Complainant appeals the dismissal. The intake report and any related information, in the case of a dismissal, may be retained by the Intake Officer and considered in connection with any additional information that may come to the Intake Officer thereafter concerning the subject Member of the Clergy.

Sec. 6. In the event of an appeal of a dismissal, the president of the Disciplinary Board shall, within thirty days of the receipt of the appeal, review the intake report and either affirm or overrule the dismissal. The president shall promptly notify the Complainant, the Intake Officer, and the Bishop Diocesan of the decision. If the decision is to overrule the dismissal, the president shall refer the intake report to the Reference Panel.

Sec. 7. If the Intake Officer determines that the information, if true, would constitute an Offense, the Intake Officer shall promptly forward the intake report to the Reference Panel. The president shall promptly select from the Disciplinary Board, by lot or by other random means, a Conference Panel and a Hearing Panel, and shall designate a president of each Panel. A Conference Panel may consist of one or more persons. A Hearing Panel shall consist of not less than three persons and shall include both clergy and lay members. The president shall be ineligible to serve on either Panel.

Sec. 8. The Reference Panel shall meet as soon as possible after receiving the intake report to determine how to refer the report. Referral options are (a) no action required other than appropriate pastoral response pursuant to Canon IV.8; (b) conciliation pursuant to Canon IV.10; (c) investigation pursuant to Canon IV.11 or (d) referral for possible agreement with the Bishop Diocesan regarding terms of discipline pursuant to Canon IV.9. Referral decisions shall require the approval of a majority of the Reference Panel.

Sec. 9. If the determination of the Reference Panel is to take no action other than an appropriate pastoral response, the Panel shall notify the Complainant and the subject Member of the Clergy of the determination and the basis for the determination to take no action other than an appropriate pastoral response. If the referral is to conciliation, the provisions of Canon IV.10 shall apply. If the referral is to investigation, the provisions of Canon IV.11 shall apply.
Sec. 10. All communications and deliberations during the intake and referral stages shall be confidential except as the Bishop Diocesan deems to be pastorally appropriate or as required by law.

CANON 7: Of Pastoral Direction, Restricted Ministry and Administrative Leave

Sec. 1. At any time the Bishop Diocesan may issue a Pastoral Direction to a Member of the Clergy, canonically resident, actually resident, or licensed in the Diocese.

Sec. 2. A Pastoral Direction must (a) be made in writing; (b) set forth clearly the reasons for the Pastoral Direction; (c) set forth clearly what is required of the Member of the Clergy; (d) be issued in the Bishop Diocesan’s capacity as the pastor, teacher and overseer of the Member of the Clergy; (e) be neither capricious nor arbitrary in nature nor in any way contrary to the Constitution and Canons of the General Convention or the Diocese; and (f) be directed to some matter which concerns the Doctrine, Discipline or Worship of the Church or the manner of life and behavior of the Member of the Clergy concerned; and (g) be promptly served upon the Member of the Clergy.

Sec. 3. If at any time the Bishop Diocesan determines that a Member of the Clergy may have committed any Offense, or that the good order, welfare or safety of the Church or any person or Community may be threatened by that member of the Clergy, the Bishop Diocesan may, without prior notice or hearing, (a) place restrictions upon the exercise of the ministry of such Member of the Clergy or (b) place such Member of the Clergy on Administrative Leave.

Sec. 4. Any restriction on ministry imposed pursuant to Canon IV.7.3(a) or placement on Administrative Leave pursuant to Canon IV.7.3(b) must (a) be made in writing; (b) set forth clearly the reasons for which it is issued; (c) set forth clearly the limitations and conditions imposed and the duration thereof; (d) be neither capricious nor arbitrary in nature nor in any way contrary to the Constitution and Canons of the General Convention or the Diocese; (e) be promptly served upon the Member of the Clergy; and (f) advise the Member of the Clergy of his or her right to be heard in the matter as provided in this Canon. A copy of such writing shall be promptly provided to the Church Attorney.

Sec. 5. The duration of restriction on ministry or Administrative Leave may be for a stated period or to continue until the occurrence of a specified event or the satisfaction of a specified condition.

Sec. 6. Pastoral Directions, restrictions on ministry and Administrative Leaves (a) may be issued and imposed in any chronological order; (b) may be issued and imposed concurrently; and (c) may be modified at any time by the issuing Bishop or that Bishop’s successor, provided that the Pastoral Direction, restriction on ministry or Administrative leave, as modified, meets the requirements of this Canon.

Sec. 7. Any Pastoral Direction, restriction on ministry or Administrative Leave under this Canon shall be effective upon service of the writing setting it forth on the subject Member of the Clergy as provided in Canon IV.19.20.

Sec. 8. If imposition of restriction on ministry or placement on Administrative Leave occurs prior to the receipt of information by the Intake Officer, as provided in Canon IV.6, then the Bishop may forward a copy of the writing setting forth the
restriction or Administrative Leave to the Intake Officer, who shall receive such information as a report of an Offense and proceed as provided in Canon IV.6.

Sec. 9. The Bishop Diocesan may disclose such information concerning any Pastoral Direction, restriction on ministry or Administrative Leave as the Bishop Diocesan deems pastorally appropriate or as necessary to seek or obtain Diocesan authority for resolution of the matter or any part thereof.

Sec. 10. Every imposition of restriction on ministry or placement on Administrative Leave shall be subject to review upon the request of the Member of the Clergy at any time in the duration thereof. A request for review must be in writing and addressed to the president of the Disciplinary Board and the Church Attorney, with a copy to the Bishop Diocesan. A Member of the Clergy who requests review shall become a Respondent under this Title. Reviews shall be conducted within fifteen days of the delivery of the request for review to the president of the Disciplinary Board, unless extended by consent of the Respondent. If a restriction on ministry or placement on Administrative Leave has been reviewed once, a second request for review may be made only if there has been a substantial change of circumstances from the time of the first request or if there has been a modification of the restriction on ministry or placement on Administrative Leave.

Sec. 11. If a request for review of restriction on ministry or Administrative Leave is made prior to referral to the Conference Panel, then the review shall be conducted by the Conference Panel. If a request for review of restriction on ministry or Administrative Leave is made subsequent to referral to the Conference Panel but prior to referral to the Hearing Panel, the review shall be conducted by the Conference Panel. If a request for review of restriction on ministry or Administrative Leave is made subsequent to referral to the Hearing Panel, the review shall be conducted by the Hearing Panel. The question before a Panel reviewing a restriction on ministry or Administrative Leave is whether, at the time of the review and based upon information then available to the Panel, the restrictions on ministry or Administrative Leave and the terms and conditions thereof are warranted. The review may be conducted either personally or telephonically. The Intake Officer, the Respondent or the Respondent’s Advisor or both, the Bishop Diocesan, the Chancellor and the Church Attorney shall each be afforded the opportunity to be present, either personally or telephonically, at the review, and any such person present shall be heard by the Panel if such person desires to be heard. The Panel may hear from other persons at the Panel’s discretion.

Sec. 12. After conducting the review and hearing from such the persons designated in Canon IV.7.11 who desire to be heard, the Panel shall confer privately and make a determination to (a) dissolve the restriction on ministry or Administrative Leave; (b) affirm the restriction on ministry or Administrative Leave and the terms and conditions thereof; or (c) affirm the restriction on ministry or Administrative Leave, but with modification of the terms and conditions thereof. The Panel’s determination shall be in writing and shall be delivered to the Respondent, the Church Attorney, the Bishop Diocesan and the Intake Officer, and shall be binding in the same manner as provided in Canon IV.7.7. In the event of the dissolution of the restriction on ministry or Administrative Leave, the Bishop Diocesan may give
notice thereof to such persons and Communities having notice of the restriction on ministry or Administrative Leave as the Bishop Diocesan deems appropriate.

Sec. 13. Any Accord or Order resulting from Canons IV.9, IV.10, IV.12 or IV.13, unless otherwise specified, shall supersede any restriction on ministry or Administrative Leave then in effect.

CANON 8: Of Pastoral Response

Sec. 1. The Bishop Diocesan shall provide for appropriate pastoral response whenever any report is made to the Intake Officer. Such pastoral response shall embody respect, care, and concern for affected persons and Communities. The response shall be designed so as to promote healing, repentance, forgiveness, restitution, justice, amendment of life and reconciliation among all involved or affected.

Sec. 2. In each pastoral response the Bishop Diocesan shall consider offering pastoral care to all those affected by the Offense or allegations thereof. Pastoral care shall be considered for the Complainant, the Complainant’s family, the Respondent, the Respondent’s family, Injured Persons, Injured Persons’ families, any affected Community, witnesses and the Disciplinary Board.

Sec. 3. In every case, and notwithstanding any other provision of this Title to the contrary, the Bishop Diocesan may disclose such information concerning any Offense or allegations thereof or concerning any Accord or Order as the Bishop Diocesan deems pastorally appropriate.

Sec. 4. The Bishop Diocesan shall give consideration to the respective privacy interests and pastoral needs of all affected persons.

Sec. 5. The Bishop Diocesan may designate a person to be responsible for the implementation of the pastoral response. Such person may be the Intake Officer. The duties of such person may include coordination of pastoral care and coordination of communications between the Bishop Diocesan and Advisors.

CANON 9: Of Agreements Between Bishops Diocesan and Respondents for Discipline

Sec. 1. At any time before an Order becomes effective, the Respondent or any Member of the Clergy who has not yet become a Respondent but who is alleged to have committed an Offense may propose terms of discipline to the Bishop Diocesan, or the Bishop Diocesan may propose terms of discipline to the Respondent or such Member of the Clergy. Before reaching agreement, the Bishop Diocesan shall consult with the Injured Persons, if any, the President of the Disciplinary Board and the Church Attorney with respect to the proposed terms of discipline. If the Respondent or such Member of the Clergy reach agreement regarding terms of discipline, such terms shall be set forth in a proposed Accord. A Member of the Clergy becomes a Respondent by reaching agreement with the Bishop Diocesan regarding terms of discipline.

Sec. 2. An Accord under this Canon may be entered into if (a) the Respondent is aware of the discipline to be imposed and the effect thereof; (b) the Respondent has had adequate opportunity to consult and seek advice from, or has in fact consulted and received advice from, counsel of the Respondent’s choosing; and (c) the Accord adequately considers and, where possible, provides for healing,
repentance, forgiveness, restitution, justice, amendment of life and reconciliation among the Complainant, Respondent, affected Community and other persons and is otherwise an appropriate resolution of the matter.

Sec. 3. An Accord under this Canon may be withdrawn by the Priest or Deacon within three days of execution thereof by the Priest or Deacon and if not withdrawn shall be effective and irrevocable thereafter.

CANON 10: Of Conciliation

Sec. 1. Conciliation shall seek a resolution which promotes healing, repentance, forgiveness, restitution, justice, amendment of life and reconciliation among the Complainant, Respondent, affected Community, other persons and the Church.

Sec. 2. Where a matter is referred for conciliation, the Bishop Diocesan shall appoint a Conciliator to assist the Complainant, Respondent, other affected persons and the Church in reconciling. The Bishop Diocesan or a representative appointed by the Bishop Diocesan may participate in the conciliation.

Sec. 3. If the conciliation is successful in reaching agreement among the parties on a suitable resolution of all issues, an Accord will be prepared as provided in Canon IV.14. If conciliation cannot be achieved within a reasonable time, the Conciliator will report such to the Bishop Diocesan, and the matter will be referred back to the Reference Panel.

Sec. 4. A Conciliator shall be a person skilled in dispute resolution techniques and without conflict of interest in the matter. All communications between the Complainant and the Conciliator, the Respondent and the Conciliator and other participants in the conciliation and the Conciliator shall be confidential except as the Conciliator may have the permission of the respective person to disclose the information to the other participants in the conciliation in order to promote efforts towards conciliation.

CANON 11: Of Investigations

Sec. 1. In each Diocese there shall be one or more Investigators.

Sec. 2. Upon referral of an intake report, the Investigator shall investigate all facts pertinent to the factual claims of the intake report. The Investigator shall use appropriate investigative means, with due consideration to pastoral sensitivities, and shall complete the investigation as expeditiously as possible.

Sec. 3. The Investigator shall present the findings of the investigation in writing to the Reference Panel. The Reference Panel may meet with the Investigator and shall consider the report to determine whether to (a) take no action other than appropriate pastoral responses pursuant to Canon IV.8; (b) refer the matter to the Bishop Diocesan for consideration of proceedings under Canon IV.9; (c) refer the matter to conciliation pursuant to Canon IV.10; (d) require further investigation; or (e) refer the matter to the Conference Panel pursuant to Canon IV.12. The determination shall be approved by a majority vote of the Reference Panel.

Sec. 4. If the determination is to refer for further investigation, the Investigator shall make such further investigation as the Reference Panel directs and shall submit a supplemental report of findings to the Reference Panel. The Reference Panel shall then reconvene and proceed as provided in Canon IV.11.3.
Sec. 5. All investigations shall be confidential except as may be utilized by the Church Attorney, the Bishop Diocesan or the Panels upon the consent of the person interviewed or as the Bishop Diocesan deems pastorally necessary, and all persons interviewed by the Investigator shall be advised of the confidential nature of the investigation.

CANON 12: Of Conference Panels

Sec. 1. Upon referral of a matter to a Conference Panel, the president of the Disciplinary Board shall forward to the Church Attorney the intake report, all of the Investigator’s reports and any other writings or other file materials created or collected by the Disciplinary Board or any panel thereof during the intake, investigative or referral process. From this material the Church Attorney shall prepare a written statement, describing each alleged Offense separately, with reasonable particularity sufficient to apprise the Respondent of the acts, omissions or conditions which are the subject of the proceedings. The Church Attorney shall then forward the materials received from the president of the Disciplinary Board, together with the written statement, to the Conference Panel.

Sec. 2. The Conference Panel shall review the materials provided to determine who, in addition to those listed in Canon IV.12.3, should be invited to participate in the proceeding before the Conference Panel in order to promote the purposes of this Title. Such may include, for example, the Investigator, family members, representatives of the affected Community, or other affected persons.

Sec. 3. The Conference Panel shall issue a notice to the Respondent, the Respondent’s Advisor, the Complainant, the Complainant’s Advisor, the Investigator and such other persons, if any, as the Conference Panel in its discretion may determine. The notice shall describe the nature and purpose of the proceeding, contain a copy of the written statement prepared by the Church Attorney, shall disclose the names of all persons to whom the notice is sent, and shall establish a date, time and place for a conference at which the Respondent is to appear before the Conference Panel.

Sec. 4. The Respondent shall attend the conference.

Sec. 5. The Church Attorney shall attend the conference, shall represent the Church and shall be heard by the Conference Panel.

Sec. 6. The Complainant may attend the conference but may not be required to do so. The Complainant’s Advisor may attend the conference regardless of whether the Complainant attends.

Sec. 7. The proceedings of the Conference Panel shall be informal and conversational. The Conference Panel shall describe the alleged Offense to the Respondent. The Conference Panel shall hear from the Complainant or the Complainant’s Advisor or both, if either or both are present, and from the Respondent or the Respondent’s Advisor or both. At its discretion, the Conference Panel may hear from the Investigator or any other persons present, and may direct the Investigator to conduct additional investigation and suspend its proceedings to allow such investigation to be completed. At its discretion, the Conference Panel may confer with any participants outside the presence of the other participants.

Sec. 8. No witnesses shall be called to testify at the proceedings before the Conference Panel. No record of the proceedings of the Conference Panel shall be
made. The conference shall be closed to all except the members of the Conference Panel, and invited participants. Proceedings before the Conference Panel shall be confidential except as may be provided in an Order or Accord or as provided elsewhere in this Title.

Sec. 9. An Accord may be entered into at a proceeding before the Conference Panel. If an Accord is not entered into, the Conference Panel shall confer privately to reach a determination of the matter, which may include (a) dismissal of the matter; (b) referral for conciliation; (c) referral to the Hearing Panel; or (d) issuance of an Order.

Sec. 10. If the determination is to dismiss the matter, the Conference Panel shall issue an Order which shall include the reasons for dismissal and which may contain findings exonerating the Respondent. A copy of the Order shall be provided to the Bishop Diocesan, the Respondent, the Respondent’s Advisor, the Complainant, the Complainant’s Advisor and the Church Attorney.

Sec. 11. If the resolution is the entry of an Accord or the issuance of an Order other than an Order of dismissal, the provisions of Canon IV.14 shall apply.

Sec. 12. The Respondent or the Church Attorney may refuse an Order issued by the Conference Panel by giving written notice of the refusal to the president of the Conference Panel within fifteen days following the effective date of the Order as defined in Canon IV.14.10. Upon receipt of the notice of refusal, the president of the Conference Panel shall notify the president of the Disciplinary Board of the refusal and the matter will proceed as provided in IV.14.11.

CANON 13: Of Hearing Panels

Sec. 1. If a matter is referred to the Hearing Panel, the president of the Conference Panel shall promptly notify the president of the Disciplinary Board of the referral.

Sec. 2. Upon receipt of a referral for Hearing Panel proceedings, the Church Attorney shall review all information acquired as of the time of such referral and, if necessary, shall revise or update the written statement of the Offense and shall provide the same to the Hearing Panel. The Hearing Panel shall issue a notice to the Respondent, to the Respondent’s Advisor and to the Church Attorney.

(a) The notice shall describe the nature and purpose of the proceeding, contain a copy of the written statement prepared by the Church Attorney, disclose the names of all persons to whom the notice is sent, advise the Respondent that a written response to the notice must be filed by the Respondent with the Hearing Panel within thirty days of the mailing date of the notice and advise the Respondent that failure to attend or participate in a scheduled or noticed hearing may result in a finding of default.

(b) A copy of the notice shall be sent to the Complainant and to the Complainant’s Advisor.

(c) Unless additional time is approved by the Hearing Panel, the Respondent shall file with the Hearing Panel a written response signed by the Respondent within thirty days of the mailing date of the notice. The president of the Hearing Panel shall forward a copy of the response to the Church Attorney.

Sec. 3. In all proceedings before the Hearing Panel, the Church Attorney shall appear on behalf of the Diocese, which shall then be considered the party on one side and the Respondent the party on the other. Each Complainant shall be entitled
to be present throughout and observe the Hearing and each may be accompanied by another person of his or her own choosing in addition to his or her Advisor.

Sec. 4. All proceedings before the Hearing Panel, except its private deliberations, shall be public, provided, however, that the Hearing Panel may close any part of the proceedings at its discretion to protect the privacy of any person. A record of the hearing shall be made by such means as to enable the creation of a written transcript of the hearing.

Sec. 5. The Church Attorney and the Respondent shall each be afforded reasonable time and opportunity to prepare evidence for the hearing as follows:

(a) Within thirty days after the filing of the response by the Respondent, the Church Attorney and the Respondent’s counsel shall meet and confer regarding the nature and basis of the allegations against the Respondent and the defenses thereto and to make or arrange for initial disclosures as described in Canon IV.13.5(b), and to develop a proposed plan of discovery forms and schedule for approval by the Hearing Panel. A report of the proposed plan shall be filed with the president of the Hearing Panel within fifteen days after the conference.

(b) Within fifteen days after the conference described in Canon IV.13.5(a), the Church Attorney and the Respondent’s counsel shall each provide to the other initial disclosure of (1) the name and, if known, the address and telephone number of each individual likely to have direct knowledge of information which may be used to support the allegations against the Respondent or the defenses thereto, together with a detailed summary of the expected testimony of the person, if called to testify; and (2) a copy of, or a description by category and location of, all documents and tangible things that may be used to support the allegations against the Respondent or the defenses thereto, except as such disclosure would involve Privileged Communications.

(c) If the discovery plan has been mutually agreed upon by the Church Attorney and counsel for the Respondent, the president of the Hearing Panel may approve the plan and incorporate it in a discovery order and scheduling order governing all discovery procedures and establishing a date for hearing of the matter. If the Church Attorney and Respondent’s counsel do not agree on all elements of the discovery plan, the president of the Hearing Panel shall allow each to be heard with respect to the elements in dispute, make a determination of appropriate discovery procedures and issue a discovery order and scheduling order within thirty days of the receipt of the discovery planning report.

(d) Discovery procedures may include oral or written deposition testimony of any person having knowledge pertaining to the Offense or any defenses thereto, requests for production of documents or tangible objects and requests for admissions of fact.

(e) In addition to the disclosures required by this section and the discovery obtained pursuant to the discovery plan, the Church Attorney and Respondent’s counsel shall each provide to the other and to the Hearing Panel at least thirty days before the hearing final pre-hearing disclosures including (1) the name, address and telephone number of each witness expected to be called to testify at the hearing; (2) identification of each document or other tangible
object expected to be used as an exhibit in the hearing; and (3) requests, if any, to have all or portions of the hearing closed to the public.

(f) Notwithstanding any provision of this section, in approving or determining the discovery plan, the president of the Hearing Panel shall take reasonable steps to assure that the discovery process will not unduly burden any person from whom information is sought or unduly adversely affect any pastoral response being offered to any such person. The Hearing Panel may impose, after reasonable notice and opportunity to be heard, reasonable sanctions on any party for failure to comply with any discovery or scheduling order.

Sec. 6. In all proceedings of the Hearing Panel the testimony of witnesses shall be taken orally and personally or by such other means as provided by order of the Hearing Panel. All testimony shall be given under oath or solemn affirmation and be subject to cross-examination. The Hearing Panel shall determine the credibility, reliability and weight to be given to all testimony and other evidence. The proceedings shall be conducted as follows:

(a) The president shall regulate the course of the hearing so as to promote full disclosure of relevant facts.

(b) The president:

(1) may exclude evidence that is irrelevant, immaterial or unduly repetitious;
(2) shall exclude privileged evidence;
(3) may receive documentary evidence in the form of a copy or excerpt if the copy or excerpt contains all pertinent portions of the original document;
(4) may take official notice of any facts that could be judicially noticed, including records of other proceedings and of technical or scientific facts within the Hearing Panel’s specialized knowledge;
(5) may not exclude evidence solely because it is hearsay;
(6) shall afford to the Church Attorney and to the Respondent reasonable opportunity to present evidence, argue and respond to argument, conduct cross-examination and submit rebuttal evidence; and
(7) may, at the discretion of the Hearing Panel, give persons other than the Church Attorney and the Respondent opportunity to present oral or written statements at the hearing.

(c) Nothing in this section shall preclude the exercise of discretion by the president in taking measures appropriate to preserve the integrity of the hearing.

Sec. 7. Following the conclusion of the hearing, the Hearing Panel shall confer privately to reach a determination of the matter by (a) dismissal of the matter or (b) issuance of an Order.

Sec. 8. If the determination is to dismiss the matter, the Hearing Panel shall issue an Order which shall include the reasons for dismissal and which may contain findings exonerating the Respondent. A copy of the Order shall be provided to the Bishop Diocesan, the Respondent, the Respondent’s Advisor, the Complainant, the Complainant’s Advisor and the Church Attorney.

Sec. 9. If the resolution is the issuance of an Order other than an Order of dismissal, the provisions of Canon IV.14 shall apply.
CANON 14: Of Accords and Orders

Sec. 1. An Accord may (a) provide any terms which promote healing, repentance, forgiveness, restitution, justice, amendment of life and reconciliation among the Complainant, Respondent, affected Community and other persons; (b) place restrictions on the Respondent’s exercise of ministry; (c) place the Respondent on probation; (d) recommend to the Bishop Diocesan that the Respondent be admonished, suspended or deposed from ministry; (e) limit the involvement, attendance or participation of the Respondent in the Community; or (f) any combination of the foregoing. An Accord may be conditioned on the Bishop Diocesan imposing any recommended admonition, suspension, deposition or conditions for restoration to ministry. An Accord providing for suspension from ministry shall specify on what terms or conditions and at what time the suspension shall cease. Any Accord providing for limitation upon the involvement, attendance or participation of the Respondent in the Community shall also provide conditions for restoration.

Sec. 2. If an Accord results from a Conciliation, the Accord shall be signed by the Complainant, the Respondent and the Conciliator, provided that the Conciliator shall sign last.

Sec. 3. If an Accord results from proceedings before a Conference Panel, the Complainant and the Complainant’s Advisor shall have first been afforded an opportunity to be heard by the Panel regarding the proposed terms of the Accord. The Accord shall be signed by the Respondent, the Church Attorney and the president of the Panel, provided that the president shall sign last.

Sec. 4. A copy of the Accord shall be sent to the Complainant, the Complainant’s Advisor, the Respondent, the Respondent’s Advisor, the Church Attorney and the Bishop Diocesan by the Conciliator or the president of the Conference Panel or Hearing Panel (whichever the matter was before when the Accord was reached) on the date that the Conciliator or president of the Panel signs the Accord.

Sec. 5. The Bishop Diocesan shall have thirty days from the date on which the Accord is sent to the Bishop Diocesan in which to advise in writing the Respondent, the Respondent’s Advisor, the Complainant, the Complainant’s Advisor, the Church Attorney and the Conciliator or the president of the Conference Panel or Hearing Panel whether the Bishop Diocesan will pronounce the Sentence or accept the other terms of the Accord as recommended. The Bishop Diocesan shall advise that he or she will (a) pronounce the Sentence as recommended or (b) pronounce a lesser Sentence than that recommended and/or (c) reduce the burden on the Respondent of any of the other terms of the Accord. The Bishop Diocesan shall pronounce Sentence not sooner than forty days following the date on which the Accord is sent to the Bishop Diocesan and not later than sixty days following such date. The Bishop Diocesan’s pronouncement of a lesser Sentence than that recommended or other modification shall not affect the validity or enforceability of the remainder of the Accord.

Sec. 6. An Order issued by a Conference Panel or Hearing Panel may (a) provide any terms which promote healing, repentance, forgiveness, restitution, justice, amendment of life and reconciliation among the Complainant, Respondent, affected Community and other persons; (b) place restrictions on the Respondent’s
exercise of ministry; (c) recommend to the Bishop Diocesan that the Respondent be admonished, suspended or deposed from ministry; (d) limit the involvement, attendance or participation of the Respondent in the Community; or (e) any combination of the foregoing. An Order providing for suspension from Ministry shall specify on what terms or conditions and at what time the suspension shall cease. Any Order providing for limitation upon the involvement, attendance or participation of the Respondent in the Community shall also provide conditions for restoration.

Sec. 7. Prior to the issuance of an Order by a Conference Panel or a Hearing Panel, the issuing Panel shall afford the Bishop Diocesan and the Complainant each with an opportunity to be heard on the proposed terms of the Order.

Sec. 8. The Bishop Diocesan shall have thirty days from the date of the issuance of the Order in which to advise in writing the Respondent, the Respondent’s Advisor, the Complainant, the Complainant’s Advisor, the Church Attorney, and the president of the Conference Panel or Hearing Panel (whichever Panel issued the Order) whether the Bishop Diocesan will pronounce the Sentence or accept the other terms of the Order as recommended. The Bishop Diocesan shall advise that he or she will (a) pronounce the Sentence as recommended or (b) pronounce a lesser Sentence than that recommended and/or (c) reduce the burden on the Respondent of any of the other terms of the Order. The Bishop Diocesan shall pronounce Sentence not sooner than forty days following the issuance of the Order and not later than sixty days following the issuance of the Order. Notwithstanding anything in this section to the contrary, no Sentence shall be pronounced while an appeal of the matter is pending. However, the Bishop Diocesan may, while an appeal is pending, place restrictions upon the exercise of the Respondent’s ministry, or place the Respondent on Administrative Leave, or continue any such restriction or Administrative Leave as was in effect at the time of the issuance of the Order. The Bishop Diocesan’s pronouncement of a lesser Sentence than that recommended or other modification shall not affect the validity or enforceability of the remainder of the Order.

Sec. 9. An Accord or Order shall include, in addition to such terms and provisions as are consistent with Canons IV.14.1 and IV.14.6, (a) the name of the Respondent; (b) a reference to the Canon(s), section(s) and subsection(s) specifying the Offense; and (c) general information regarding the Offense sufficient to afford protection from proceedings which are barred under Canon IV.19.13.

Sec. 10. An Accord under Canon IV.9 shall be effective as provided in Canon IV.9.3. An Accord under Canon IV.10 or IV.12 shall be effective thirty days following the date on which the Accord is signed by the Conciliator or the president of the Panel. An Order is effective thirty days following the date on which the Order is issued.

Sec. 11. If the Order is issued by a Conference Panel, the Respondent may refuse the Order as provided in Canon IV.12.12 and the matter shall be referred to a Hearing Panel for hearing as provided in Canon IV.13.

Sec. 12. Notice of Accords and Orders which shall have become effective and are not subject to refusal by the Respondent shall be given without delay as follows:
(a) In the case of any Accord or Order pertaining to a Priest or Deacon, the Bishop Diocesan shall give notice of the Accord or Order to every Member of
the Clergy in the Diocese, each Vestry in the Diocese, the Secretary of Convention, and the Standing Committee of the Diocese, which shall be added to the official records of the Diocese; to the Presiding Bishop, to all other Bishops of the Church, and where there is no Bishop, to the Ecclesiastical Authority of each Diocese of the Church; to the Recorder of ordinations; to the Church Deployment Office; and to the Secretary of the House of Bishops and the Secretary of the House of Deputies.

(b) In the case of any Accord or Order pertaining to a Bishop, the Presiding Bishop shall give notice of the Accord or Order to the Ecclesiastical Authority of every Diocese of the Church, to the Recorder of ordinations, to the Church Deployment Office, and to the Secretary of the House of Bishops, and to all Archbishops and Metropolitans, and to all Presiding Bishops of Churches in communion with the Church.

(d) Similar notice shall be given whenever there is any modification or remission of any Order for which notice has previously been given pursuant to this Canon.

CANON 15: Of Review

Sec. 1. In the event that proceedings before the Hearing Panel are unreasonably delayed or suspended, and are not resumed within sixty days following a written request for resumption of proceedings from the Church Attorney or the Respondent, the Church Attorney or the Respondent may file a written request with the Provincial Court of Review for an order directing the Hearing Panel to resume the proceedings. The Court of Review shall consider the request as follows:

(a) The person filing the request shall provide copies of the request to the presidents of the Hearing Panel and of the Disciplinary Board. The request shall include a statement of the status of the proceedings and the reason, if known, for the delay or suspension of proceedings, and a description of all actions taken by the person filing the request or by any other person to resolve any impediment to the proceedings or other cause for the delay.

(b) Within fifteen days of receipt of the copy of the request, the president of the Hearing Panel shall file a response to the request with the Provincial Court of Review, with a copy to the Church Attorney, the Respondent and the president of the Board.

(c) The Provincial Court of Review shall convene, either personally or telephonically, to consider the request and the response, if any, from the Hearing Panel. The Court shall then either issue an order directing resumption of the proceedings or an order declining to direct resumption with an explanation of the reasons therefore. The order issued by the Provincial Court of Review shall be binding upon the Hearing Panel.

(d) In the event a Hearing Panel, having been ordered to resume proceedings, either refuses to do so or is unable to do so, the Church Attorney or the Respondent may request that the Provincial Court of Review order the transfer of the proceedings to a Hearing Panel of another Diocese within the
same Province, including an order to the Board of the originating Diocese to transmit the complete record of the proceedings to the successor Hearing Panel.

Sec. 2. Within forty days after issuance of an Order by a Hearing Panel, the Respondent or the Church Attorney may appeal to the Provincial Court of Review, by serving written notice of the appeal upon the Bishop Diocesan, with copies of the notice to the presidents of the Hearing Panel and the Province. The notice of appeal shall be signed by the Respondent’s counsel or the Church Attorney and shall include a copy of the Order from which the appeal is taken and shall state the grounds of the appeal.

Sec. 3. Any Order from a Hearing Panel finding that a Respondent did not commit an Offense involving a question of the Doctrine, Faith or Worship of the Church may be appealed by the Bishop Diocesan upon the written request of at least two Bishops Diocesan of other Dioceses within the Province who are not members of the Provincial Court of Review. Such an appeal shall be taken on the question of the Church’s Doctrine, Faith and Worship only, and may not seek to reverse the finding of the Hearing Panel of non-commission of other Offenses. An appeal under this section may be taken by service of a notice of appeal by the Bishop Diocesan upon the Respondent, the Church Attorney and the presidents of the Hearing Panel and the Province within forty days after the Order of the Hearing Panel is received by the Bishop Diocesan.

Sec. 4. If an appeal is taken from a Hearing Panel of a Diocese which is non-provincial, the appeal shall be taken before the Provincial Court of Review geographically closest to that Diocese.

Sec. 5. An appeal shall be heard on the record of the Hearing Panel. The record on appeal may be corrected, if defective, but no new evidence shall be taken by the Provincial Court of Review.

Sec. 6. The standards for and conditions of appeal to the Provincial Court of Review shall be as follows:

(a) Where an Order is issued against a Respondent who fails to appear before the Hearing Panel or who otherwise fails to participate in proceedings before the Hearing Panel, such Order shall be upheld unless a review of the record on appeal shows the Hearing Panel made a clear error in issuing such Order. The Provincial Court of Review shall review the facts and record in the light most favorable to the Respondent.

(b) In all other appeals, the Provincial Court of Review shall grant relief to the appealing party only if, on the basis of the record on appeal, it determines that the party seeking review has been substantially prejudiced by any of the following:

1. The action taken below violates the Constitution and Canons of the Church or the Diocese;
2. The Hearing Panel has exceeded the jurisdiction conferred by this Title;
3. The Hearing Panel has not decided all of the issues requiring resolution;
4. The Hearing Panel has erroneously interpreted or applied the Constitutions or Canons of the Church;
(5) The Hearing Panel has committed a procedural error or engaged in a decision-making process contrary to this Title; and/or
(6) The factual determinations of the Hearing Panel are not supported by substantial evidence when viewed in the whole light of the record on appeal.

Sec. 7. It shall be the duty of the Hearing Panel to produce the record on appeal, consisting of a transcript of the proceedings before the Hearing Panel together with documentary and tangible evidence received by the Hearing Panel. The record shall be printed or otherwise reproduced as authorized by the president of the Provincial Court of Review. Within thirty days after receiving the record on appeal from the Hearing Panel, the party appealing shall serve two copies of the record on appeal, the notice of appeal and the appealing party’s brief, if any, upon the opposite party and shall deliver five copies to the president of the Provincial Court of Review. Within thirty days after receiving a copy of the record on appeal, the party opposing the appeal shall serve the brief in opposition, if any, upon the appealing party, with five copies to the president of the Provincial Court of Review. Any reply brief of the appealing party shall be served likewise within fifteen days following service of the brief in opposition.

Sec. 8. All members and alternates of the Provincial Court of Review serving for an appeal shall be present for any oral proceedings of the appeal.

Sec. 9. The Provincial Court of Review shall keep a record of all proceedings. The Provincial Court of Review shall appoint a reporter who shall provide for the recording of the proceedings and who shall serve at the pleasure of the Provincial Court of Review.

Sec. 10. At the hearing of the appeal, the Provincial Court of Review shall afford the Respondent and the Church Attorney the opportunity to be heard. The Provincial Court of Review may regulate the number of counsel to be heard.

Sec. 11. No Order or determination of a Hearing Panel shall be overturned solely for technical or harmless error.

Sec. 12. If, after a notice of appeal has been filed, the appealing party fails to pursue the appeal as provided in this Canon, the Provincial Court of Review may dismiss the appeal.

Sec. 13. Following a hearing of the appeal and private deliberation, the Provincial Court of Review may (a) dismiss the appeal; (b) reverse or affirm in whole or in part the Order of the Hearing Panel; or (c) grant a new hearing before the Hearing Panel.

Sec. 14. The concurrence of a majority of the Provincial Court of Review shall be required to decide an appeal. The Provincial Court of Review shall issue its decision in writing, signed by the members concurring therein, stating its decision and the reasons for the decision. The decision shall be attached to the record. If there is not a concurrence by a majority of the Provincial Court of Review, the Order of the Hearing Panel shall stand as affirmed except for any part of the Order for which there is concurrence.

Sec. 15. Upon determination of the appeal, the president of the Provincial Court of Review shall give notice of the determination in writing to the appealing party, the party in opposition and to the Bishop Diocesan and Church Attorney. The appeal record shall be certified by the clerk of the Provincial Court of Review and the
CANNON 16: Of Abandonment of The Episcopal Church

(A) By a Bishop

Sec. 1. If a Bishop abandons The Episcopal Church (i) by an open renunciation of the Doctrine, Discipline or Worship of the Church; or (ii) by formal admission into any religious body not in communion with the same; or (iii) by exercising Episcopal acts in and for a religious body other than the Church or another church in communion with the Church, so as to extend to such body Holy Orders as the Church holds them, or to administer on behalf of such religious body Confirmation without the express consent and commission of the proper authority in the Church, it shall be the duty of the Disciplinary Board for Bishops, by a majority vote of all of its members, to certify the fact to the Presiding Bishop and with the certificate to send a statement of the acts or declarations which show such abandonment, which certificate and statement shall be recorded by the Presiding Bishop. The Presiding Bishop shall then place a restriction on the exercise of ministry of said Bishop until such time as the House of Bishops shall investigate the matter and act thereon. During the period of such restriction, the Bishop shall not perform any Episcopal, ministerial or canonical acts.

Sec. 2. The Presiding Bishop, or the presiding officer, shall forthwith give notice to the Bishop of the certification and restriction on ministry. Unless the restricted Bishop, within sixty days, makes declaration by a verified written statement to the Presiding Bishop, that the facts alleged in the certificate are false or utilizes the provisions of Canon III.12.7, the Bishop will be liable to Deposition. If the Presiding Bishop is reasonably satisfied that the statement constitutes (i) a good faith retraction of the declarations or acts relied upon in the certification to the Presiding Bishop or (ii) a good faith denial that the Bishop made the declarations or committed the acts relied upon in the certificate, the Presiding Bishop, with the advice and consent of the Disciplinary Board for Bishops, shall terminate the restriction. Otherwise, it shall be the duty of the Presiding Bishop to present the matter to the House of Bishops at the next regular or special meeting of the House. If the House, by a majority of the whole number of Bishops entitled to vote, shall give its consent, the Presiding Bishop shall depose the Bishop from the ministry, and pronounce and record in the presence of two or more Bishops that the Bishop has been so deposed.

(B) By a Priest or Deacon

Sec. 3. If it is reported to the Standing Committee of the Diocese in which a Priest or Deacon is canonically resident that the Priest or Deacon, without using the provisions of Canon III.7.8-10 or III.9.8-11, has abandoned The Episcopal Church, then the Standing Committee shall ascertain and consider the facts, and if it shall determine by a vote of three-fourths of all the members that the Priest or Deacon has abandoned The Episcopal Church by an open renunciation of the Doctrine, Discipline or worship of the Church, or by the formal admission into any religious body not in communion with the Church, or in any other way, it shall be the duty of the Standing Committee of the Diocese to transmit in writing to the Bishop Diocesan, or if there be no such Bishop, to the Bishop Diocesan of an
adjacent Diocese, its determination, together with a statement setting out in reasonable detail the acts or declarations relied upon in making its determination. If the Bishop Diocesan affirms the determination, the Bishop Diocesan shall place a restriction on the exercise of ministry by that Priest or Deacon for sixty days and shall send to the Priest or Deacon a copy of the determination and statement, together with a notice that the Priest or Deacon has the rights specified in Section 2 and at the end of the sixty day period the Bishop Diocesan will consider deposing the Priest or Deacon in accordance with the provisions of Section 4.

Sec. 4. Prior to the expiration of the sixty day period of restriction, the Bishop Diocesan may permit the Priest or Deacon to utilize the provisions of Canon III.7.8-10 or III.9.8-11, as applicable. If within such sixty day period the Priest or Deacon shall transmit to the Bishop Diocesan a statement in writing signed by the Priest or Deacon, which the Bishop Diocesan is reasonably satisfied constitutes a good faith retraction of such declarations or acts relied upon in the determination or a good faith denial that the Priest or Deacon committed the acts or made the declarations relied upon in the determination, the Bishop Diocesan shall withdraw the notice and the restriction on ministry shall expire. If, however, within the sixty day period, the Bishop Diocesan does not pronounce acceptance of the renunciation of the Priest or Deacon in accordance with Canon III.7.8-10 and III.9.8-11, as applicable, or the Priest or Deacon does not make retraction or denial as provided above, then it shall be the duty of the Bishop Diocesan either (i) to depose the Priest or Deacon or (ii) if the Bishop Diocesan is satisfied that no previous irregularity or misconduct is involved, with the advice and consent of the Standing Committee, to pronounce and record in the presence of two or more Priests that the Priest or Deacon is released from the obligations of Priest or Deacon and (for causes which do not affect the person’s moral character) is deprived of the right to exercise the gifts and spiritual authority conferred in Ordination.

CANON 17: Of Proceedings for Bishops

Sec. 1. Except as otherwise provided in this Canon, the provisions of this Title shall apply to all matters in which a Member of the Clergy who is subject to proceedings is a Bishop.

Sec. 2. In all matters in which the Member of the Clergy who is subject to proceedings is a Bishop, the following terms used in Canons IV.5 through IV.16 and Canons IV.18 and IV.19 shall have the following respective meanings:

(a) Disciplinary Board shall mean the Disciplinary Board for Bishops as provided in Canon IV.17.3.
(b) Intake Officer shall mean a person appointed by the Presiding Bishop.
(c) Bishop Diocesan shall mean the Presiding Bishop, unless the Member of the Clergy who is subject to proceedings is the Presiding Bishop, in which case Bishop shall mean the Bishop authorized by Canon IV 19.24.
(d) Church Attorney shall mean a person appointed by the Disciplinary Board for Bishops to serve as the Church Attorney.
(e) Investigator shall mean any person who is qualified to serve as an Investigator under this Title, selected by the Disciplinary Board for Bishops.
(f) Provincial Court of Review shall mean the Court of Review for Bishops as provided in Canon IV.17.8.

Sec. 3. The Disciplinary Board for Bishops is hereby established as a court of the Church to have original jurisdiction over matters of discipline of Bishops, to hear Bishops’ appeals from imposition of restriction on ministry or placement on Administrative Leave and to determine venue issues as provided in Canon IV.19.5. The Disciplinary Board for Bishops shall consist of ten Bishops elected at any regularly scheduled meeting of the House of Bishops, and four Priests or Deacons and four lay persons initially appointed by the President of the House of Deputies with the advice and consent of the lay and clergy members of the Executive Council and thereafter elected by the House of Deputies. All lay persons appointed to serve shall be confirmed adult communicants in good standing. Members of the Board shall serve staggered terms of six years, with terms of one half of the Bishops and one half of the lay persons, Priests and Deacons collectively expiring every three years, with the first expirations occurring at the end of the year 2012.

Sec. 4. Within sixty days following each General Convention, the Board shall convene to elect a president for the following triennium. The president shall be a Bishop. If there is no president, the Bishop who is senior by consecration shall perform the duties of the president.

Sec. 5. The Conference Panel shall consist of three Bishops, one Priest or Deacon and one lay person. The Hearing Panel shall consist of three Bishops, one Priest or Deacon and one lay person, except that the Hearing Panel for the Offense specified in Canon IV.4.1(h)(2) pertaining to Doctrine Offenses shall consist of five Bishops only.

Sec. 6. The provisions of Canons IV.14.1(d) and IV.14.6(c) pertaining to recommendations that a Respondent be suspended or deposed from ministry shall not apply where the Respondent is a Bishop. Where the Respondent is a Bishop, an Accord or Order may provide for the suspension or deposition of the Respondent. In such event, the Sentence of suspension or deposition shall be pronounced by the president of the Disciplinary Board for Bishops. The president shall have no discretion to decline to pronounce the Sentence or to pronounce a lesser Sentence. Where an Accord provides for the suspension or deposition of a Respondent who is a Bishop, the president shall pronounce Sentence within thirty days after the date on which the Conciliator or the president signs the Accord. Where an Order provides for the suspension or deposition of a Respondent who is a Bishop, the president shall pronounce Sentence not sooner than forty days following the issuance of the Order and not later than sixty days following the issuance of the Order. Notwithstanding anything in this section to the contrary, no Sentence shall be pronounced while an appeal of the matter is pending. However, the president may, while an appeal is pending, place restrictions upon the exercise of the Respondent’s ministry, or place the Respondent on Administrative Leave, or continue any such restriction or Administrative Leave as was in effect at the time of the issuance of the Order.

Sec. 7. Notwithstanding any provision of this Title to the contrary, no proceeding shall be brought under this Title against a Bishop in which the Offense alleged is violation of Canon IV.4.1(h)(2) for holding and teaching, or having held and taught, publicly or privately, and advisedly, any Doctrine contrary to that held by
the Church unless a statement of disassociation shall have first been issued by the
House of Bishops as provided in Canon IV.17.7 (a) and thereafter the consent of
one-third of the Bishops qualified to vote in the House of Bishops has been
received to initiate proceedings under this Title as provided in Canon IV.17.7 (b).

(a) Any ten Bishops Diocesan in the Church may file with the Presiding
Bishop a written request, signed by such Bishops, that the House of Bishops
issue a statement of disassociation. Such request shall include a statement of
the Doctrine alleged to be contrary to that held by the Church, the name or
names of the Bishop or Bishops alleged to have held and taught publicly or
privately, and advisedly, such Doctrine, and a concise statement of the facts
upon which the request for the statement of disassociation is based.
Contemporaneously with the filing of the request, there shall be filed with the
Presiding Bishop a proposed statement of disassociation and a brief in support
thereof. The Presiding Bishop shall thereupon serve a copy of the request for a
statement of disassociation upon each Bishop who is the subject thereof,
together with the proposed statement of disassociation and a copy of the
supporting brief. The Presiding Bishop shall fix a date for the filing of a
response and brief in support thereof, which date shall be not less than ninety
days from the date of service, and may extend the time for responding for not
more than sixty additional days. Upon the filing of a response and supporting
brief, if any, or upon the expiration of the time fixed for a response, if none be
filed, the Presiding Bishop shall forthwith transmit copies of the request for a
statement of disassociation, proposed statement of disassociation, response,
and briefs to each member of the House of Bishops. The request for a
statement of disassociation shall be considered by the House of Bishops at its
first regularly scheduled meeting held at least one month after copies of the
request for a statement of disassociation, proposed statement of disassociation,
response, and briefs are transmitted to each member of the House of Bishops.
The House of Bishops may amend the proposed statement of disassociation.
If a statement of disassociation is not issued by the conclusion of the meeting,
there shall be no further proceedings under this Title against any Bishop who
is the subject thereof for holding and teaching the Doctrine alleged in the
request for a statement of disassociation.

(b) Not later than ninety days following the issuance of a statement of
disassociation by the House of Bishops as provided in Canon IV.17.7(a), any
ten Bishops Diocesan may file with the Presiding Bishop a written request,
signed by such Bishops, that the House of Bishops initiate proceedings under
this Title against any Bishop who is the subject of such statement of
disassociation for violation of Canon IV.4.1(h)(2) with regard to the same
Doctrine as was alleged in the request for the statement of disassociation. Such
request for initiation of proceedings under this Title shall include an
explanation why the issuance of the statement of disassociation was not a
sufficient response to the matters alleged in the request for statement of
disassociation and shall be accompanied by a brief in support of the request
for initiation of proceedings. The Presiding Bishop shall fix a date for the filing
of a response, which shall include an explanation why the issuance of the
statement of disassociation was a sufficient response to the matters alleged in
the request for statement of disassociation, and brief in support thereof, which date shall be not less than ninety days from the date of service, and may extend the time for responding for not more than sixty additional days. Upon the filing of a response and supporting brief, if any, or upon the expiration of the time fixed for a response, if none be filed, the Presiding Bishop shall forthwith transmit copies of the request for initiation of proceedings under this Title, response, and briefs to each member of the House of Bishops. No proceeding under this Title for violation of Canon IV.4.1(h)(2) shall be initiated unless the written consent of one-third of the Bishops qualified to vote in the House of Bishops shall be received by the Presiding Bishop within sixty days of the date on which the copies of the request for initiation of proceedings under this Title, response, and briefs were sent to them. In case the Presiding Bishop does not receive the written consent of one-third of all the Bishops eligible to vote within sixty days of such date, the Presiding Bishop shall declare the matter dismissed and no further proceedings may be had thereon. If the Presiding Bishop receives the necessary written consents within sixty days as specified above, the Presiding Bishop shall forthwith notify the President of the Disciplinary Board for Bishops. The President shall promptly select from the Disciplinary Board for Bishops, by lot or by other random means, a Hearing Panel consisting of nine Bishops and shall designate a president of the Hearing Panel. The President of the Disciplinary Board for Bishops shall promptly forward to the president of the Hearing Panel and to the National Church Attorney copies of the request for initiation of proceedings under this Title, response, and briefs, and the matter shall proceed under this Title as a matter which has been referred to a Hearing Panel.

Sec. 8. The Court of Review for Bishops is hereby established as a court of the Church to have jurisdiction to hear appeals from Hearing Panels of the Disciplinary Board for Bishops.

(a) The Court of Review for Bishops shall consist of nine members, all of whom shall be Bishops. Three Bishops shall be elected by the House of Bishops at any regularly scheduled meeting of the House of Bishops, to serve until the adjournment of the third succeeding regular meeting of General Convention and until their successors are elected and qualify; however, there shall be no change in the composition of the Court with respect to a particular Respondent following any hearing in the matter and while it is pending unresolved before the Court.

(b) From among their number, the members of the Court of Review for Bishops shall elect a president.

(c) The reasonable and necessary expenses of the Court of Review for Bishops, including fees, costs, disbursements and expenses of the members, clerks, reporters and Church Attorneys shall be charged upon the General Convention and paid by the Treasurer of the General Convention upon Order of the president of the Court of Review. The Court of Review for Bishops shall have the authority to contract for and bind the General Convention to payment of these expenses.

Sec. 9. An Accord between the Presiding Bishop and a Bishop resulting from an agreement for discipline pursuant to Canon IV.9 shall be (a) subject to the right of
withdrawal provided in Canon IV.9.3 and (b) submitted by the Presiding Bishop to the Disciplinary Board for Bishops for approval promptly after it is signed by the Presiding Bishop and the respondent. Unless withdrawn under IV.9.3, it shall be effective upon approval of the Disciplinary Board for Bishops and not subject to appeal.

CANON 18: Of Modification and Remission of Orders

Sec. 1. Any Member of the Clergy who is the subject of an Order which has become effective may apply to the Bishop Diocesan of the Diocese from which the Order issued, or the Presiding Bishop in the case of a Bishop, for modification or remission of the Order. If the Bishop is satisfied that sufficient reasons exist for granting the modification or remission sought, in whole or in part, the procedures provided in this Canon for modification or remission shall apply.

Sec. 2. In the case of an Order pertaining to a Priest or Deacon, any provision of any Order other than a provision recommending deposition of the Priest or Deacon may be modified or remitted by the Bishop Diocesan of the Diocese from which the Order issued with the advice and consent of two-thirds of the members of the Disciplinary Board.

Sec. 3. In the case of a deposition of a Priest or Deacon pursuant to an Order, such deposition may be remitted and terminated by the Bishop Diocesan of the Diocese from which the Order issued only upon the following conditions: (a) the remission shall be done with the advice and consent of two-thirds of the members of the Disciplinary Board of the Diocese from which the Order issued; (b) the proposed remission, with the reasons therefore, shall be submitted to the judgment of five of the Bishops Diocesan whose Dioceses are nearest to the Diocese from which the Order issued, and the Bishop Diocesan shall receive in writing from at least four of those Bishops their approval of the remission and their consent thereto; (c) if the person deposed maintains legal residence or canonical residence in a Diocese other than the Diocese from which the Order issued, the proposed remission, with the reasons therefore, shall be submitted to the judgment of the Bishop(s) Diocesan of the Diocese(s) of legal and canonical residence and such Bishop(s) shall give his or her (or their) written approval of the remission and consent thereto; and (d) before such remission, the Bishop Diocesan shall require the person deposed, who desires to be restored to the ordained ministry, to subscribe to the declaration required in Article VIII of the Constitution.

Sec. 4. In the case of an Order pertaining to a Bishop, any provision of the Order may be modified or remitted by the president of the Disciplinary Board for Bishops with the advice and consent of a majority of the members of the Board and the Bishops who are then serving on any Provincial Court of Review.

Sec. 5. In the case of any Order deposing a Member of the Clergy for abandoning the Church, no application for remission shall be received by the Bishop Diocesan until the deposed person has lived in lay communion with the Church for not less than one year next preceding application for the remission.

Sec. 6. No Order may be modified or remitted unless the Member of the Clergy, the Church Attorney and each Complainant have been afforded sufficient opportunity to be heard by the Disciplinary Board, or the Disciplinary Board together with the Bishops who are then serving on any Provincial Court of review,
as the case may be, as to why the proposed modification or remission should or should not be permitted.

CANON 19: OF GENERAL PROVISIONS

Sec. 1. Proceedings under this Title are neither civil nor criminal but ecclesiastical in nature. These proceedings represent the responsibility of the Church to determine who shall serve as Members of the Clergy of the Church, reflecting the polity and order of this hierarchical church. Members of the Clergy have voluntarily sought and accepted positions in the Church and have thereby given their consent to subject themselves to the Discipline of the Church. They may not claim in proceedings under this Title constitutional guarantees otherwise associated with secular court proceedings.

Sec. 2. No member of the Church, whether lay or ordained, may seek to have the Constitution and Canons of the Church interpreted by a secular court, or resort to a secular court to address a dispute arising under the Constitution and Canons, or for any purpose of delay, hindrance, review or otherwise affecting any proceeding under this Title.

Sec. 3. No secular court shall have authority to review, annul, reverse, restrain or otherwise delay any proceeding under this Title. No action shall be brought in any secular court to enforce the terms or provisions of any Accord or Order unless otherwise expressly provided therein.

Sec. 4. (a) A Member of the Clergy shall not be subject to proceedings under this Title for acts committed more than ten years before the initiation of proceedings except:

(1) if a Member of the Clergy is convicted in a criminal Court of Record or a judgment in a civil Court of Record in a cause involving immorality, proceedings may be initiated at any time within three years after the conviction or judgment becomes final;
(2) if an alleged Injured Person was under the age of twenty-one years at the time of the alleged acts, proceedings may be initiated at any time prior to the alleged Injured Person’s attaining the age of twenty-five years; or
(3) if an alleged Injured Person is otherwise under disability at the time of the alleged acts, or if the acts alleged were not discovered, or the effects thereof were not realized, during the ten years immediately following the date of the acts alleged, the time within which proceedings may be initiated shall be extended to two years after the disability ceases or the alleged Injured Person discovers or realizes the effects of the acts alleged; provided, however, the time within which proceedings may be initiated shall not be extended beyond fifteen years from the date the acts are alleged to have been committed.

(b) The time limits of Subsection (a) above shall not apply with respect to persons whose acts include physical violence, sexual abuse or sexual exploitation, if the acts occurred when the alleged Injured Person was under the age of twenty-one years; in any such case, proceedings under this Title may be initiated at any time.
(c) Except as provided in Subsection (b) above, the time limitations for initiation of proceedings in this Section shall be retroactive only to January 1, 1996.

(d) No proceedings under this Title shall be initiated for acts which are alleged to violate Canon IV.3.1(a) or to constitute a breach of Canon IV.4.1(b), (e), (e) or (h)(2) unless the acts were committed within or continued up to two years immediately preceding the time the proceedings are initiated.

(e) For purposes of this Section 4, proceedings are initiated under this Title with respect to a particular Offense when specific allegations of the commission of that Offense are made to the Intake Officer.

Sec. 5. Jurisdiction and venue for proceedings under this Title shall be as follows:

(a) A Member of the clergy shall be subject to proceedings under this Title for the alleged commission of an Offense in the Diocese in which the Member of the Clergy is canonically resident or in any Diocese in which an Offense is alleged to have occurred.

(b) Whenever a referral of a matter is to be made by an Intake Officer regarding a Member of the Clergy who is not canonically resident in the Intake Officer’s Diocese, the Bishop Diocesan of the Intake Officer’s Diocese shall promptly notify the Bishop Diocesan of the Diocese where the Member of the Clergy is canonically resident that the Intake Officer’s Diocese intends to conduct proceedings under this Title regarding the matter. The Bishop Diocesan of the Diocese of canonical residence shall have thirty days following the receipt of such notice within which to object to assumption of jurisdiction over the matter by the Intake Officer’s Diocese. Such objection shall be made in writing to the Bishop Diocesan of the Intake Officer’s Diocese. If the Bishop Diocesan of the Diocese of canonical residence fails to so object within the time provided, it shall be deemed that the Bishop Diocesan of the Diocese of canonical residence has agreed to assumption of jurisdiction over the matter by the Intake Officer’s Diocese.

(c) If objection is made by the Bishop Diocesan of the Diocese of canonical residence as provided in Canon IV.19.5(b), the Bishop Diocesan of the Diocese of canonical residence and the Bishop Diocesan of the Intake Officer’s Diocese shall promptly agree as to which Diocese shall conduct the proceedings. If the two Bishops cannot promptly agree, the disagreement will be resolved as follows:

(1) If they are in the same Province, either may promptly request the president of the Provincial Court of Review to decide which Diocese shall conduct the proceedings. If they are in different Provinces, neither may promptly request the president of the Disciplinary Board for Bishops to decide which Diocese shall conduct the proceedings.

(2) The requesting Bishop shall provide a copy of the request to the other Bishop. A reply to the request may be made by the non-requesting Bishop within fifteen days of service of the request.

(3) The president shall have the discretion to hear from the Bishops Diocesan or the Church Attorneys for the respective Dioceses, either personally or telephonically, concerning the request and any reply. The
president shall have the discretion to request additional submissions from the Bishops Diocesan or the Church Attorneys.

(4) The president shall decide which Diocese shall conduct the proceedings within thirty days of service of the request.

Sec. 6. In any proceeding under this Title in which the Respondent fails to appear before the Conference Panel as required by Canon IV.12.4 or to timely file with the Hearing Panel the written response required by Canon IV.13.2(c), such Panel may proceed in the absence of the Respondent and may accept as true the matters described in the notice issued to the Respondent pursuant to Canons IV.12.3 or IV.13.2.

Sec. 7. Unless otherwise expressly provided in writing in the restriction on ministry or Sentence of suspension, a Member of the Clergy under a restriction on Ministry or Sentence of suspension shall not exercise any authority of his or her office over the real or personal property or temporal affairs of the Church except such matters as may not be exercised by a person other than the holder of the office, and may exercise authority in those matters only with the advice and consent of the Vestry or Bishops Committee, in the case of congregational property or affairs, or the Standing Committee, in the case of Diocesan property or affairs. The Sentence of suspension of a Rector shall terminate the pastoral relation between the Rector and the Vestry or Congregation unless (i) the Vestry by two-thirds vote requests of the Ecclesiastical Authority within thirty days that the relation continue and (ii) the Ecclesiastical Authority approves such request. If the pastoral relation has not been terminated, religious services and sacramental ministrations shall be provided for that Parish as though a vacancy exists in the office of the Rector. This Section shall not prohibit the application of Canon III.9.13-21.

Sec. 8. In computing any period of time for proceedings described in this Title, the day of the act or event from which the designated time period begins to run shall not be included. The last day of the time period shall be included, unless it is a Saturday, Sunday or legal holiday in that jurisdiction, in which event the period runs until the end of the next day which is not a Saturday, Sunday or legal holiday in that jurisdiction. Whenever a party has the right or is required to do an act within a prescribed period after the service of notice or other paper, if the service is by mail, five days shall be added to the prescribed period. Whenever it is provided in this Title that an act be done promptly or without delay, such act shall be done as quickly as is reasonably possible under the circumstances.

Sec. 9. In all cases in this Title where an action is performed or power exercised by a canonical body consisting of several members, including Reference Panels, Conference Panels, Hearing Panels and Courts of Review, and the full membership has been notified to convene, a majority of the members of the body shall be a quorum; and a majority of the members present when a quorum exists shall be competent to act.

Sec. 10. Each Diocese shall make provision for Advisors to be available to Respondents and Complainants as provided in this Canon for the purposes of support, assistance, consultation and advice regarding the process provided in this Title and the rights, responsibilities, consequences and alternatives pertaining thereto.
(a) The Bishop Diocesan shall make an Advisor available to the Respondent not later than the earliest of (1) reference for conciliation, to the Conference Panel or to the Hearing Panel, (2) the imposition of restriction on ministry or placement on Administrative Leave or (3) any interrogation or request for a statement or other information from the Respondent.

(b) The Bishop Diocesan shall make an Advisor available to the Complainant not later than the earliest of (1) the forwarding of the intake report to the Reference Panel, (2) the Complainant’s appeal of a dismissal under Canon IV.6.5 or (3) the Bishop’s designation of an Injured Person as a Complainant.

(c) The following shall be disqualified from serving as an Advisor: the Bishop Diocesan, the Church Attorney, any member of the Disciplinary Board, the Intake Officer, any Investigator, any person who is likely to be a witness in any pertinent proceeding and the Chancellor or any Vice-chancellor of the Diocese.

(d) No Respondent or Complainant shall be required to accept the services of any Advisor made available by the Bishop Diocesan. Any Respondent or Complainant may use the services of any Advisor of his or her choice after designating that person as Advisor in writing to the Intake Officer.

(e) All communications between the Respondent and his or her Advisor or attorney and between the Complainant and his or her Advisor or attorney shall be privileged.

(f) The reasonable costs and expenses of providing Advisors made available by the Bishop Diocesan shall be the obligation of the Diocese in which the matter of Discipline is proceeding unless otherwise provided in an Accord or Order. The reasonable costs and expenses of providing Advisors chosen by the Respondent or Complainant and not made available by the Bishop Diocesan shall be the obligation of such Respondent or Complainant unless otherwise provided in an Accord or Order.

(g) In all proceedings under this Title at which the Respondent or the Complainant has the right to be present, their Advisors shall also have the right to be present.

Sec. 11. No person subject to the authority of the Church may attempt to coerce or improperly influence, directly or indirectly, the actions of any body performing functions under this Title, or any member of such body or any other person involved in such proceedings.

Sec. 12. In all proceedings under this Title whenever a Respondent or a Complainant is required or permitted to appear or to participate or to be heard or to be present, they each shall have the right to be accompanied by and to be represented by counsel of their choice. Whenever any notice or other document is provided to or served upon a Respondent or a Complainant under this Title, such shall also simultaneously be provided to or served upon their respective counsel, if Respondent or Complainant, as the case may be, has notified the Bishop of the identity and contact information for such counsel. Nothing in this Title shall be construed as requiring any Respondent to be represented by counsel. Anything in this Title required or permitted to be done by the Respondent’s counsel may be done by the Respondent personally.
Sec. 13. Proceedings under this Title, other than pastoral responses, shall be barred to the extent that the specific Offense has been the subject of any prior proceeding under this Title against the same Member of the Clergy which resulted in an Order or Accord. Additionally, in the case of a Member of the Clergy who has been the subject of proceedings under any predecessor to this Title, proceedings under this Title, other than pastoral responses, shall be barred to the extent that the specific Offense was previously included in a presentment against the Member of the Clergy or was expressly set forth in the Member of the Clergy’s waiver and voluntary submission to discipline upon which a Sentence was been pronounced or in the report of a conciliator.

Sec. 14. Impartiality of officials and bodies described in this Title shall be addressed as follows:

(a) Any Bishop Diocesan exercising authority under this Title shall disqualify herself or himself in any proceeding in which the Bishop’s impartiality may reasonably be questioned. The Bishop shall also disqualify himself or herself when the Bishop, the Bishop’s spouse, or a person within the third degree of relationship to either of them, or the spouse of such person, (4) is the Respondent, Complainant or an Injured Person, or (2) is likely to be a witness in the proceeding.

(b) Any member of any Panel provided for in this Title shall disqualify himself or herself in any proceeding in which the member’s impartiality may reasonably be questioned. The member shall also disqualify himself or herself when the member, the member’s spouse, any person within the third degree of relationship to either of them, or the spouse of such person, (1) is the Respondent, Complainant or an Injured Person, (2) is likely to be a witness in the proceeding, (3) has a personal bias or prejudice concerning the Respondent, Complainant or any Injured Person, (4) has personal knowledge of disputed evidentiary facts concerning the proceeding, (5) has a personal financial interest in the outcome of the proceeding or in the Respondent, Complainant, any Injured Person or any other interest that could be substantially affected by the outcome or (6) is a member of the same congregation or otherwise has a close personal or professional relationship with the Respondent, the Complainant, any Injured Person or any witness in the matter.

(c) Any member of any Panel provided for in this Title who has not disqualified himself or herself as provided in this section may be subject to challenge by the Church Attorney or the Respondent on grounds described in this section. The Complainant or the Complainant’s Advisor may inform the Church Attorney of any such grounds. The challenge shall be investigated by the remaining members of the Panel who shall determine whether the challenged member of the Panel should be disqualified and replaced according to the procedures of this Title for filling vacancies.

(d) No Bishop Diocesan or Panel shall accept from the Church Attorney or from the Respondent any waiver of any ground for disqualification enumerated in this section unless preceded by full disclosure of the basis for the disqualification, on the record.
Sec. 15. In addition to any challenge permitted under Canon IV.19.14, the integrity of the Disciplinary Board shall be preserved by a system of challenge as to the membership of any Panel of the Board appointed for a proceeding. Each Diocese shall provide by Canon for a system of challenge. If the Canons of the Diocese make no provision for challenging a member of the Board, any member of a Panel appointed for a proceeding may be challenged by the Church Attorney or the Respondent on grounds of conflict of interest or undue bias. The remaining members of the Board shall determine whether the challenge is relevant and factually supported and shall determine whether the challenged member shall be excused from that proceeding. If the member is excused, another member of the Board shall be appointed to the Panel to fill the vacancy created by the challenge, maintaining the appropriate balance of lay and ordained members.

Sec. 16. There shall be a presumption that the Respondent did not commit the Offense. The standard of proof required for a Hearing Panel to find an Offense by a Respondent shall be that of a preponderance of the clear and convincing evidence.

Sec. 17. In all matters under this Title, it shall be the burden of the Church through the Church Attorney to establish an Offense by any Respondent.

Sec. 18. Except as otherwise provided in this Title, or except for good cause shown as determined by the Hearing Panel, it shall be the duty of all members of the Church to appear and testify or respond when duly served with a notice to do so from any Panel in any matter arising under this Title.

Sec. 19. No Chancellor or Vice-Chancellor of a Diocese shall serve as Church Attorney in that Diocese. No Chancellor or Vice-Chancellor of any Province shall serve as Church Attorney in any Diocese of that Province or any provincial proceeding. Neither the Presiding Bishop’s Chancellor nor the Chancellor to the President of the House of Deputies shall serve as Church Attorney in any proceeding. The Church Attorney in any proceeding shall not be from the same law firm as any Chancellor or Vice-Chancellor otherwise disqualified under this section.

Sec. 20. Notices or other papers to be served according to procedures of this Title shall be deemed to have been duly served if a copy is delivered to the person to be served, is left with an adult resident of the abode of the person to be served or is mailed by certified mail to the person’s usual place of abode. Notice by publication shall be made in a newspaper of general circulation in the jurisdiction of the person’s usual place of abode. Acceptance of service renders unnecessary any further process.

Sec. 21. A reference in this Title to a Bishop Diocesan shall include a Bishop Coadjutor if specific jurisdiction for matters contemplated by this Title has been assigned to the Bishop Coadjutor pursuant to Canon III.11.10(a)(2), and a Bishop Suffragan or Assistant Bishop if specific responsibilities for matters contemplated by this Title have been expressly assigned to the Bishop Suffragan or Assistant Bishop by the Bishop Diocesan.

Sec. 22. A Hearing Panel or Court of Review may in its discretion obtain legal counsel to give it opinions on any questions of law, procedure or evidence. Such legal counsel, if any, shall have no vote in any proceeding before the Hearing Panel or Court of Review.
Sec. 23. Except as expressly provided in this Title, applicable Diocesan Canon, or in any Accord or Order, all costs, expenses and fees, if any, shall be the obligation of the party, person or entity incurring them.

(a) The necessary costs, expenses and fees of the Investigator, the Church Attorney, the Conference Panel, the Hearing Panel and any pastoral response shall be the expense of the Diocese.

(b) The necessary costs and expenses of the Provincial Court of Review shall be the expense of the Province.

(c) The necessary costs and expenses of the Disciplinary Board for Bishops and the Court of Review for Bishops shall be the expense of the General Convention.

(d) Nothing in this Title precludes the voluntary payment of a Respondent’s costs, expenses and fees by any other party or person, including a Diocese.

Sec. 24. If the Presiding Bishop is unavailable to act by virtue of absence, disability or other disqualification, actions to be performed by the Presiding Bishop in this Title shall be performed by that Bishop who would be the Presiding Officer of the House of Bishops as provided by Article I, Section 3, of the Constitution in the event of the resignation, infirmity, disability or death of the Presiding Bishop.

Sec. 25. If there is neither a Bishop Diocesan nor a Bishop Coadjutor nor a Bishop Suffragan charged with nor an Assistant Bishop expressly assigned the administration of clergy discipline in a Diocese and not under a restriction on ministry or Sentence of suspension, the Diocese shall, by agreement pursuant to Canon III.13.2, arrange for a Bishop to perform the duties of the Bishop Diocesan under this Title before commencing or continuing with any proceedings under this Title.

Sec. 26. Wherever in this Title it is provided that any communication, deliberation, investigation or proceeding shall be confidential, no person having knowledge or possession of confidential information derived from any such communication, deliberation, investigation or proceeding shall disclose the same except as provided in this Title, in any Accord or Order, or as required by any applicable law.

Sec. 27. Privileged Communication shall not be disclosed, nor shall any negative inference be drawn respecting the claim of the privilege, unless the privilege is waived by the person to whom the privilege belongs. Waiver of a privilege may occur by (a) voluntary disclosure; (b) failure to timely object to use of a Privileged Communication; or (c) placing the Privileged Communication at issue. Notwithstanding any provision of this section to the contrary, no waiver by a penitent of the privilege which attaches to communications or disclosures made within the Rite of Reconciliation of a Penitent shall work to require any confessor to divulge anything pertaining to any such communications or disclosures, the secrecy of the confession being morally absolute as provided in the Book of Common Prayer.

Sec. 28. Original Text of Resolution:

(D037)

Resolved, the House of Bishops concurring, That the Department of Communications undertake a comprehensive survey to determine the most appropriate means of reaching Episcopalians. Such survey would include existing readers of Episcopal Life to determine the effectiveness and reach of The Episcopal Church’s monthly newspaper and whether alternative schedules or media would better serve current readers’ needs. Readers surveyed would include clergy and laity, individual subscribers and those receive Episcopal Life in conjunction with their dioceses’ newspapers. The survey would also include Episcopalians who formerly or have never subscribed to Episcopal Life; and be it further

Resolved, That the survey should include: respondent demographics; which elements Episcopal Life readers or former readers find or found most and least useful in that publication; from which other sources respondents obtain news of The Episcopal Church; whether respondents have access to the Internet; whether respondents utilize social networking technologies; whether respondents now do obtain news via Episcopal Life Online or other digital Episcopal Church communications vehicles; whether respondents anticipate doing so if Episcopal Life switched to a quarterly magazine or
ceased to publish; whether respondents would subscribe to a quarterly magazine; and be it further

**Resolved,** That a report incorporating the results of this survey be distributed to the Church by April 1, 2010; which report would also include information on the number of households receiving Episcopal Life through printing partnerships as well as the number of individual subscribers—how many diocesan printing partners would distribute a quarterly magazine; and a complete statement of income and expense sources for the years 2007 through 2009; and be it further

**Resolved,** That current Episcopal Life staffing, frequency of publication, printing partner structure and news format continue until completion of the study, whose results will be used to determine the need for changes in any of these areas; and be it further

**Resolved,** That the Episcopal Life Board of Governors be informed of the survey data and consulted in finalizing the report and determining any changes to be made based on that report.

JOINT SESSION FOR THE PRESENTATION BY THE JOINT STANDING COMMITTEE ON PROGRAM, BUDGET AND FINANCE

The President welcomed the House of Bishops and yielded the Chair to the Presiding Bishop. The Presiding Bishop called the Joint Session to order at 2:36 p.m.

The Presiding Bishop opened the session with prayer. She addressed the Joint Session and encouraged those present to “reflect on the abundance that we do know across the church even as we look at a budget that reflects the scarcity of the moment across the church.” She noted that the proposed budget would facilitate the increased development of networks to source our mission work, and reflected our ability to move into the 21st century. She added that death was reflected in this budget – death to programs and the end of some staff positions at the Church Center. She concluded, “This church, however, lives in the eternal hope of resurrection. We believe through faith that this Church will emerge more able to respond to mission.”

The Presiding Bishop introduced the officers of the Committee, Deputy Adams-McCaslin of Arkansas, Chair; the Bishop of Connecticut, Vice-Chair; and Deputy McAlpen of California, Secretary, who presented their report. The Presiding Bishop opened the floor for questions.

Original Text of Resolution:

(D039)

Resolved, the House of Bishops concurring, That the 76th General Convention of The Episcopal Church urge the Congress of the United States to pass, and the President to sign it into law, labor law reform legislation designed to better protect employees seeking to engage in collective bargaining, to simplify and streamline the procedures by which employees may choose to organize, and to assist employers and employees in reaching agreement. Said legislation should contain the following elements:

1. Provide workers the choice of seeking union recognition either through an election, or through a majority sign-up on cards which are then verified by the National Labor Relations Board.

2. Adopt more effective remedies for violations of employees’ rights, comparable to the remedies for discrimination provided by existing civil rights laws.

3. Where the employers and unions are unable to reach agreement on their first collective bargaining agreement within a reasonable period of time, resolve the dispute by submitting it to mediation and neutral, binding arbitration; and be it further

Resolved, That church members and the Office of Government Relations communicate the position of The Episcopal Church on this issue to the President and Members of Congress, and advocate passage of federal legislation consistent with this resolution.

Resolved, That all congregations and dioceses are urged to observe January 11, Human Trafficking Awareness Day, in their liturgical, congregational and diocesan lives, and to make use of the following litany:

FOR AN END TO THE EVILS OF TRAFFICKING

Almighty God, Judge of the nations and Protector of the helpless, we come before you today to ask for vision and courage and strength as we witness in your Name against the evils of trafficking.

We pray first for the victims of trafficking, especially women and children, whose lot is slavery and whose future is despair. As you rescued Susanna from a cruel fate at the hands of the elders, so rescue the enslaved in our day and restore their rightful dignity as your beloved creation.

Leader: “Lo! the hosts of evil round us scorn thy Christ, assail his ways!

People: “Grant us wisdom, grant us courage for the living of these days.”

We pray for those who traffic in human lives that they may know at first hand the wrath of God and, knowing it, may fear God and turn from their wickedness and live. As you touched and transformed the heart of John Newton with your amazing grace, so break through the barriers of greed and indifference and let their evil be turned to good.

Leader: “’Twas grace that taught my heart to fear, and grace my fears relieved;

People: “How precious did that grace appear the hour I first believed!”

We pray for the exploiters whose relentless demand for forced labor and commercial sex spells doom for the innocent in many lands. As you brought judgment on Babylon, the great city, so let your righteous will frustrate all who take part in this unholy trade.

Leader: “Fallen, fallen is the great city; for its sins are heaped as high as heaven.

People: “God has remembered its iniquities; for mighty is the Lord who judges.”

We pray for our governments which, having made a start, are left with much yet to do for the voiceless and wretched of the earth. As you moved Abraham Lincoln to act on behalf of the enslaved, so move our leaders to respond with conscience and compassion in this moment of testing.

Leader: “Shame our wanton, selfish gladness, rich in things and poor in soul.

People: “Grant us wisdom, grant us courage, lest we miss thy kingdom’s goal.”

We pray for the religious leaders in all our communities that they may bear a bold and faithful witness to discomfort and challenge those who rest easy in the face of evil. As you moved the prophets of old and raised up Sojourner Truth to bear her witness, so
call forth prophets at the heart of our nation’s life that the impossible may be done in your strength and the undreamed of become real.

Leader: “God of grace and God of glory, on thy people pour thy power.
People: “Grant us wisdom, grant us courage, for the facing of this hour.”

We pray finally for ourselves and for all people of compassion and goodwill that we may respect the dignity of every human being, loving our neighbors as ourselves. As you have brought us out of error into truth and out of sin into righteousness, so by the witness of many bring the victims of trafficking out of death into life and rid the great city which is our world from these evils at work among us.

Leader: “Save us from weak resignation to the evils we deplore.
People: “Grant us wisdom, grant us courage, serving thee whom we adore.” Amen.

National and International Concerns
The House of Deputies Committee on National and International Concerns presented its Report #26 on Resolution D035 (Repudiate the Doctrine of Discovery) and moved adoption of a substitute.

Original Text of Resolution:
(D035)
Resolved, the House of Bishops concurring, That the 76th General Convention declare the Christian Doctrine of Discover - the dogma that Christian sovereigns and their representative explorers could assert dominion and title over non-Christian lands with the full blessing and sanction of the Church - as evil and opposed to our understanding of the inherent rights all humans and peoples enjoy derived from God, and that this declaration be shared with all nation states located within The Episcopal Church’s boundaries along with the United Nations; and be it further
Resolved, That this body direct the appropriate representatives of the House of Bishops and House of Deputies to write to Queen Elizabeth II, the Supreme Governor of the Church of England, requesting that her Majesty disavow, and repudiate publicly, the claimed validity of the Christian Doctrine of Discovery; this doctrine is found in the Royal Charter (Letters Patent) that Queen Elizabeth II’s predecessor, King Henry VII, issued to John Cabot and his sons in 1496 and subsequently reaffirmed by the charters of Henry Gilbert in 1583 and Walter Raleigh in 1584 and the Virginia Company charters of 1606 and 1609. These led to the colonizing dispossession of indigenous peoples from
their lands in North America and to the dehumanization and subjugation of non-Christian peoples (which the monarchy termed “heathens” and “infidels”); and be it further

Resolved, That each diocese within The Episcopal Church be encouraged to reflect upon its, The Episcopal Church’s, and the Anglican Communion’s injustices committed against Indigenous People and encourage all Episcopalians within The Episcopal Church to seek a greater understanding of the Indigenous Peoples within geo-political boundaries claimed by the United States and other nation states located within The Episcopal Church’s boundaries, and to support those peoples in their ongoing efforts for their inherent sovereignty and fundamental human rights as peoples to be respected.

Committee Substitute:

Resolved, the House of Bishops concurring, That the 76th General Convention repudiates and renounces the Doctrine of Discovery as fundamentally opposed to the Gospel of Jesus Christ and our understanding of the inherent rights that individuals and peoples have received from God, and that this declaration be proclaimed among our churches and shared with the United Nations and all the nations and peoples located within The Episcopal Church’s boundaries. This doctrine, which originated with Henry VII in 1496, held that Christian sovereigns and their representative explorers could assert dominion and title over non-Christian lands with the full blessing and sanction of the Church. It continues to be invoked, in only slightly modified form, in court cases and in the many destructive policies of governments and other institutions of the modern nation-state that lead to the colonizing dispossession of the lands of indigenous peoples and the disruption of their way of life; and be it further

Resolved, That The Episcopal Church review its policies and programs with a view to exposing the historical reality and impact of the Doctrine of Discovery and eliminating its presence in its contemporary policies, program and structures and, further, that this body directs the appropriate representatives of the House of Bishops and House of Deputies, to inform all relevant governmental bodies in The United States of its action and suggest similar and equivalent review of historical and contemporary policies that contribute to the continuing colonization of Indigenous Peoples and, further, to write to Queen Elizabeth II, the Supreme Governor of the Church of England, requesting that her Majesty disavow, and repudiate publicly, the claimed validity of the Christian Doctrine of Discovery; and be it further

Resolved, That each diocese within The Episcopal Church be encouraged to reflect upon its own history, in light of these actions and encourage all Episcopalians to seek a greater understanding of the Indigenous Peoples within the geo-political boundaries claimed by the United States and other nation states located within The Episcopal Church’s boundaries, and to support those peoples in their ongoing efforts for their inherent sovereignty and fundamental human rights as peoples to be respected; and be it further
Resolved, That the 76th General Convention direct the Office of Government Relations to advocate for the U.S. government's endorsement of the “United Nations Declaration on the Rights of Indigenous Peoples,” which the United States has refused to endorse (only the U.S., Canada, New Zealand and Australia have failed to sign on).

The House of Deputies Committee on Canons presented its Report #15 on Resolution A123 (Amend Canon 1.15.10: Discipline Process Clarification) and moved to refer the resolution to the Standing Commission on Constitution and Canons.

Original Text of Resolution:
(A123)
Resolved, the House of Bishops concurring, That Canon I.15.10 is hereby amended to read as follows:

Sec. 10. In case a Member of the Clergy officiating in charge of a Congregation in a foreign land shall be accused of any offense under the Canons of this Church, it shall be the duty of the Bishop in charge of such the Congregations in that land, or if there be none, the Presiding Bishop, to fulfill the role of the Bishop under Title IV. The Bishop so acting shall summon the Council of Advice, or the Standing Committee of the Bishop’s diocese, as the case may be, and cause an inquiry to be instituted as to the truth of such accusation; and should there be reasonable grounds for believing the same to be true, the said Bishop and the Council of Advice shall appoint a Commission, consisting of three Clergy and two Lay Persons, whose duty it shall be to meet in the place where the accused resides, and to obtain all the evidence in the case from the parties interested, which shall perform the functions of a Diocesan Review Committee as provided in Title IV. The Bishop, Council of Advice or Standing Committee and Ecclesiastical Trial Court shall give to the accused all rights under the Canons of this Church which can be exercised in a foreign land. The judgment of the said Commission, solemnly made, shall then be sent to the Bishop in charge, and to the Presiding Bishop, and, if approved by them, shall be carried into effect; Provided, that no such Commission shall recommend any other discipline than admonition or removal of the Member of the Clergy from charge of said Congregation. Should the result of the inquiry of the aforesaid Commission reveal evidence tending, in their judgment, to show that said Member of the Clergy deserves a more severe discipline, all the documents in the case shall be placed in the hands of the Presiding Bishop, who may proceed against the Member of the Clergy, as far as possible, according to the Canons of the General Convention. The judgment of the Ecclesiastical Trial Court may be appealed by the Respondent to the Court of
Review of the Province of which the Bishop in Charge is a member of the Provincial House of Bishops, or in the case of the Presiding Bishop, the Province most convenient to the Respondent.

Final Text of Resolution:
(A074)

Resolved, That the 76th General Convention of The Episcopal Church adopt the following statement as a foundation upon which it engages in interreligious dialogue; and be it further

Resolved, That this statement be commended to dioceses and congregations and shared with our ecumenical and interreligious partners.

I. Introduction

1. We affirm the foundational Gospel proclamation that “Jesus is Lord” (1 Corinthians 12:3 NRSV here and hereafter), and therefore Jesus’ Summary of God’s Law: “love the Lord your God with all your hearts, with all your souls, and with all your minds, and to love your neighbor as yourself” (Mark 12:29-31; BCP, Catechism, page 851). For this reason we reach out in love and genuine openness to know and to understand those of other religions.

Therefore, we commend to all our members: dialogue for building relationships, the sharing of information, religious education and celebration with people of other religions as part of Christian life,

1. dialogue begins when people meet each other
2. dialogue depends upon mutual understanding, mutual respect and mutual trust
3. dialogue makes it possible to share in service to the community
4. dialogue is a medium of authentic witness by all parties and not an opportunity for proselytizing.

We believe that such dialogue may be a contribution toward helping people of different religions grow in mutual understanding and making common cause in peacemaking, social justice and religious liberty. We further encourage dioceses, congregations and other organizations of The Episcopal Church to initiate such dialogue in partnership with other Christian Churches and in consultation with other provinces of the Communion, where appropriate.

2. As we engage other religious traditions, our work must be grounded in thoughtful exploration of and reflection on the appropriate ways to profess Christianity in the context of other religious traditions. This document is an initial reflection on why we are participating in multi-religious relationships. It explores the contexts for doing so and seeks to discern the unique contribution of The Episcopal Church to such relationships. As Christians we celebrate and affirm our witness to the gospel of Jesus Christ. “He is the image of the invisible God, the firstborn of all creation” (Colossians 1:15). We rejoice in our call to spread the good news of God’s love and reconciliation through engaging in life-enhancing relationships with all of God’s people.

II. Historical Context

3. The Episcopal Church and the Anglican Communion have had a long interest and involvement in interreligious matters, which have historically been...
addressed in the context of mission. Prominent Episcopalians were involved in the first World Parliament of Religions in 1893. The Episcopal Church and Anglican Communion were well represented at the 1910 Edinburgh Missionary Conference, which was called to discuss cooperation in the global mission field and gave birth to the modern ecumenical movement. In the decades that followed, the Anglican Communion and The Episcopal Church were influenced by the important theologies of mission developed by John V. Taylor (Bishop of Winchester and General Secretary of the Church Mission Society) and Lesslie Newbigin (a minister of the Church of Scotland and later a Bishop in the Church of South India). In The Episcopal Church, engagement with Native American culture has resulted in the establishment of significant missionary presence in certain areas.

4. The groundbreaking 1965 document from Vatican Council II, Nostra Aetate (In Our Time), helped to inaugurate a new era of dialogue between Christians and those of other religions. In the Anglican Communion, the 1988 Lambeth Conference issued a major report commending dialogue with people of other faiths as part of Christian discipleship and mission. It also produced the first Anglican Communion document on dialogue with Abrahamic traditions, “Jews, Christians and Muslims: The Way of Dialogue.” This document was recommended for study; and the Provinces were asked to initiate talks wherever possible on a tripartite basis with both Jews and Muslims. Other important resources we have used here include “Generous Love: the Truth of the Gospel and the Call to Dialogue,” issued in 2008 by the Network for Interfaith Concerns (NIFCON) of the Anglican Communion; the Archbishop of Canterbury’s 2007 reply to “A Common Word,” an overture from Muslim scholars for dialogue with Christians; and “Relations with Other World Religions,” Section F of the 2008 Lambeth Conference Indaba Reflections.

5. The Episcopal Church’s primary participation in interreligious dialogue has taken several forms:

- Ecumenical efforts with other Christians, through the Interfaith Relations Commission of the National Council of Churches of Christ. The 1999 Assembly of the National Council of Churches unanimously approved a policy statement giving a theological rationale for participating in interreligious dialogue.

- International efforts through the Anglican Communion Office, including the Network for Interfaith Concerns.

- Particular initiatives taken by the Presiding Bishop as primate and chief pastor of the church.

- Task force initiatives, first the Presiding Bishop’s Advisory Committee on Interfaith Relations (through 1997) and then the Standing Commission on Ecumenical Relations (from 1997-2003).

- Diocesan, congregational and individual efforts in peace making and interreligious dialogue.
6. In addition, in response to the terrorist attacks of September 11, 2001, Episcopal Relief and Development funded the Interfaith Education Initiative, a three-year program in conjunction with the Office of Ecumenical and Interfaith Relations that surveyed the interfaith work of The Episcopal Church and developed educational resources for interreligious dialogue. This project culminated in a conference held at Washington National Cathedral in 2004, and in the publication of the “IEI Manual on Interfaith Dialogue.”

7. In 2003, the General Convention officially located oversight of the church’s interreligious work with the Standing Commission on Ecumenical Relations, which was renamed the Standing Commission on Ecumenical and Interreligious Relations (SCEIR).

III. Current Context
8. As the Indaba Reflections from Lambeth note, “The contexts within which the Church ministers around the world vary widely and the potential for interfaith dialogue will vary accordingly” (¶ 93). The following paragraphs are an attempt to note some of the ways in which our context informs our approach to interreligious relations.

9. Today the picture of the world we have to carry is of the earth seen from space. Borders and boundaries are fluid, easily fractured and unstable. The peoples of the earth will either survive together or perish together. Paradoxically our entire world is, at the same time, housed inside the flat screens of computers that provide immediate access to almost anyone or anything at anytime, anywhere on the planet. Crises and conflicts that were once local matters and seemed to be none of our concern are now global. Social strife, political upheaval and violence—predominantly fueled by greed and/or religious fanaticism—are not distant from us.

10. In the United States, the naive image of the world as a safe and stable place was shattered on September 11, 2001. Those killed in the attacks on the World Trade Center in New York came from many lands, prayed in many languages, called God by many names. They are a true microcosm of the shifting reality of who lives in the United States today, citizens and foreign nationals alike. For the first time in decades, people in the United States experienced what other people in other lands have experienced for generations: fear, grief and loss following from an assault on their homeland, the devastation of their people and the shattering of a sense of well being. While grief and loss are certainly appropriate, fear is the opposite of truth, and fear has led some people of all religions to collude with, participate in and justify political acts of violence and oppression which dishonor all concepts of the Sacred.

11. As Episcopalians, we recognize that our neighbors come from a variety of different beliefs and backgrounds, and we are unfamiliar with many of if not most of them. Christians continue to struggle to find common ground and mutual respect with Jews and Muslims who are fellow children of Abraham.
Whether we intend to or not, we impact and are impacted in return—powerfully and profoundly—by each other's lives, cultures and beliefs. For each of us, the neighbor often seems to be the Other rather than the one whom Christ calls us to receive as a gift and to love as we would be loved ourselves.

12. In contemporary local and global contexts, The Episcopal Church faces crucial opportunities and challenges for developing new creative relationships with people of other religious heritages. Throughout the world, people of different religions can be seen searching for compatible if not common ways toward justice, peace and sustainable life. Our theological and ecclesial heritage offers significant resources for participating in this global quest.

IV. Scripture, Reason and Tradition as Resources in Interreligious Dialogue
13. As part of the Anglican Communion, The Episcopal Church seeks to be a community living in obedience to the Word of God revealed through Scripture, and to identify the contemporary message of that Word through bringing the insights of tradition and reason, to theological reflection on interreligious relations.

Scripture and Reason
14. We understand the Holy Scriptures to be inspired by the Holy Spirit of God and at the same time the work of human authors, editors and compilers. “All scripture is inspired by God and is useful for teaching, for reproof, for correction and for training in righteousness” (2 Timothy 3:16). The Scriptures “contain all things necessary for salvation” (BCP, 513). In the Scriptures we discover the nature of God, by their witness to Jesus Christ, in their record of his teaching and through their proclamation of the Good News of God’s Reign for all people. We believe the Holy Spirit continues to guide us in our growing understanding of the Scriptures, which are always to be interpreted in the widest possible context of God’s redeeming love for all people. Throughout our history, Episcopalians have wrestled with varying interpretations of the Scriptures. Such differences are to be expected and appreciated as a direct consequence of our dynamic relationship with the Word of God and our experience of faith over time.

15. Christianity’s Holy Scriptures reveal to us both the invitation and the direction to engage with people of other religions. In Genesis 1:26 we meet the loving God who created all people and all nations, and the awesome majesty of creation bids us humbly acknowledge that the fullness of God’s intention is beyond the scope of our limited understanding; God’s gracious love is not confined to the Christian community alone. Because of our faith in the incarnation of God in Jesus Christ, we expect to meet God in our neighbor, whom God commands us to love as we love ourselves (Mark 12:29-31).

16. The sixteenth-century Anglican theologian Richard Hooker helped form our tradition of Scriptural interpretation. In his major work, Of the Laws of Ecclesiastical Polity, Hooker argued that the Holy Spirit requires the church to use Reason to interpret scripture. For Hooker, the Scriptures reveal to us
essential truths about God and ourselves that we cannot learn by any other means. In other matters of human life, God expects us to use our minds in order to reason together and thus discover, through conversation, debate and argument, the right way forward. This requires respect for the opinions of other people of good will.

17. This Biblically-based respect for the diversity of understandings that authentic, truth-seeking human beings have is essential for communal reasoning and faithful living. The revelation of God in Christ calls us therefore to participate in our relationship with God and one another in a manner that is at once faithful, loving, lively and reasonable. This understanding continues to call Episcopalians to find our way as one body through various conflicts. It is not a unity of opinion or a sameness of vision that holds us together. Rather, it is the belief that we are called to walk together in Jesus’ path of reconciliation not only through our love for the other, but also through our respect for the legitimacy of the reasoning of the other. Respect for reason empowers us to meet God’s unfolding world as active participants in the building of the Kingdom and to greet God’s diverse people with appropriate welcome and gracious hospitality.

18. Tradition is also an important aspect of Anglican theological understanding. As Anglicans we have always understood ourselves to be in continuity with the Catholic faith reaching back to the ancient, patristic church; we therefore hold the church’s tradition in high regard. Anglicans have used tradition to inform our common reasoning as the church responds to new challenges and developments, using accumulated wisdom to show how similar challenges have been met in the past. For example, the English Reformers allowed tradition to shape the reformation of the Christianity they had received. Similarly, the founders of The Episcopal Church also placed great emphasis in tradition by continuing important beliefs and practices of the Church of England, such as its liturgy and ministry, and adapting them to the new context of the American republic, as in the American revival of the ancient practice of electing bishops. Tradition informed and shaped how Anglicans in these contexts responded to new situations.

19. Historically The Episcopal Church encountered religious pluralism and engaged in interreligious relations in the context of the foreign mission field. In many cases this work was the product of dedicated missionaries called to spread the Gospel in faithfulness to the Great Commission. We are also aware that in many cases this work went hand in hand with American expansionism in a combination of mission and empire. We need no better example than the ship sent to the newly-conquered Philippines that carried William Howard Taft as appointed governor and Charles Henry Brent as missionary bishop. We are shaped by these traditions: we are inspired by the energy, engagement and faithfulness to the Gospel exhibited in the Anglican missionary engagement. Yet we recognize the need to be aware of the socio-religious implications of mission.
20. In turn, we hope that these examples from our history will help to shape future interreligious relationships. We pray for the same energy, engagement and faithfulness to the Gospel that the Anglican missionary traditions display. We hope that these traditions will in turn shape our future relationships as missional ones of dialogue and companionship. “Companions in Transformation,” the official Global Mission vision statement adopted at the 2003 General Convention, emphasizes the importance of dialogue and companionship in engagement with other religious traditions. We believe the theological principles articulated there are also part of creating new traditions in interreligious relations, informed in classic Anglican fashion by our past.

21. We believe that interreligious work will carry forth God’s intention for God’s creation. It will provide us the opportunity to reflect the love of God we know through our redemption through the Incarnation of Christ; and it will provide us with the opportunity to build faithful communities that live out the majesty of God’s will for the earth with more depth and in more forms than we currently experience within the limitations of our own rich religious community. And we believe that Episcopalians find our best resources in our historic understandings of Scripture, reason and tradition to engage in this work of transformation.

V. Salvation in Christ and Interreligious Relations

22. The most sensitive aspects of interreligious relations concerns any religion’s claims to unique or exclusive authority or revelation, including Christian traditions and teachings such as the incarnation, cross and the resurrection of Jesus Christ. Christians affirm that God “has created all men and women in his image, and he wishes all to enjoy that fullness of life in his presence which we know as salvation” (Generous Love, Section 1). We also recognize that our efforts toward this goal are futile without the assistance of God in Christ through the power of the Holy Spirit. We are dependent on the grace of God—God’s unconditional, undeserved love for those God has made. The source of salvation is God alone. Christians believe salvation comes through Jesus Christ, the Son of God.

23. As Christians “we are saved by grace through faith, and this is not our own doing, but the gift of God, not the result of works so that no one may boast. For we are what God has made us, created in Christ Jesus for good works, which God has prepared beforehand to be our way of life” (Ephesians 2: 8-10). In various ways, language of salvation refers to a form of deliverance from sin and the finiteness of this life as we experience it, with all its hardships and joys. Our hope of salvation expresses our expectation that we shall share in the life of God, and do so not only after death, but now.

24. The Christian scriptures proclaim that Jesus is “the Word made flesh” (John 1:14) and as such he is “the Way and the Truth and the Life” (John 14:6). As stated in our creeds (Apostles’ and Nicene) and liturgy, Jesus Christ is the full revelation of God. Since God has chosen to share our life, we affirm that God is intensely concerned about every human life. Among Christians, Episcopalians
have a particular appreciation of this teaching, in that we believe that the coming of God in Christ has already begun to transform all of creation.

25. The human response to God’s incarnate love was “to crucify the Lord of Glory” (1 Corinthians 2:8). The cross is the Christian symbol and act of self-emptying, humility, redemptive suffering, sacrificial self-giving and unvanquished love. We believe that we have been reconciled to God through the cross.

26. In the resurrection we believe “Christ is risen from the dead, trampling down death by death and giving life to those in the tomb” (BCP, p. 483). By our baptism into Christ’s death and resurrection we enjoy new life as members of the Body of Christ, called therefore to become ourselves ambassadors of reconciliation (Romans 6:4; 2 Corinthians 5:14-20).

27. Professing salvation in Christ is not a matter of competing with other religious traditions with the imperative of converting one another. Each tradition brings its own understanding of the goal of human life to the interreligious conversation. Christians bring their particular profession of confidence in God’s intentions as they are seen in and through the incarnation, death and resurrection of Jesus Christ. As the bishops at Lambeth 2008 noted, “The purpose of dialogue is not compromise, but growth in trust and understanding of each other's faith and traditions. Effective and meaningful dialogue will only take place where there is gentleness, honesty and integrity. In all of this, we affirm that Christianity needs to be lived and presented as ‘a way of life,’ rather than a static set of beliefs (<b>¶</b> 89).”

28. Claiming Jesus as the Way, therefore, requires us to “respect the dignity of every human being” (BCP, p. 305). This grounds our expectation that we shall discover new insights and develop new relationships through interreligious dialogue. In mutual encounters and shared ascetic, devotional, ethical and prophetic witness, we dare to hope that God will reveal new and enriching glimpses of a reconciled humanity.

VI. Mission and Evangelism
29. Another sensitive and important aspect of interreligious relations concerns how we as Christians are called to offer life abundant (John 10:10) and to “make disciples of all nations” (Matthew 28:16-20). Christianity (including Anglicanism) is an actively evangelical religion. As we consider mission and evangelism in a pluralistic, globalized world, we are mindful of our particular cultural contexts. We are aware that The Episcopal Church is an international church, with congregations in over sixteen different nations. We are also part of the larger Anglican Communion. We should always be mindful of how encounters with people of other religions in the United States may have differences as well as similarities with encounters in different contexts outside the U.S. We seek to be informed by the experience and reflection of our sisters and brothers living among men and women of many religious traditions in many
nations. We stand in solidarity with each other, each seeking in our own circumstances to be faithful to the Gospel.

30. We have spoken in this statement of the need to love one's neighbor. We see that love taking a variety of forms. Commitment to justice and mutual respect is the paramount consideration for some, for whom the practice of Christian love is the most powerful witness to the truth of the Gospel. Others, while not denying the witness of faithful lives, believe that love demands the verbal proclamation of the Gospel and an open invitation to all people to be reconciled to God in Christ. Still others understand evangelization as our participation in God’s transformation of human society. The love of God that Jesus expressed in presence, compassion, healing and justice: this we are called to live in mission. The reconciliation that God offers a sinful and broken world in Jesus’ death and resurrection: this is the hope we offer the world in mission. As we seek to respond to God's call to love our neighbor, we all must seek to avoid ways of interaction which do violence to the integrity of human persons and communities.

31. We look for a way forward in the theology of companionship, as articulated in Companions in Transformation. This statement, produced by the Standing Commission on World Mission, reflects important developments in The Episcopal Church’s understanding of how we participate in global mission; it is currently in a process of reception and review by the Church. Companions in Transformation outlines different ways in which Episcopalians are called to engage in mission and witness, and we believe these ways are also important in the service of interreligious dialogue. Companions states that a church participating in God's mission may not be able to solve the anguish, violence and injustice suffered by companion churches. Even so, simply being present in the place of fear, loss and isolation expresses the love of Christ. We seek to be in companionship with our interreligious partners as we present ourselves in a variety of ways:

- **Witness:** “You are witnesses of these things,” said Jesus to his disciples (Luke 24:48). Witness in word means sharing the story of what God has done with us in light of the story of what God has done in Christ Jesus. Such witness is a natural and inevitable fruit of life in Christ, and it is the heart of evangelism as a mission imperative. Sharing the story with those who have never heard it is a crucial gift. Sharing our story with others must be part of a dialogue in which we listen to the stories others share with us, whether from places of little faith or from other religious paths. The religious diversity of the 21st century, like that of the early centuries of Christianity, calls us to hold together the multiple tasks of listening, learning, and bearing witness to Christ.

- **Pilgrim:** Pilgrims grow in their knowledge of God, learning as much as they share, receiving as much as they give. The humility of this orientation and the eagerness to learn from companions nurtures deep and lasting relationships. The pilgrim motif opens the door to true mutuality, where, as the 1966 Anglican Congress said about partnership,
“all are givers and all are receivers.”

- **Servant:** Servanthood means that we listen to the stated needs of our companions and look for signs of God’s work in them. It means that we seek to meet Christ in all situations. For Episcopalians, authentic servanthood is a crucial counter to the assumptions we develop on the basis of our extraordinary access to the power of information, technology and money. Servanthood is a key mark for our church as a whole, though it is sometimes perceived as a domineering church in a superpower nation.

- **Prophet:** In companionship we often find our views of political, racial and economic relationships in the world challenged and transformed. Episcopalians in the 21st century are called to prophesy both to our own church and to the world church that the Body of Christ may be a mustard seed of God’s Jubilee in the world, working justice for the whole human family from all faiths.

- **Ambassador:** In addition to witnessing in word and deed as ambassadors of Christ, in companionship with interfaith partners we are ambassadors of our own church. As Episcopalians in dialogue, we must be aware always that companions are experiencing the vision, faithfulness and integrity of The Episcopal Church through our conversation, conduct and life. The role of ambassador also entails a commitment to represent fairly the life of The Episcopal Church. We should not be hesitant in being Episcopal Christians, just as our interreligious partners are not hesitant in being faithful Muslims, Jews, Buddhists, Hindus, Jains, Sikhs, Bahai or other faiths, as we are in dialogue with each other.

- **Host:** “Let a little water be brought, and wash your feet,” said Abraham to the three strangers who appeared at Mamre (Genesis 18:4). “Let it be to me according to your word,” said Mary to the angel Gabriel (Luke 1:38). God is not forcible but invites a response of hospitality. As we engage in interreligious dialogue, hospitality must be central in our response. Hospitality means that we listen to what our companions say, offer them opportunities to experience the breadth of our church and care for one another. We are likewise called to be generous and hospitable with those whom God brings to us, always respecting the practices and customs of our partners.

- **Sacrament:** As the body of Christ, the church is a sacrament of Christ, an outward and visible sign of Christ’s inward and spiritual grace. We are called to be signs of God's mission to reconcile all people with one another and with God in Christ. The people and communities we meet are likewise sacramental signs of God’s global presence. This sacramental emphasis helps us to retain an incarnational focus on people, relationships and community, where God truly lives and where the most lasting impacts are made.

32. We are called and committed to be in companionship and partnership in interreligious dialogue in these different ways. We believe that religions must
stand together in solidarity with all who are suffering and witness to the dignity of every human being. In these ways, presence in mission becomes a courageous mode of peace-making in a violent world. With ecumenical and interreligious groups, initiatives to encourage contact and dialogue and to advocate for religious freedom are imperative for reconciliation amid today’s heightened tensions among religions. God is calling us to join hands with all, and to speak out when religious freedom is curtailed and when the social, environmental, economic or political welfare of communities is damaged. We believe that authentic Christian witness and evangelism that serve God’s mission are compatible with authentic interreligious dialogue.

33. At the outset of this statement, we recalled that one hundred and twenty years ago in the Chicago Quadrilateral, The Episcopal Church formulated a definition of what it considered essential to engage in ecumenical relations. Today Christianity lives and serves in a global setting in which all of God’s human creation is challenged to find common ground for our mutual flourishing. Interreligious relations are vital to this. In seeking to articulate for this century the principles to be considered for authentic interreligious relations and dialogue, we offer three gifts from The Episcopal Church and the Anglican way:

- Our comprehensive way of thinking by which we balance Scripture, reason and tradition in relationship building;
- Our belief system that centers on the incarnation of God in Christ, and on the Crucified One who leads us to self-emptying, forgiveness and reconciliation; and
- Our practice of focusing mission in terms of service, companionship and partnership between people as demonstrative of God’s embrace of human life.

34. These gifts are especially suited for our time. The late Martin Luther King, Jr., celebrated in *Lesser Feasts and Fasts*, foresaw a time when as one all human beings of every religion would have to learn to choose “a non-violent coexistence” over a “violent co-annihilation,” and to seek community over chaos. Interreligious relations are no longer about competing religions but about mutual demonstrations of Love Incarnate. We close this statement encouraged by Dr. King’s word: “Love is the key that unlocks the door which leads to ultimate reality. This Hindu-Muslim-Christian-Jewish-Buddhist belief about human reality is beautifully summed up in the first Epistle of St. John: ‘Let us love one another; for love is of God; and everyone that loves is born of God and knows God. The one who loves not does not know God, for God is love. If we love one another God dwells in us, and God’s love is perfected in us.’”

Program, Budget and Finance
The Joint Standing Committee on Program, Budget and Finance presented its Report #2 on Resolution D067 (Mission and Missionary Budget of The Episcopal Church) and moved adoption.

Original Text of Resolution:
(D067)
Resolved, the House of Bishops concurring, That the Budget for The Episcopal Church for the next triennium be adopted as set forth:

1.0 The Budget for The Episcopal Church for the period January 1, 2010 through December 31, 2012, which shall be a unified budget including Canonical, Corporate and Program (mission) portions, is adopted at a total of $141,271,984.00.

1.1 The Canonical portion, providing for the contingent expenses of the General Convention, the stipend of the Presiding Bishop and the expenses of that office, the expenses of the President of the House of Deputies and Church Pension Fund assessments is adopted at a total of $23,224,447.00 as follows:
   For the year 2010 $  6,984,630.00
   For the year 2011 $  7,110,068.00
   For the year 2012 $  9,129,748.00

1.2 The Corporate portion, providing for the requirements for the administrative support of the Domestic and Foreign Missionary Society offices, is adopted at a total of $30,824,297.00 as follows:
   For the year 2010 $ 10,360,457.00
   For the year 2011 $ 10,129,112.00
   For the year 2012 $ 10,334,729.00

1.3 The Program (mission) portion, providing for support for the mission and ministry (restricted and unrestricted) of the Church, is adopted at a total of $86,807,787.00 as follows:
   For the year 2010 $ 28,787,593.00
   For the year 2011 $ 28,736,457.00
   For the year 2012 $ 29,283,736.00
2.0 The funding policy for the period January 1, 2010 through December 31, 2012 is adopted, based on a single asking of the dioceses. After a $120,000 exemption from total income, a single asking shall be applied at the rates of 21% for 2010, 20% for 2011 and 19% for 2012 of the balance of income to the diocese, reported in the diocesan financial statements for the year two years prior to the year to which the pledge is applied [e.g.: 2010 asking is to be based on 2008 actual income figures]. “Income” includes (1) all congregational giving to the diocese, (2) all unrestricted investment and endowment income to the diocese, (3) restricted investment and endowment income to the diocese which covers costs in the operating budget, and (4) other earnings from investments or enterprises. It is intended that income shall include revenues that fund normal operating and program expenses of the dioceses. It is not intended to include pass-through income that is used for expenses for programming that are simply administered by the dioceses, or that would not be otherwise funded by contributions from parishes or out of investment income.

2.1 We rejoice with dioceses that have moved toward, and those that give at and above 21%. Such giving creates a strong financial basis for vital mission and witness of The Episcopal Church. We encourage all our dioceses to adopt the full asking; then we could allocate an additional 6 million dollars each year toward fulfilling the mission priorities which we have embraced in the 76th General Convention.

2.2 For the budgetary period income from diocesan commitments, totaling $79,162,193.00 is anticipated as follows:
   - For the year 2010 $ 28,333,000.00
   - For the year 2011 $ 26,374,340.00
   - For the year 2012 $ 24,454,853.00

2.3 For the budgetary period 2010-2012, payment by the dioceses of the asking shall be made in twelve equal monthly payments.

2.4 All additional income, other than from the asking of the dioceses, totaling $62,109,791.00, is projected as follows:
   - For the year 2010 $ 20,952,373.00
   - For the year 2011 $ 20,467,048.00
   - For the year 2012 $ 20,691,370.00

2.5 A General Ordination fee is hereby authorized, which fees shall be added to the funding from dioceses and applied to the expenses of examination as appropriated in the budget. A candidate for Holy Orders eligible for examination and so certified by the diocesan bishop shall not be disqualified for examination because the fee has not been paid.

2.6 General Convention registration and exhibitors fees are hereby authorized, which fees shall be added to the funding from dioceses and applied to the expenses of the 2012 General Convention, and for no other purpose.

3.0 In the exercise of their respective authorities, the Executive Council of the General Convention and the Joint Standing Committee on Program, Budget and Finance shall be subject to the following policies:

3.1 Each year, the Executive Council, with the advice of the Joint Standing Committee on Program, Budget and Finance, shall adjust the budget to the
assured income of the Executive Council so as to carry out the Budget for The Episcopal Church for that year on a balanced budget basis.

3.2 The fiscal year shall begin January 1.

3.3 If, in any year, the total anticipated income for budget support is less than the amount required to support the budget approved by the General Convention, the Canonical portion of the Budget for The Episcopal Church shall have funding priority over all other budget areas.

3.4 Undesignated bequests and legacies received during the budgetary period shall be set aside in the general endowment fund of which only the income shall be used for the general purposes of the Society.

3.5 Designated bequests and legacies received during the budgetary period shall be set aside in specific funds of which only the income shall be used for the purposes so designated.

3.6.1 Each Committee, Commission, Agency and Board (CCAB) proposing to the General Convention any resolution with funding implications shall present to the Joint Standing Committee on Program, Budget and Finance a detailed budget in support of its plan(s), including cost estimates from contractors and suppliers for all goods and services, but not later than six months before the opening day of the General Convention.

3.6.2 Subsequent editions of the Report and Proposal of the Presiding Bishop and Executive Council to the General Convention contain the following information for each year of the preceding triennium:

- A description of the actual income and expenditures of the DFMS, relating the expenditures to the Church’s priorities with accompanying narrative
- Endowment balance and total investment return, with accompanying narrative
- Posting of this report on The Episcopal Church website when it is released to the Bishops and Deputies

Deputy Strimer of Olympia moved to amend the resolution.

**Proposed Amendment:**
Increase the $457,245 allocated for Episcopal Life in 2010 (Proposed Budget, p. 1, 1. 22) by $1,157,691 for a 2010 total amount of $1,614,936.

The President announced that time had expired for discussion on revenues.

A vote was taken on the amendment.

Resolved, the House of Bishops concurring, That the youth of the Church have seat, voice and vote as Deputies in the House of Deputies; and be it further
Resolved, That, to implement this, the following amendments to the Constitution be approved on first reading:
Amend Article I, Section 4 of the Constitution as follows:
Sec. 4. The Church in each Diocese which has been admitted to union with the General Convention, each area Mission established as provided by Article VI, and the Convocation of the American Churches in Europe, shall be entitled to representation in the House of Deputies by not more than four ordained persons, Presbyters or Deacons, canonically resident in the Diocese and not more than four Lay Persons, confirmed adult communicants of this Church, in good standing in the Diocese but not necessarily domiciled in the Diocese; but the General Convention by Canon may reduce the representation to not fewer than two Deputies in each order. Each Diocese, and the Convocation of the American
Churches in Europe, shall prescribe the manner in which its Deputies shall be chosen.

There shall also be entitled to representation in the House of Deputies the youth of the Church, who shall be represented by eighteen Lay Persons who shall be Deputies, two each of whom shall be confirmed communicants in good standing, but not necessarily domiciled, in a Diocese in each Province. Deputies representing the youth shall not be less than sixteen years of age, nor more than eighteen years of age, as of the first legislative day of the General Convention for which they are chosen. The Canons of the General Convention shall prescribe the manner in which the Deputies representing the youth shall be chosen.

To constitute a quorum for the transaction of business, the Clerical order shall be represented by at least one Deputy in each of a majority of the Dioceses entitled to representation, and the Lay order shall likewise be represented by at least one Deputy in each of a majority of the Dioceses entitled to representation.

Amend Article I, Section 5 of the Constitution as follows:

Sec. 5. The vote on all questions which come before the House of Deputies shall be governed by the following provisions, supplemented by such procedural provisions as the House of Deputies may adopt in its Rules of Order:

Unless a greater vote on any question is required by this Constitution or by the Canons in cases not specifically dealt with by this Constitution or unless a vote by orders on a question is required, the affirmative vote of a majority of all of the Deputies present and voting shall suffice to carry any question. A vote by orders on any question shall be taken if required for that question by this Constitution or by the Canons or if the Clerical or Lay representation from three or more separate Dioceses shall so request at the time of the call for the vote on that question. In all cases of a vote by orders, the vote of each order, Clerical and Lay, shall be counted separately, each order in each Diocese shall have one vote, and a vote in the affirmative by an order in a Diocese shall require the affirmative vote of a majority of the Deputies present in that order in that Diocese. In all cases of a vote by orders, the Deputies representing the youth shall have one vote in the Lay order, and a vote in the affirmative by the Deputies representing the youth shall require the affirmative vote of a majority of the Deputies representing the youth present. To carry in the affirmative any question being voted on by orders requires concurrence in the affirmative by both orders and, unless a greater vote is required by this Constitution or by the Canons in cases not specifically dealt with by this Constitution, concurrence in the affirmative by an order requires the affirmative vote in that order by a majority of the Dioceses (including, in the Lay order, the Deputies representing the youth) present in that order.

And be it further

Resolved, That the manner in which Youth Deputies shall be chosen be referred to the Standing Commission on Constitution and Canons to propose such amendments to the Canons and other appropriate procedures to implement the foregoing proposed amendments to the Constitution and report such proposals to the 77th General Convention.

Sec. 12. Reconciliation of Disagreements Affecting the Pastoral Relation
When the pastoral relationship in a parish between a Rector and the Vestry or Congregation is imperiled by disagreement or dissension, and the issues are deemed serious by a majority vote of the Vestry or the Rector, either party may petition the Ecclesiastical Authority, in writing, to intervene and assist the parties in their efforts to resolve the disagreement. The written petition shall include sufficient information to inform the Ecclesiastical Authority and the parties involved of the nature, causes and specifics of the disagreements or dissension imperiling the pastoral relationship. The Ecclesiastical Authority shall initiate such proceedings as are deemed appropriate under the circumstances for that purpose by the Ecclesiastical Authority, which may include the appointment of a consultant or licensed
mediator. The parties to the disagreement, following the recommendations of the Ecclesiastical Authority, shall labor in good faith that the parties may be reconciled. Whenever the Standing Committee is the Ecclesiastical Authority, it shall request the Bishop of a neighboring Diocese to perform the duties of the Ecclesiastical Authority under this Canon.

Sec. 13. Dissolution of the Pastoral Relation

A) Except upon mandatory resignation by reason of age, a Rector may not resign as Rector of a parish without the consent of its Vestry, nor may any Rector canonically or lawfully elected and in charge of a Parish be removed there from by the Vestry against the Rector’s will, except as hereinafter provided.

B) If for any urgent reason a Rector or majority of Vestry based on a vote in a duly-called meeting desires a dissolution of the pastoral relation, and the parties cannot agree, either party may give notice in writing to the Ecclesiastical Authority of the Diocese with a copy available to the Rector or Vestry. Such notice shall include sufficient information to inform the Ecclesiastical Authority and all parties involved of the nature, causes and specifics requiring the dissolution of the pastoral relationship. If the parties have participated in mediation or consultation processes under III.9.12, a separate report from the mediator or consultant will be submitted to the Ecclesiastical Authority with copies available to the Rector and Vestry. Whenever the Standing Committee is the Ecclesiastical Authority of the Diocese, it shall request the Bishop of another Diocese to perform the duties of the Bishop under this Canon.

C) Within sixty days of receipt of the written notice, the Bishop Diocesan or the Bishop exercising authority under this canon may initiate further mediation and reconciliation processes between Rector and Vestry in every way which the Bishop deems proper. The Bishop may appoint a committee of at least one Presbyter and one Lay Person, none of whom may be members of or related to the Parish involved, to interview the Rector and Vestry and report to the Bishop on the cooperation and responsiveness of the parties involved in the processes required by the Bishop. A copy of this report shall be available to the Vestry and Rector.

D) If the differences between the parties are not resolved after completion of mediation or other reconciliation efforts or actions prescribed by the Bishop, the Bishop shall proceed as follows:

(1) The Bishop shall give written notice to the Rector and Vestry that a godly judgment will be rendered in the matter after consultation with the Standing Committee and that either party has the right within ten days to request in writing an opportunity to confer with the Standing Committee before it consults with the Bishop. The Bishop’s written notification shall inform the Standing Committee and the parties involved of the nature, causes and specifics of the unresolved disagreements or dissension imperiling the pastoral relationship.
(2) If a timely request is made, the President of the Standing Committee shall set a date for the conference, which shall be held within thirty days.

(3) At the conference, each party shall be entitled to attend, be represented and present its position fully.

(4) Within thirty days after the conference or after the Bishop’s notice if no conference is requested, the Bishop shall confer with and receive the recommendation of the Standing Committee; thereafter the Bishop, as final arbiter and judge, shall render a written godly judgment.

(5) Upon the request of either party, the Bishop shall explain the reasons for the judgment. If the explanation is in writing, copies shall be delivered to both parties. Either party may request the explanation be in writing.

(6) If the pastoral relation is to be continued, the Bishop shall require the parties to agree on definitions of responsibility and accountability for the Rector and the Vestry.

(7) If the relation is to be dissolved:

(a) The Bishop shall direct the Secretary of the Convention to record the dissolution.

(b) The judgment shall include such terms and conditions including financial settlements as shall seem to the Bishop just and compassionate.

(8) In either event, the Bishop shall offer appropriate supportive services to the Priest and the Parish.

E) In the event of the failure or refusal of either party to comply with the terms of the judgment, the Bishop may impose such penalties as may be set forth in the Constitution and Canons of the Diocese; and in default of any provisions for such penalties therein, the Bishop may act as follows:

(1) In the case of a Rector, suspend the Rector from the exercise of the priestly office until the Priest shall comply with the judgment.

(2) In the case of a Vestry, invoke any available sanctions including recommending to the Convention of the Diocese that the Parish be placed under the supervision of the Bishop as a Mission until it has complied with the judgment.

F) For cause, the Bishop may extend the time periods specified in this Canon, provided that all be done to expedite these proceedings. All parties shall be notified in writing of the length of any extension.

G) (1) Statements made during the course of proceedings under this Canon are not discoverable nor admissible in any proceedings under Title IV provided that this does not require the exclusion of evidence in any proceeding under the Canons which is otherwise discoverable and admissible.

(2) In the course of proceedings under this Canon, if a charge is made by the Vestry against the Rector that could give rise to a
disciplinary proceeding under Title IV, all proceedings under this Canon with respect to such charge shall be suspended until the charge has been resolved or withdrawn. 

HJ Sections 12 or 13 of this Canon shall not apply in any Diocese whose Canons are otherwise consistent with Canon III.9.

Message to the Archbishop of Canterbury and the Members of the Primates’ Standing Committee

We, the Bishops of the Episcopal Church, meeting in Camp Allen, Navasota, Texas, March 16-21, 2007, have considered the requests directed to us by the Primates of the Anglican Communion in The Communiqué dated February 19, 2007.

Although we are unable to accept the proposed Pastoral Scheme, we declare our passionate desire to remain in full constituent membership in both the Anglican Communion and the Episcopal Church.

We believe that there is an urgent need for us to meet face to face with the Archbishop of Canterbury and members of the Primate’s Standing Committee, and we hereby request and urge, that such a meeting be negotiated by the Presiding Bishop of the Episcopal Church and the Archbishop of Canterbury at the earliest possible opportunity.

We invite the Archbishop and members of the Primate's Standing Committee to join us at our expense for three days of prayer and conversation regarding these important matters.
We, the Bishops of the Episcopal Church, meeting at Camp Allen, Navasota, Texas, for our regular Spring Meeting, March 16-21, 2007, have received The Communiqué of February 19, 2007, from the Primates of the Anglican Communion meeting at Dar es Salaam, Tanzania. We have met together for prayer, reflection, conversation, and listening during these days and have had The Communiqué much on our minds and hearts, just as we know many in our Church and in other parts of the world have had us on their minds and hearts as we have taken counsel together. We are grateful for the prayers that have surrounded us.

We affirm once again the deep longing of our hearts for The Episcopal Church to continue as a part of the Anglican Communion. We have gone so far as to articulate our self-understanding and unceasing desire for relationships with other Anglicans by memorializing the principle in the Preamble of our Constitution. What is important to us is that the Episcopal Church is a constituent member of a family of Churches, all of whom share a common mother in the Church of England. That membership gives us the great privilege and unique opportunity of sharing in the family’s work of alleviating human suffering in all parts of the world. For those of us who are members of the Episcopal Church, we are aware as never before that our Anglican Communion partners are vital to our very integrity as Christians and our wholeness. The witness of their faith, their generosity, their bravery, and their devotion teach us essential elements of gospel-based living that contribute to our conversion.

We would therefore meet any decision to exclude us from gatherings of all Anglican Churches with great sorrow, but our commitment to our membership in the Anglican Communion as a way to participate in the alleviation of suffering and restoration of God’s creation would remain constant. We have no intention of choosing to withdraw from our commitments, our relationships, or our own recognition of our full communion with the See of Canterbury or any of the other constituent members of the Anglican Communion. Indeed, we will seek to live fully into, and deepen, our relationships with our brothers and sisters in the Communion through companion relationships, the networks of Anglican women, the Anglican Indigenous Network, the Francophone Network, our support for the Anglican Diocese of Cuba, our existing covenant commitments with other provinces and dioceses, including Liberia, Mexico, Central America, Brazil, and the Philippines, our work as the Episcopal Church in many countries around the world, especially in the Caribbean, Latin America, Europe, and Taiwan, and countless informal relationships for mission around the world.

Since our General Convention of 2003, we have responded in good faith to the requests we have received from our Anglican partners. We accepted the invitation of the Lambeth Commission to send individuals characteristic of the theological breadth of our Church to meet with it. We happily did so. Our Executive Council voluntarily

acceded to the request of the Primates for our delegates not to attend the 2005 meeting of the Anglican Consultative Council in Nottingham. We took our place as listeners rather than participants as an expression of our love and respect for the sensibilities of our brothers and sisters in the Communion even when we believed we had been misunderstood. We accepted the invitation of the Primates to explain ourselves in a presentation to the same meeting of the Anglican Consultative Council. We did so with joy.

At the meeting of our House of Bishops at Camp Allen, Texas in March, 2004, we adopted a proposal called Delegated Episcopal Pastoral Oversight as a means for meeting the pastoral needs of those within our Church who disagreed with actions of The General Convention. Our plan received a favorable response in the Windsor Report. It was not accepted by the Primates. At our meeting in March 2005, we adopted a Covenant Statement as an interim response to The Windsor Report in an attempt to assure the rest of the Communion that we were taking them seriously and, at some significant cost, refused to consecrate any additional bishops whatsoever in order that we could be true to our own convictions without running the risk of consecrating some that would offend our brothers and sisters. Our response was not accepted by the Primates. Our General Convention in 2006 struggled mightily and at great cost to many, not the least of whom are our gay and lesbian members, to respond favorably to the requests made of us in The Windsor Report and The Primates’ Dromantine Communiqué of 2005. We received a favorable response from the Joint Standing Committee of the Anglican Consultative Council and the Primates, which found that our effort had substantially met the concerns of The Windsor Report with the need to clarify our position on the blessing of same sex relationships. Still, our efforts were not accepted by the Primates in The Dar es Salaam Communiqué.

Other Anglican bishops, indeed including some Primates, have violated our provincial boundaries and caused great suffering and contributed immeasurably to our difficulties in solving our problems and in attempting to communicate for ourselves with our Anglican brothers and sisters. We have been repeatedly assured that boundary violations are inappropriate under the most ancient authorities and should cease. The Lambeth Conferences of 1988 and 1998 did so. The Windsor Report did so. The Dromantine Communiqué did so. None of these assurances has been heeded. The Dar es Salaam Communiqué affirms the principle that boundary violations are impermissible, but then sets conditions for ending those violations, conditions that are simply impossible for us to meet without calling a special meeting of our General Convention.

It is incumbent upon us as disciples to do our best to follow Jesus in the increasing experience of the leading of the Holy Spirit. We fully understand that others in the Communion believe the same, but we do not believe that Jesus leads us to break our relationships. We proclaim the Gospel of what God has done and is doing in Christ, of the dignity of every human being, and of justice, compassion, and peace. We proclaim the Gospel that in Christ there is no Jew or Greek, no male or female, no slave or free. We proclaim the Gospel that in Christ all God’s children, including women, are full and equal participants in the life of Christ’s Church. We proclaim the Gospel that in Christ
all God’s children, including gay and lesbian persons, are full and equal participants in the life of Christ’s Church. We proclaim the Gospel that stands against any violence, including violence done to women and children as well as those who are persecuted because of their differences, often in the name of God. The Dar es Salaam Communiqué is distressingly silent on this subject. And, contrary to the way the Anglican Communion Network and the American Anglican Council have represented us, we proclaim a Gospel that welcomes diversity of thought and encourages free and open theological debate as a way of seeking God’s truth. If that means that others reject us and communion with us, as some have already done, we must with great regret and sorrow accept their decision.

With great hope that we will continue to be welcome in the councils of the family of Churches we know as the Anglican Communion, we believe that to participate in the Primates’ Pastoral scheme would be injurious to the Episcopal Church for many reasons.

First, it violates our church law in that it would call for a delegation of primatial authority not permissible under our Canons and a compromise of our autonomy as a Church not permissible under our Constitution.

Second, it fundamentally changes the character of the Windsor process and the covenant design process in which we thought all the Anglican Churches were participating together.

Third, it violates our founding principles as the Episcopal Church following our own liberation from colonialism and the beginning of a life independent of the Church of England.

Fourth, it is a very serious departure from our English Reformation heritage. It abandons the generous orthodoxy of our Prayer Book tradition. It sacrifices the emancipation of the laity for the exclusive leadership of high-ranking Bishops. And, for the first time since our separation from the papacy in the 16th century, it replaces the local governance of the Church by its own people with the decisions of a distant and unaccountable group of prelates.

Most important of all it is spiritually unsound. The pastoral scheme encourages one of the worst tendencies of our Western culture, which is to break relationships when we find them difficult instead of doing the hard work necessary to repair them and be instruments of reconciliation. The real cultural phenomenon that threatens the spiritual life of our people, including marriage and family life, is the ease with which we choose to break our relationships and the vows that established them rather than seek the transformative power of the Gospel in them. We cannot accept what would be injurious to this Church and could well lead to its permanent division.

At the same time, we understand that the present situation requires intentional care for those within our Church who find themselves in conscientious disagreement with the actions of our General Convention. We pledge ourselves to continue to work with
them toward a workable arrangement. In truth, the number of those who seek to divide our Church is small, and our Church is marked by encouraging signs of life and hope. The fact that we have among ourselves, and indeed encourage, a diversity of opinion on issues of sexuality should in no way be misunderstood to mean that we are divided, except among a very few, in our love for the Episcopal Church, the integrity of its identity, and the continuance of its life and ministry.

In anticipation of the traditional renewal of ordination vows in Holy Week we solemnly declare that “we do believe the Holy Scriptures of the Old and New Testaments to be the Word of God, and to contain all things necessary to salvation; and we do solemnly engage to conform to the doctrine, discipline, and worship of the Episcopal Church.” (Book of Common Prayer, page 513)

With this affirmation both of our identity as a Church and our affection and commitment to the Anglican Communion, we find new hope that we can turn our attention to the essence of Christ’s own mission in the world, to bring good news to the poor, to proclaim release to the captives and recovery of sight to the blind, to liberate the oppressed, and to proclaim the year of The Lord’s favor (Luke 4:18-19). It is to that mission that we now determinedly turn.

A Message to God's People

As we prepare for Easter and the joyous celebration of the resurrection of our Lord Jesus Christ, we send you greetings from Navasota, Texas where we gathered for the Spring Meeting of the House of Bishops. We represent fifteen sovereign nations, the fifty United States of America, the District of Columbia, Puerto Rico, the Virgin Islands, and Micronesia bearing witness to the Gospel of Our Lord and the wonders of Christ's redeeming work in the world. We were reminded of the health and vitality of our Church as our new Presiding Bishop recounted her travels. We have experienced a sense of identity, clarity, and purpose in fulfilling our vocation as bishops. We were blessed by the presence of the Primate and the House of Bishops of the Iglesia Anglicana de Mexico. Together we discovered a growing unity as we seek the mind of Christ. Our meeting was marked by a spirit of thanksgiving and respect, lived in a rich rhythm of worship, work, study, and rest.

That spirit moved us deeper into our focus on mission for Christ. In that context we discussed the Millennium Development Goals (MDGs), the Primates' Communiqué, the draft Anglican Communion Covenant, as well as a number of other mission opportunities.

The central theme of the address by the Rev. Dr. Ian Douglas of the Episcopal Divinity School was that "the mission of the Church is to participate in the mission of God". This observation set the tone for our study and discussion of the MDGs. We gave special attention to the challenge of environmental sustainability, the theme of a presentation by Dr. John Pine of Louisiana State University who addressed the environmental implications of global climate change.

We heard from the Rev. Dr. Ephraim Radner and the Rev. Dr. Katherine Grieb, members of the Covenant Drafting Committee, each of whom brought a distinct perspective regarding the proposed Covenant. Their presentations, which are available on line, will inform further conversations as the drafting process continues prior to the Lambeth Conference of 2008.

Mission concerns received attention in a variety of workshops and presentations, including: the rebuilding of the Gulf Coast, Darkness into Day campaign, TEAM (Toward Effective Anglican Mission), TEAC (Theological Education within Anglican Communion), Bishops Working for a Just Society, issues facing returning military personnel from Iraq and Afghanistan and their families, as well as immigration and border issues viewed from both the United States and Mexican perspectives. The fourth anniversary of the war in Iraq was marked by a prayer vigil for peace. Then, in both formal and informal ways, members of the House expressed their strong desire to keep God's mission at the center of the life of the Church.
We also heard a well-documented report by the House of Bishops' Task Force on Property Disputes on the history and strategy of groups, including some in the Network of Anglican Communion Dioceses and Parishes (NACDAP) and others, to remove congregations and church property from the Episcopal Church. This report will be made available at a later date. We commend it, once publicly available, to diocesan Standing Committees.

We had an extended and thoughtful discussion of the Communiqué from the Primates Meeting in Dar es Salaam, which represents the beginning of a longer process of response that will continue through the coming months.

It is our strong desire to remain within the fellowship of the Anglican Communion. The Primates' Communiqué, however, raises significant concerns. First among these is what is arguably an unprecedented shift of power toward the Primates, represented, in part, by the proposed "Pastoral Scheme." This proposed plan calls for the appointment of a Primatial Vicar and Pastoral Council for The Episcopal Church whose membership would consist of "up to five members; two nominated by the Primates, two by the Presiding Bishop, and a Primate of a Province of the Anglican Communion nominated by the Archbishop of Canterbury to chair the Council." We believe this proposal contravenes the Constitution and Canons of the Episcopal Church. Moreover, because it is proposed that this scheme take immediate effect, we were compelled, at this March meeting, to request that the Executive Council of the Episcopal Church decline to participate in this aspect of the Communiqué's requests. Nonetheless, we pledge to continue working to find a way of meeting the pastoral concerns raised by the Primates that are compatible with our own Church's polity and canons. We should note that our recommendation to Executive Council not to participate in the Pastoral Scheme, though not unanimously endorsed by this House, came at the conclusion of long and gracious conversation.

Finally, we believe that the leaders of the Church must always hold basic human rights and the dignity of every human being as fundamental concerns in our witness for Christ. We were, therefore, concerned that while the Communiqué focuses on homosexuality, it ignores the pressing issues of violence against gay and lesbian people around the world, and the criminalization of homosexual behavior in many nations of the world.

The Theology Committee of the House of Bishops was charged with the responsibility of developing a teaching guide for consideration of both the Primates' Communiqué and the proposed draft Covenant for the Anglican Communion. We anticipate this guide will be available by late May for use by bishops and dioceses in preparation for the September meeting of the House of Bishops.

The bishops unanimously affirmed a Mind of the House Resolution inviting the Archbishop of Canterbury and the members of the Primates' Standing Committee to meet, at a time of their choosing, with the House of Bishops.
As we prepare to celebrate the Paschal Mystery we call for your prayers for and commitment to God's mission of making all things new.

For we do not proclaim ourselves; we proclaim Jesus Christ as Lord and ourselves as your slaves for Jesus' sake. (2 Corinthians 4:5)

A Message to God’s People

“Thus says the Lord of hosts: Old men and women shall again sit in the streets of Jerusalem, each with staff in hand . . . And the streets city shall be full of boys and girls playing in its streets.”
Zechariah 8:4-5

Greetings in the Name of our Lord and Savior Jesus Christ, in whose Name we serve and in whose Cross we glory.

We gathered this week in New Orleans in solidarity with the people of the Gulf Coast region as they continue the challenging work of rebuilding lives and communities devastated by Hurricane Katrina. We also gathered with the deep desire to rebuild trust and confidence with our partners in the Anglican Communion. Rebuilding is difficult work, but God invites us through our baptism to the challenging work of reconciliation, in communities and relationships. We have witnessed the remarkable continuing miracle of renewal in the myriad efforts of people from all over the world who are participating in the rebuilding of New Orleans and other communities along the Gulf Coast. We give thanks to God for their witness and pray that the ongoing work of reconciliation within the Anglican Communion can also bear as forceful a witness to the glory and grace of God.

We express our sincere and heartfelt thanks to our guests, the Archbishop of Canterbury and members of the Joint Standing Committee of the Anglican Consultative Council and the Primates. In accepting our invitation to join our meeting, they have both honored us and assisted us in our discernment. Their presence is a living reminder of the unity that is Christ’s promised gift in the power of the Holy Spirit. We also thank The Most Reverend Katharine Jefferts Schori for her thoughtful and strong leadership as she approaches the first anniversary of her ministry as our Presiding Bishop.

Our shared experience of study, dialogue, worship and prayer strengthens our passionate commitment to maintain full participation in the councils of the Anglican Communion. More than one hundred fifty bishops and their spouses attended this meeting. The spirit of our meeting was enriched as we brought a remarkable diversity of perspective and experience to our common work.

We are grateful for the warm and generous hospitality shown us by our brothers and sisters of the dioceses of Louisiana and Mississippi. We are deeply moved and inspired by their faith and courage in the wake of Hurricane Katrina. The scope of the destruction was beyond comprehension. Even after two years the needs are very great. Many of the bishops, spouses and our Anglican guests were privileged to join in the ongoing ministry of rebuilding in both dioceses during our meeting. Through our work
and conversation we and our guests were able to experience conditions first hand and to observe how both dioceses are addressing issues of education, racism, poverty, peace and ecological justice. These challenges are common to us all.

One of the highlights of our week in New Orleans was the ecumenical service held in the Ernest Morial Convention Center. The Archbishop of Canterbury preached, an ecumenical and multiracial contemporary choir sang, and ecumenical leaders participated. Irving Mayfield, Jr. renowned New Orleans trumpeter and artist in residence at Christ Church Cathedral delighted us with traditional New Orleans jazz. The bishops presented a total offering of almost one million dollars gathered from all the dioceses of the Episcopal Church for continuing reconstruction in Louisiana and Mississippi. In a resolution adopted by the House we commended United States Senator Mary Landrieu for submitting the Congress the “Gulf Coast Re-building” Act. We also called our Church to a “unanimous commitment to healing the radical affront to God that racism constitutes.”

In his sermon the Archbishop of Canterbury quoted from prophet Zechariah. Zechariah paints a poetic picture of a renewed city in which all people live in blessing and peace. There is a great distance between the inspired vision of Zechariah and the reality of our own lives. The Archbishop challenged us to work and pray for justice and peace on earth.

We affirm the ongoing commitment of The Episcopal Church to the Millennium Development Goals as a framework for our engagement in mission work around the world. A presentation by Dr. Paul Farmer, whose groundbreaking medical work in Haiti and elsewhere is well known, deepened our appreciation for the spiritual and practical opportunities which these goals offer us. Dr. Gus Newport guided in reflections on our experiences and asked us as moral teachers to take our reflections home. National Episcopal Health Ministries provided prayer shawls for all the bishops, spouses, and guests. They are a sign to us of God’s enfolding love and the prayers that surround us.

In March 2007 we affirmed the “deep longing of our hearts that The Episcopal Church continue as a part of the Anglican Communion.” At this meeting we engaged in significant discussions about important Communion matters. We deliberated and offered responses to questions and concerns raised by our Anglican partners. We believe that these responses will provide clarity and point toward next steps in an ongoing process of dialog.

While we acknowledge that we are not of one mind in all things, we strive to be of one heart. At the beginning of our meeting, our Presiding Bishop reminded us that to go forward in rebuilding our relationships we will need to cooperate with the Spirit and to create a space for the Spirit to work. We recognize that this requires real sacrifice from all, yet we know that the Cross of Christ leads to life. Communion in Christ requires that all of us come to the foot of the Cross. When we gather, we pray that we will greet one another with compassion and thanksgiving.
The spirit of this meeting was good. We were always keenly aware of the prayers that surround us. We give thanks for the faithful women, men, and children who in Christ’s Name give so much to support the ministries of our Church. These blessings cannot be counted.

Response to Questions & Concerns of the Anglican Communion Primates

In accordance with Our Lord’s high priestly prayer that we be one, and in the spirit of Resolution A159 of the 75th 16 General Convention, and in obedience to his Great Commission to go into the world and make disciples, and in gratitude for the gift of the Anglican Communion as a sign of the Holy Spirit’s ongoing work of reconciliation throughout the world, we offer the following to The Episcopal Church, the Primates, the Anglican Consultative Council (ACC), and the larger Communion, with the hope of “mending the tear in the fabric” of our common life in Christ.

“I do it all for the sake of the Gospel so that I might share in its blessings.”
1 Corinthians 9:23

Introduction

The House of Bishops expresses sincere and heartfelt thanks to the Archbishop of Canterbury and members of the Joint Standing Committee of the Anglican Consultative Council and the Primates for accepting our invitation to join us in New Orleans. By their presence they have both honored us and assisted us in our discernment. Their presence was a living reminder of the unity that is Christ’s promised gift in the power of the Holy Spirit.

Much of our meeting time was spent in continuing discernment of our relationships within the Anglican Communion. We engaged in careful listening and straightforward dialogue with our guests. We expressed our passionate desire to remain in communion. It is our conviction that The Episcopal Church needs the Anglican Communion, and we heard from our guests that the Anglican Communion needs The Episcopal Church.

The House of Bishops offers the following responses to our Anglican Communion partners. We believe they provide clarity and point toward next steps in an ongoing process of dialogue. Within The Episcopal Church the common discernment of God’s call is a lively partnership among laypersons, bishops, priests, and deacons, and therefore necessarily includes the Presiding Bishop, the Executive Council, and the General Convention.

Summary

- We reconfirm that resolution B033 of General Convention 2006 (The Election Of Bishops) calls upon bishops with jurisdiction and Standing Committees “to exercise restraint by not consenting to the consecration of any candidate to the episcopate whose manner of life presents a challenge to the wider church and will lead to further strains on communion.”
• We pledge as a body not to authorize public rites for the blessing of same-sex unions.
• We commend our Presiding Bishop’s plan for episcopal visitors.
• We deplore incursions into our jurisdictions by uninvited bishops and call for them to end.
• We support the Presiding Bishop in seeking communion-wide consultation in a manner that is in accord with our Constitution and Canons.
• We call for increasing implementation of the listening process across the Communion and for a report on its progress to Lambeth 2008.
• We support the Archbishop of Canterbury in his expressed desire to explore ways for the Bishop of New Hampshire to participate in the Lambeth Conference.
• We call for unequivocal and active commitment to the civil rights, safety, and dignity of gay and lesbian persons.

Discussion

Resolution B033 of the 2006 General Convention

The House of Bishops concurs with Resolution EC011 of the Executive Council. This Resolution commends the Report of the Communion Sub-Group of the Joint Standing Committee of the Anglican Consultative Council and the Primates of the Anglican Communion as an accurate evaluation of Resolution B033 of the 2006 General Convention, calling upon bishops with jurisdiction and Standing Committees “to exercise restraint by not consenting to the consecration of any candidate to the episcopate whose manner of life presents a challenge to the wider church and will lead to further strains on communion.” The House acknowledges that non-celibate gay and lesbian persons are included among those to whom B033 pertains.

Blessing of Same-Sex Unions

We, the members of the House of Bishops, pledge not to authorize for use in our dioceses any public rites of blessing of same-sex unions until a broader consensus emerges in the Communion, or until General Convention takes further action. In the near future we hope to be able to draw upon the benefits of the Communion-wide listening process. In the meantime, it is important to note that no rite of blessing for persons living in same-sex unions has been adopted or approved by our General Convention. In addition to not having authorized liturgies the majority of bishops do

1 The Communion Sub-Group noted that “the resolution uses the language of ‘restraint’, and the group noted that there has been considerable discussion since General Convention about the exact force of that word. By requiring that the restraint must be expressed in a particular way – ‘by not consenting …’, however, the resolution is calling for a precise response, which complies with the force of the recommendation of the Windsor Report.” The group also noted “that while the Windsor Report restricted its recommendation to candidates for the episcopate who were living in a same gender union, the resolution at General Convention widened this stricture to apply to a range of lifestyles which present a wider challenge. The group welcomed this widening of the principle, which was also recommended by the Windsor Report, and commend it to the Communion.”
not make allowance for the blessing of same-sex unions. We do note that in May 2003 the Primates said we have a pastoral duty “to respond with love and understanding to people of all sexual orientations.” They further stated, “…[I]t is necessary to maintain a breadth of private response to situations of individual pastoral care.”

**Episcopal Visitors**

We affirm the Presiding Bishop’s plan to appoint episcopal visitors for dioceses that request alternative oversight. Such oversight would be provided by bishops who are a part of and subject to the communal life of this province. We believe this plan is consistent with and analogous to Delegated Episcopal Pastoral Oversight (DEPO) as affirmed by the Windsor Report (paragraph 152). We thank those bishops who have generously offered themselves for this ministry. We hope that dioceses will make use of this plan and that the Presiding Bishop will continue conversation with those dioceses that may feel the need for such ministries. We appreciate and need to hear all voices in The Episcopal Church.

**Incursions by Uninvited Bishops**

We call for an immediate end to diocesan incursions by uninvited bishops in accordance with the Windsor Report and consistent with the statements of past Lambeth Conferences and the Ecumenical Councils of the Church. Such incursions imperil common prayer and long-established ecclesial principles of our Communion. These principles include respect for local jurisdiction and recognition of the geographical boundaries of dioceses and provinces. As we continue to commit ourselves to honor both the spirit and the content of the Windsor Report, we call upon those provinces and bishops engaging in such incursions likewise to honor the Windsor Report by ending them. We offer assurance that delegated episcopal pastoral care is being provided for those who seek it.

**Communion-wide Consultation**

In their communiqué of February 2007, the Primates proposed a “pastoral scheme.” At our meeting in March 2007, we expressed our deep concern that this scheme would compromise the authority of our own primate and place the autonomy of The Episcopal Church at risk. The Executive Council reiterated our concerns and declined to participate. Nevertheless, we recognize a useful role for communion-wide consultation with respect to the pastoral needs of those seeking alternative oversight, as well as the pastoral needs of gay and lesbian persons in this and other provinces. We encourage our Presiding Bishop to continue to explore such consultation in a manner that is in accord with our Constitution and Canons.

**The Listening Process**

The 1998 Lambeth Conference called all the provinces of the Anglican Communion to engage in a “listening process” designed to bring gay and lesbian Anglicans fully into the Church’s conversation about human sexuality. We look forward to receiving initial
reports about this process at the 2008 Lambeth Conference and to participating with others in this crucial enterprise. We are aware that in some cultural contexts conversation concerning homosexuality is difficult. We see an important role for the Anglican Consultative Council (ACC) in this listening process, since it represents both the lay and ordained members of our constituent churches, and so is well-placed to engage every part of the body in this conversation. We encourage the ACC to identify the variety of resources needed to accomplish these conversations.

The Lambeth Conference

Invitations to the Lambeth Conference are extended by the Archbishop of Canterbury. Those among us who have received an invitation to attend the 2008 Lambeth Conference look forward to that gathering with hope and expectation. Many of us are engaged in mission partnerships with bishops and dioceses around the world and cherish these relationships. Lambeth offers a wonderful opportunity to build on such partnerships.

We are mindful that the Bishop of New Hampshire has not yet received an invitation to the conference. We also note that the Archbishop of Canterbury has expressed a desire to explore a way for him to participate. We share the Archbishop’s desire and encourage our Presiding Bishop to offer our assistance as bishops in this endeavor. It is our fervent hope that a way can be found for his full participation.

Justice and Dignity for Gay and Lesbian Persons

It is of fundamental importance that, as we continue to seek consensus in matters of human sexuality, we also be clear and outspoken in our shared commitment to establish and protect the civil rights of gay and lesbian persons, and to name and oppose at every turn any action or policy that does violence to them, encourages violence toward them, or violates their dignity as children of God. We call all our partners in the Anglican Communion to recommit to this effort. As we stated at the conclusion of our meeting in March 2007: “We proclaim the Gospel of what God has done and is doing in Christ, of the dignity of every human being, and of justice, compassion and peace. We proclaim the Gospel that in Christ there is no Jew or Greek, no male or female, no slave or free. We proclaim the Gospel that in Christ all God’s children, including women, are full and equal participants in the life of Christ’s Church. We proclaim the Gospel that in Christ all God’s children, including gay and lesbian persons, are full and equal participants in the life of Christ’s Church. We proclaim the Gospel that stands against any violence, including violence done to women and children as well as those who are persecuted because of their differences, often in the name of God.”

**Recognition of Senior Bishop**

Bishop Leo Frade was introduced as the Senior Bishop present.

**Recognition of Newest Bishop**

The Rt. Rev. Sylvestre Romero was then introduced as the newly approved Assistant Bishop of New Jersey. In the presence of the House, he signed the Oath of Conformity and was welcomed into full membership in the House of Bishops.

**Deposition of Bishops**

The House then took up the matter of the deposition of John David Schofield. Bishop Jefferts Schori reviewed the process and timeline that led to placing this matter before the House.
She noted the John David Schofield had attempted by letter to resign from the House. She explained that a bishop may not resign his or her jurisdiction while inhibited. Questions and discussion followed.

The resolution was then moved and seconded, with the proper accompanying explanation:

On January 9, 2008, the Title IV Review Committee certified to the Presiding Bishop, pursuant to Canon IV.9.1, that the Rt. Rev. John-David Schofield, Bishop of the Diocese of San Joaquin, has repudiated the Doctrine, Discipline, and Worship of the Episcopal Church and has abandoned the Communion of the Church by, inter alia, departing from the Episcopal Church and purporting to take his Diocese with him into affiliation with the Province of the Southern Cone. In the intervening two months since the Presiding Bishop gave notice to Bishop Schofield of the foregoing certification, Bishop Schofield has failed to submit to the Presiding Bishop sufficient retraction or denial of the actions found by the Title IV Review Committee. Accordingly, the Presiding Bishop has presented the matter to the House of Bishops and requested consent to Bishop Schofield’s Deposition.

The chaplains then led the House in a time of prayer, and there followed table discussion regarding the action before the House and a plenary session. Nineteen people spoke in the plenary session.

**Motion passed**

**Resolution passed**

**Final Text of Resolution:**

Resolved, that pursuant to Canon IV.9.2 of the Episcopal Church, the House of Bishops hereby consents to the Deposition from the ordained ministry of the Rt. Rev. John-David Schofield, Bishop of the Diocese of San Joaquin.

Another resolution was then moved and seconded, with the proper accompanying explanation:

On May 29, 2007, the Title IV Review Committee certified to the Presiding Bishop, pursuant to Canon IV.9.1, that the Rt. Rev. William Jackson Cox, Bishop Suffragan of the Diocese of Maryland, resigned, has repudiated the Doctrine, Discipline, and Worship of the Episcopal Church and has abandoned the Communion of the Church by, inter alia, departing from the Episcopal Church and stating his intention to continue to perform episcopal acts solely under the oversight and jurisdiction of a bishop outside the Episcopal Church without conforming to the Constitution and
Canons of the Episcopal Church. In the intervening two months since the Presiding Bishop gave notice to Bishop Cox of the foregoing certification, Bishop Cox has failed to submit to the Presiding Bishop sufficient retraction or denial of the actions found by the Title IV Review Committee. Accordingly, the Presiding Bishop has presented the matter to the House of Bishops and requested consent to Bishop Cox’s Deposition.

The chaplains then led the House in a time of prayer, and there followed table discussion regarding the action before the House followed and a plenary session. Ten people spoke in the plenary session.

Motion passed
Resolution passed

Final Text of Resolution:
Resolved, that pursuant to Canon IV.9.2 of the Episcopal Church, the House of Bishops hereby consents to the Deposition from the ordained ministry of the Rt. Rev. William Jackson Cox, Bishop Suffragan of the Diocese of Maryland, resigned.

Following these actions, the Presiding Bishop reminded the House of our continuing need to reach out to these our brothers. The Rt. Rev. Jeffrey Lee suggested issuing a statement from the House stating its sadness in these matters and the Presiding Bishop suggested that such a statement be brought to the afternoon session of the business meeting.

Theology
The Rt. Rev. Henry Parsley then made a report on behalf of the Theology Committee offering a Proposal for the Theological Study of Same Sex Relationships.

Bishop Duncan
The Presiding Bishop then explained that in the case of the Rt. Rev. Robert Duncan, no action would be taken at this meeting. The Review Committee had found that he had abandoned the communion but the three senior bishops did not vote to inhibit him. Since the required sixty days for a response by Bishop Duncan had not elapsed, the House could not act at this meeting.

San Joaquin
The Rt. Rev. Mark Lawrence inquired about the canonical status of the Standing Committee in the Diocese of San Joaquin. David Beers, Chancellor to the Presiding Bishop, stated that the Presiding Bishop did not recognize their authority. He explained that there exists public evidence that a majority of the Standing Committee supported the actions of John David Schofield and had voted to remove certain clauses from the diocesan constitution. Chancellor Beers told the house that the Diocese of San Joaquin would be holding a special convention to elect a Provisional Bishop and new members
of the Standing Committee. Candidates signing the Oath of Conformity as members of
the Episcopal Church would be eligible for election at the convention. The Presiding
Bishop then announced her intention to nominate the Rt. Rev. Jerry Lamb for this
position.

**RECESS**

The meeting recessed for the celebration of the Holy Eucharist and lunch.

**Reconvene**

The business session reconvened at 2:00 and the committee on Resignations of Bishops
presented recommendations for the following:
- Consent to resignation of William Persell as Bishop of Chicago
- Consent to the resignation Jack McKelvey as Bishop of Rochester
- Consent to the resignation of Keith Whitmore as Diocesan of Eau Claire

Consent in all three cases was given by a voice vote.

**Theology**

The House then returned to the report of the Theology Committee with The Rt. Rev.
Joe Burnett speaking for the Rt. Rev. Henry Parsley who had to leave. Following
discussion the report was received by acclimation.

The Presiding Bishop then asked for discussion regarding three options for the next
meeting of the House to take place to discuss the matter of Bishop Duncan. The
options were to take up this matter at a called meeting in May, at a meeting during
Lambeth, or to wait for the currently scheduled meeting in September. Twenty one
people spoke on this issue. The Rt. Rev. Clay Mathews reported that documents
pertinent to this issue would be posted on the College for Bishops web site. There was
no sentiment expressed for meeting on this issued to take place at Lambeth. It was
decided to poll the House respective to a meeting in May and for all bishops to hold the
dates of September 17-19 for a meeting with September 16 as a travel day.

The Rt. Revs Clay Mathews, Neil Alexander and Don Johnson then called attention to
the annual report of the College of Bishops and lifted up the work done by the College.
This work includes attending to the emotional health and wellness of bishops, spouses
and partners and assistance given for episcopal elections and transitions. Bishop
Johnson also pointed out that the college also helps to equip bishops for the work that
must be done, and shapes how bishops work together. There is a need fore funding
support, and thanks was given to those bishops who are supporting that work through
their contributions.

**Other Business**

Dispatch of Business then presented additional resolutions for consideration.
The Rt. Rev. Mark Sisk moved a Resolution on Lambeth and it was seconded. Questions and comments were made by two bishops.

Motion passed
Resolution passed

The Rt. Rev. Chris Epting moved the following resolution on torture by waterboarding and it was seconded by The Rt. Rev George Packard.

Motion passed
Resolution passed

Final Text of Resolution:
Resolved, that the House of Bishops expresses its dismay at President George W. Bush's veto of the bill banning torturous interrogation techniques such as "waterboarding." As followers of the One who said, "Love your enemies, do good to those who hate you, bless those who curse you, pray for those who abuse you...do to others as you would have them do to you." (Luke 6:27-28, 31) we find this method of interrogation morally unacceptable and call upon members of Congress to override this veto.

The Presiding Bishop was asked to send a copy of the resolution to the United Methodist Church.

The Rt. Rev. Jeffrey Lee then moved a resolution regarding the depositions, endorsed by Bishops Alan Scarfe, John Chane, Neff Powell, Greg Rickel and Wayne Wright. After minor changes were accepted by the mover, it was seconded.

Motion passed
Resolution passed

Final Text of Resolution:
Calling on the reconciling love of our Lord Jesus Christ and mindful of our call to be servants of one another and of the mission and ministry of the whole church, we have taken the action of consenting to the deposition of our two brother bishops, John-David Schofield and William Cox. This outcome is the painful culmination of a lengthy process of conciliation and review led by two Presiding Bishops. While earnest voices were raised asking if there were other alternatives at this time, the conclusion of the House of Bishops is that this action is based on the facts presented to us and is necessary for the ongoing integrity of The Episcopal Church. We seek also to respond to the needs of the people of the Diocese of San Joaquin. We are saddened by what we believe to be this necessary action and we have taken it only after deep prayer and serious conversation. We also wish to express our continuing commitment to work for reconciliation with our brothers and the People of God who have been the recipients of their pastoral leadership and care through the years.
Minutes
It was then announced that minutes of this meeting will be circulated to the Rt. Revs. Wayne Wright and Don Johnson and then posted on the College of Bishops web site and circulated to the membership.

Since the minutes of the last meeting in New Orleans had been posed and circulated, motion was made to dispense with their reading.

Motion passed
Resolution passed

Adjournment
Following numerous thanks by the Presiding Bishop, the formal business session was adjourned.

Secretary

Statement on the Lambeth Conference

Give to your Church, O God,
a bold vision and a daring charity,
a refreshed wisdom and a courteous understanding,
that the eternal message of your Son
may be acclaimed as the good news of the age;
through him who makes all things new,
even Jesus Christ our Lord. Amen.¹

We, the House of Bishops of the Episcopal Church, approaching the forthcoming Lambeth Conference, are mindful of the hurt that is being experienced by so many in our own Episcopal Church, in other Provinces of our global communion, and in the world around us. While the focus of this hurt seems centered on issues of human sexuality, beneath it we believe there is a feeling of marginalization by people of differing points of view. Entering into Holy Week, our response is to name this hurt and to claim our hope that is in Christ.

As the Lambeth Conference approaches, we believe we have an enormous opportunity, in the midst of struggle, to be proud of our heritage, and to use this particular time in a holy way by affirming our rich diversity. The health of such diversity is that we are dealing openly with issues that affect the entire global community. Thus, even as we acknowledge the pain felt by many, we also affirm its holiness as we seek to be faithful to our Lord Jesus Christ.

Even though we did not all support the consecration of the Bishop of New Hampshire, we acknowledge that he is a canonically elected and consecrated bishop in this church. We regret that he alone among bishops ministering within the territorial boundaries of their dioceses and provinces, did not receive an invitation to attend the Lambeth Conference.

We appeal to the faithful of the Episcopal Church and the faithful in the wider, global Anglican family, to focus and celebrate our unity in the comprehensiveness of diversity. In union with Christian tradition through the centuries, we are willing to face challenges that precipitate struggle as a means towards reconciliation.

During our meeting we have been praying for a "daring charity and courteous understanding." With this intent and guided by the Holy Spirit, we go to the Lambeth Conference spiritually united and praying that God will sanctify our struggles and unify us for Christ's mission to a hurting world.

¹ This Franciscan-inspired prayer was offered by our chaplains during this meeting of the House of Bishops.
Call to Order
The business meeting of the House was called to order at 10:00 a.m. by Presiding Bishop Katharine Jefferts Schori. Prayers were offered by Chaplain Carol Wade and the roll of bishops was called by Secretary Bishop Kenneth Price. It was determined that the 127 bishops present represented significantly more than a quorum. Bishop Clifton Daniel moved, on behalf of the Dispatch of Business Committee, the agenda for the day. It was adopted.

Bishop Duncan
The Presiding Bishop then recognized Vice President Bishop Dick Chang, who moved that the House go into a Committee of the Whole to discuss the matter of the deposition of Bishop Robert Duncan. Parliamentarian Bishop John Buchanan explained that as a Committee of the Whole no minutes would be taken and no motions made. The rest of the morning session was spent as a committee of the whole in which 21 bishops spoke.

RECESS
The morning section of the business session recessed for Holy Eucharist at 11:45 a.m. and lunch.

Reconvene
The business session resumed at 2:00 and the Committee of the Whole continued with 14 more speakers.

When no more speakers requested to be recognized the Presiding Bishop declared the Committee of the Whole to be ended and the motion was made and seconded, with explanation included:

On December 17, 2007, the Title IV Review Committee certified to the Presiding Bishop, pursuant to Canon IV.9.1, that the Rt. Rev. Robert W. Duncan, Bishop of the Diocese of Pittsburgh, had “abandoned the communion of this Church by an open renunciation of the Doctrine, Discipline or Worship of this Church.” In the intervening months since the Presiding Bishop gave notice to Bishop Duncan of the foregoing certification, Bishop Duncan has failed to submit to the Presiding Bishop sufficient retraction or denial of the actions found by the Title IV Review Committee. Accordingly, the
Presiding Bishop has presented the matter to the House of Bishops and requested consent to Bishop Duncan’s Deposition.

Bishop William Love then called for division by the following statement:

We the undersigned being voting members of the House of Bishops, hereby call for division of each and every vote of this House on any matter put to vote with respect to the status of the Bishop of Pittsburgh as a bishop and member of this House of Bishops and that each member’s vote, whether it be aye or nay, be entered in the journal.

The statement was signed by Bishops William Love, James Adams, David Reed, Michael Smith, Edward Little, Geralyn Wolf, Mark Lawrence, John Howe and Bruce MacPherson.

The chair ruled that the roll would be called on the final vote.

Bishop Michael Smith made a challenge that was then seconded, regarding the chair’s ruling that no inhibition was needed before the house considered deposition. The matter was put to a vote.

Motion failed
Chair upheld

Bishop Lawrence made a challenge that was then seconded, regarding the chair’s ruling that the requisite votes for deposition would be arrived at by a majority of the bishops eligible to vote who were present at this meeting. The matter was put to a vote.

Motion failed
Chair upheld

Prayer was then offered by Chaplain Carol Wade and the roll was called on the matter of the deposition of Bishop Robert Duncan.

Motion passed
Resolution passed

Final Text of Resolution:
Resolved, that pursuant to Canon IV.9.2 of the Episcopal Church, the House of Bishops hereby consents to the Deposition from the ordained ministry of the Rt. Rev. Robert W. Duncan, Bishop of the Diocese of Pittsburgh.

Recognition of New Bishops
The Rules of Order call for the introduction of new bishops at each business meeting. The Presiding Bishop had introduced them the day before. They are:

Bishop Steven Lane, Bishop Diocesan of Maine
Bishop Prince Singh, Bishop Diocesan of Rochester
The Rev. Brian Thom, elected Bishop Diocesan of Idaho, was also introduced. His consents have been received but he is not yet consecrated.

Necrology
The following bishops, who have died since our last meeting, also were remembered with a moment of silence. They are:

- Bishop Robert Spears, Rochester, resigned
- Bishop Ronald Haines, Washington, resigned
- Bishop Frank Vest, Southern Virginia, resigned
- Bishop Jose Gonzalez, Newark, resigned

Communication from the Presiding Bishop
The Presiding Bishop explained that in the matter of inhibited Bishop Charles Bennison of Pennsylvania, we are still waiting a verdict from the Trial Court. Bishop Allen Bartlett will continue serving as Assisting Bishop of the Diocese of Pennsylvania until December 31. The Presiding Bishop will meet with the Standing Committee on October 3 to discuss next steps.

After comments from six bishops regarding a desire to be clear in explaining the actions of the House regarding the deposition of Bishop Duncan, the House shared in prayer and took a brief break.

Resignation of Bishops
Bishop Chilton Knudsen, reporting for the Committee on the Resignation of Bishops, moved that the resignations of Bishops Harry Bainbridge and Wallis Ohl both be accepted, the canonical reason being “advanced age.”

    Motions passed
    Resignations accepted

Minutes
The agenda as set forth in the Rules of Order is the reading of the minutes of the last meeting. Motion was made to dispense with this reading as the minutes are posted on the College of Bishop web site.

    Motion passed
    Resolution passed

Other Business
Several announcements were made, Bishop Epting reported on ecumenical and interreligious issues coming to General Convention. These include full communion with the Moravians, a modest proposal for relations with the Presbyterians and principles
and approaches to be used in interreligious talks. He also announced his office is now in Omaha, Nebraska.

**Adjournment**

The Presiding Bishop then called on bishops to reflect on the actions of this meeting, and after 13 bishops spoke, the meeting was adjourned.

Respectfully Submitted,
Secretary

INTERIM MEETING OF THE HOUSE OF BISHOPS

KANUGA CONFERENCE CENTER,
HENDERSONVILLE, NC,
MARCH 13 – 18, 2009
Call to Order
The business meeting of the House of Bishops was called to order at 2:07 p.m. by the Presiding Bishop, the Most Rev. Katharine Jefferts Schori, and a prayer was offered by Chaplain Geoffrey Tristan.

Roll Call
The Rt. Rev. Kenneth L. All resigned bishops, will be called by name even if they are temporarily serving in a diocese. The roll of bishops was called, with 126 bishops being present. Sixty six bishops were needed to be present to constitute a quorum, and it was declared that a quorum was present.

The agenda for this meeting was adopted.

The three nominees were introduced. They were:

The Rev. Thomas Mansella, of the Diocese of Virginia, language services coordinator for the Episcopal Church.

The Rev. Canon Servio R. Moscoso, of the Diocese of New Jersey, rector of Iglesia San José in Elizabeth.

Final Text of Resolution:
We, the Episcopal House of Bishops gathered at Kanuga, N.C., offer congratulations to Saint Paul’s College and Robert Lee Satcher, PhD, on the occasion of his inauguration as its 9th President. We acknowledge Dr. Satcher’s life long faithful vocation as an Episcopalian, radiology scientist, educator and administrator in historically black Colleges and universities.

We are also inspired by the College’s history, beginning in 1888 with James Solomon Russell, a former slave who became an Episcopal priest and missionary.
in Southern Virginia. Archdeacon Russell established St. Paul’s College an approximately 20 congregations, a number of which survive today.

It is our prayer that St. Paul’s College, during Dr. Satcher’s tenure, will experience new growth and success in its mission to academically, professionally and spiritually prepare African American youth and youth of other heritages, to be effective leaders for the 21st Century.

Personal Privilege
The Rt. Rev. Jean Zache Duracin asked for a point of personal privilege to bring greetings from Haiti and to thank the House for its solidarity during difficult times. He also thanked the Presiding Bishop for her support and presence and the Episcopal Relief and Development for its ongoing support. He then went on to describe the unrest and tenuous conditions in his country.

The Rt. Rev. Pierre Whalon moved a resolution which was duly seconded.  

Motion passed  
Resolution adopted

Final Text of Resolution:
Resolved, that the House of Bishops ask the Secretary of the House to send a letter to President Barack Obama, to go on record as opposing the deportation of Haitian refugees from the United States, and asking President Obama to use all his powers to prevent this.

The request was then extended to include writing to all Episcopal Representatives and Senators.

A first draft of a Pastoral Letter was presented and after discussion returned to committee for further refinement. [Editor’s Note: A revised draft of the letter was subsequently passed on the last day of the meeting.]

Building on a presentation made in the non-business portion of the meeting by The Rev. Anthony Guillen, the Rt. Rev. Wilfrido Ramos-Orench made a resolution which was duly seconded.

Preamble for Commitment and Core Values

We, the Bishops of the Episcopal Church gathered in our March 2009 meeting, call ourselves to the leadership and agreements expressed below as we move forward in the mission of the Church.

We seek to be a mission-minded Church as an expression of our core values encompassed in the Great Commandment, calling us to be a community of love in which all can find their place.

The Experience of General Convention
We, as bishops in community, will designate a time each day in which to share our faith in meaningful conversation with each other. We desire to pause for prayer, spiritual reflection, and discernment during the work of Convention, especially when we are engaged in more difficult and challenging conversations and decisions.

We recognize the usefulness of a variety of action tools, including legislation, continuing conversation, and consensus. We ask that the Convention determine the most timely and appropriate means of proceeding, recognizing the variety of tools available and the potential gain and consequence of each tool used. On sensitive issues, we will be willing to suspend the Rules of Order and go into discussion in smaller groups before proceeding.

We will be diligent in identifying those questions best served by technical response and those requiring adaptive work.

Commitments in Preparation for Convention
We will operate and speak from an experience of Communion within which we seek to discover the way forward in areas of disagreement.

We will encourage our deputations to be fully and broadly informed, to increase our capacity for deep listening (especially when engaged in difficult and discomforting debate and conversation), so that we, as a Convention and people of faith, can make the best decisions available to us at this time in our life.

We recognize our unique responsibility to guard the faith, unity and discipline of the Church while at the same time reaffirming that the House of Deputies and House of Bishops share a mutuality of governance, representing the whole of our Church.

We commit to be in dialogue with bishops and deputies who speak from a perspective different from our own, and to pray for the whole of the conversation at convention. We encourage our deputies to seek such conversation and prayers.
**The Core Values**

A review of the past covenants made by the House, conducted by the Pastoral Development Committee, reveals seven core values that are supported by observable behavior and are intended to serve us both when we are in session and out, as we strive to follow Christ and be faithful to the baptismal covenant and our ordination vows as bishops of God's church:

1) **ATTENDANCE**, as demonstrated by full participation in meetings and worship. As the Body of Christ, all members are significant, the Body is diminished by the absence of some, and we have vowed to “share with [our] fellow bishops in the government of the whole Church” (BCP 518).

2) **FULL AND INTENTIONAL INCORPORATION** in the House, as demonstrated by engagement with the work of the College for Bishops and rotation of leadership in core and working groups during meetings of the House. “For as in one body we have many members, and not all the members have the same function, so we, who are many, are one body in Christ, and individually we are members one of another. We have gifts that differ according to the grace given to us: prophecy, in proportion to faith” (Rom 12:1ff). We have also promised to “share in the leadership of the Church” (BCP 517).

3) **COLLEGIALITY**, as demonstrated in our mutual respect for each other and our attention to how our individual and corporate actions affect the Church.

   *But God has so arranged the body, giving the greater honor to the inferior member, that there may be no dissension within the body, but the members may have the same care for one another. If one member suffers, all suffer together with it; if one member is honored, all rejoice together with it.* (1Cor 12:24b-26)

   *Is there anyone among you who, if your child asks for bread, will give a stone? Or if the child asks for a fish, will give a snake? If you then, who are evil, know how to give good gifts to your children, how much more will your Father in heaven give good things to those who ask him! In everything do to others as you would have them do to you; for this is the law and the prophets.* (Matt 7:9ff)

4) **MUTUAL RESPECT**, as demonstrated by respectful listening and talking, and increased attention to avoid mean-spiritedness, with appropriate confidentiality. To demonstrate **EQUALITY IN COMMUNICATION** in core and working groups as well as conversations in plenary sessions.

   We have promised to “respect the dignity of every human being” and to “seek and serve Christ in all persons, loving your neighbor as yourself” (BCP 305).

   *Whoever becomes humble like this child is the greatest in the kingdom of heaven.* (Matt 18:4)

5) **COLLECTIVE WISDOM**, as demonstrated in retaining materials that need further attention from one meeting to the next, and in learning from each other.
A bishop in God’s holy Church is called to be one with the apostles… You are called to guard the faith, unity, and discipline of the Church… With your fellow bishops you will share in the leadership of the Church. (BCP 517)

Do you believe in God the Holy Spirit? I believe in … the communion of saints. (BCP 304)

6) DIRECTNESS IN PUBLIC AND PRIVATE COMMUNICATIONS, as demonstrated by a “check it out, talk it out” covenant.

Let your word be “Yes, Yes” or “No, No”; anything more than this comes from the evil one. (Mat 5:37)

For I fear that when I come, I may find you not as I wish, and that you may find me not as you wish; I fear that there may perhaps be quarreling, jealousy, anger, selfishness, slander, gossip, conceit, and disorder. (2 Cor 12:11)

Your joy will be to follow him who came, not to be served, but to serve, and to give his life a ransom for many. (BCP 517)

7) ACCOUNTABILITY, as demonstrated in past work to involve conversation and prayer before moving toward controversial actions.

Will you persevere in resisting evil, and, whenever you fall into sin, repent and return to the Lord? (BCP 304)

Will you be faithful in prayer, and in the study of Holy Scripture, that you may have the mind of Christ? (BCP 518)

Are you persuaded that God has called you to the office of bishop? (BCP 517)

Hendersonville, North Carolina
Letter to President Obama Regarding Haitians

Dear Mr. President,

We, the bishops of The Episcopal Church, write to you with one voice to request that you extend Temporary Protected Status (TPS) to Haitians in the United States. This would, as you know, allow Haitians to live and work legally in this country until it is safe to return. They could also send some desperately needed money to their families in Haiti to help with reconstruction.

We know Haiti well, as it is the largest diocese of our Church. We have just added the founder of the Diocese of Haiti, Bishop James Theodore Holly, to our calendar of saints. Besides his extraordinary work that continues on from strength to strength, he was the first African-American bishop of The Episcopal Church.

Many of us, including our Presiding Bishop, the Most Reverend Katharine Jefferts Schori, have visited the country in recent months. The devastation visited upon that nation, both natural and political, is incalculable. Yet our nation’s policies concerning Haitians in the United States only make things even worse.

Last September, the Department of Homeland Security announced the extension of TPS to nationals from El Salvador, Honduras, and Nicaragua, countries also suffering from the effects of natural disasters. Haiti was conspicuously absent from that list, despite the fact that it meets all the political and environmental criteria. Your predecessor received a letter in February 2008 from Haiti’s President, René Préval, requesting that the United States extend TPS to Haitians in the United States. This request went unanswered. If these other nations qualify, certainly Haiti, which is in an even worse condition, should be at the top of list.

Instead, we continue to pursue punitive policies of detention, often in conditions that are shamefully unacceptable: lack of medical care, warehousing of families in prisons with criminals, lengthy stays in custody. Even worse, we continue to deport Haitians to a country in utter ruin, compounding that nation’s misery, and often condemning the deportees to a life even worse than they found in American custody.

At present, 30,000 such Haitians await deportation. We ask you, Mr. President, to intervene forcefully and effectively to reverse our present discriminatory policies and help Haitians in the United States live and work here temporarily, sending money home until Haiti can receive them back. We also request that your Administration throw its full support to the passage of H.R. 144, the Haitian Protection Act of 2009.

We unanimously resolved at our recent meeting of our House of Bishops to write to you, Mr. President, and ask that you end these immoral, discriminatory and irrational
policies toward Haitians and their country. At a time when our own nation faces dire economic conditions, it is unconscionable that we would export more misery to the poorest and weakest country in the western hemisphere.

We are well aware of the enormous challenges that you face, and we pledge you our support in bringing about healthy change in the United States and the world. Please know, Mr. President, that every day you and yours are in the prayers of Episcopalian in the United States and the other fifteen countries where our church exists.

Your servants in Christ,

The Bishops of the Episcopal Church
A Pastoral Letter from the Bishops of the Episcopal Church

I have learned to be content with whatever I have. I know what it is to have little, and I know what it is to have plenty. In any and all circumstances I have learned the secret of being well fed and of going hungry, of having plenty and of being in need. I can do all things through him who strengthens me. (Philippians 4:11b – 13)

As the House of Bishops gather at the Kanuga Camp and Conference Center for our annual Spring Retreat, we are mindful of the worsening financial crisis around us. We recognize there are no easy solutions for the problems we now face. In the United States there is a 30% reduction of overall wealth, a 26% reduction in home values and a budget deficit of unprecedented proportions. Unemployment currently hovers at over 8% and is estimated to top 10% by the end of the year. There are over 8 million homes in America that are in foreclosure. Consumer confidence is at a 50 year low.

Unparalleled corporate greed and irresponsibility, predatory lending practices, and rampant consumerism have amplified domestic and global economic injustice. The global impact is difficult to calculate, except that the poor will become poorer and our commitment to continue our work toward achieving the Millennium Development Goals by 2015 is at great risk. A specter of fear creeps not only across the United States, but also across the world, sometimes causing us as a people to ignore the Gospel imperative of self-sacrifice and generosity, as we scramble for self-preservation in a culture of scarcity.

The crisis is both economic and environmental. The drought that grips Texas, parts of the American South, California, Africa and Australia, the force of hurricanes that have wreaked so much havoc in the Caribbean, Central America and the Gulf Coast, the ice storm in Kentucky—these and other natural disasters related to climate change—result in massive joblessness, driving agricultural production costs up, and worsening global hunger. The wars nations wage over diminishing natural resources kill and debilitate not only those who fight in them, but also civilians, weakening families, and destroying the land. We as a people have failed to see this connection, compartmentalizing concerns so as to minimize them and continue to live without regard to the care of God’s creation and the stewardship of the earth’s resources that usher in a more just and peaceful world.

In this season of Lent, God calls us to repentance. We have too often been preoccupied as a Church with internal affairs and a narrow focus that has absorbed both our energy and interest and that of our Communion – to the exclusion of concern for the crisis of suffering both at home and abroad. We have often failed to speak a compelling word of commitment to economic justice. We have often failed to speak truth to power, to name the greed and consumerism that has pervaded our culture, and we have too often allowed the culture to define us instead of being formed by Gospel values.
While our commitment to the eradication of extreme poverty through the eight Millennium Development Goals moves us toward the standard of Christ’s teaching, we have nevertheless often fallen short of the transformation to which Christ calls us in our own lives in order to live more fully into the Gospel paradigm of God’s abundance for all.

Everyone is affected by the shrinking of the global economy. For some, this is a time of great loss—loss of employment, of homes, of a way of life. And for the most vulnerable, this “downturn” represents an emergency of catastrophic proportions. Like the Prodigal who comes to his senses and returns home, we as the people of God seek a new life. We recognize in this crisis an invitation into a deeper simplicity, a tightening of the belt, an expanded Lenten fast, and a broader generosity. God’s abundant mercy and forgiveness meet and embrace us, waiting to empower us through the Holy Spirit to face the coming days.

In a time of anxiety and fear the Holy Spirit invites us to hope. Anxiety, when voiced in community can be heard, blessed and transformed into energy and hope, but if ignored, swallowed or hidden, fear and anxiety can be corrosive and lead to despair. We Christians claim that joy and hope emerge for those who have the courage to endure suffering. In his letter to the Romans, St. Paul goes so far as to boast of his suffering, because “suffering produces endurance, and endurance produces character, and character produces hope, and hope does not disappoint us because God’s love has been poured into our hearts through the Holy Spirit that has been given to us.” Our current crisis presents us with opportunities to learn from our brothers and sisters of faith in other parts of the world who have long been bearers of hope in the midst of even greater economic calamity.

We can also learn from our spiritual ancestors, who found themselves in an economic and existential crisis that endured for forty years – on their journey from Egypt to Israel. While they groaned in Egypt, they murmured at Sinai – at least at first. And then after their groaning, complaining and reverting to old comforts of idol worship, they were given Grace to learn and understand what the Lord wanted to teach them.

They learned that they needed the wilderness in order to recover their nerve and put their full trust in God—and to discover their God-given uniqueness, which had been rubbed away during their captivity in Egypt. They adopted some basic rules that enabled them to live in a community of free people rather than as captives or slaves – the God given Ten Commandments. And perhaps most importantly, our spiritual ancestors discovered that the wilderness is a unique place of God’s abundance and miracle, where water gushed out of a rock and manna appeared on the desert floor – food and drink miraculously provided by God.

As we go through our own wilderness, these spiritual ancestors also point the way to a deep and abiding hope. We can rediscover our uniqueness – which emerges from the conviction that our wealth is determined by what we give rather than what we own. We can re-discover manna – God’s extraordinary expression of abundance. Week by week –
in congregations and communities around the world, our common manna is placed before us in the Eucharist. Ordinary gifts of bread and wine are placed on the altar, and become for us the Body and Blood of Christ, which, when we receive them, draw us ever more deeply into the Paschal mystery of Christ’s death and resurrection.

As our risen Lord broke through the isolation of the disciples huddled in fear for their lives following his suffering and death, so too are we, the Body of Christ called to break through the loneliness and anxiety of this time, drawing people from their fears and isolation into the comforting embrace of God’s gathered community of hope. As disciples of the risen Christ we are given gifts for showing forth God’s gracious generosity and for finding blessing and abundance in what is hard and difficult. In this time the Holy Spirit is moving among us, sharing with us the vision of what is real and valued in God’s world. In a time such as this, Christ draws us deeper into our faith revealing to us that generosity breaks through distrust, paralysis and misinformation. Like our risen Lord, we, as his disciples are called to listen to the world’s pain and offer comfort and peace.

As we continue our Lenten journey together we place our hearts in the power of the Trinity. The God who created us is creating still and will not abandon us. The Incarnate Word, our Savior Jesus Christ, who in suffering, dying and rising for our sake, stands in solidarity with us, has promised to be with us to the end of the age. God the Holy Spirit, the very breath of God for us and in us, is our comforter, companion, inspiration and guide. In this is our hope, our joy and our peace.

Expenditure Budget Narrative
August 2009

Dear Bishops and Deputies,

We are pleased to present the Budget for The Episcopal Church for the 2010-2012 Triennium, adopted by the 26th General Convention in Anaheim, California in July. In addition to the Budget, we include (1) a commentary of the Joint Standing Committee on Program, Budget and Finance (PB&F), (2) the Budget Priorities adopted by the General Convention and (3) the enabling Resolution.

The General Convention endorsed mission Budget Priorities calling for congregations and dioceses to work together to carry out God’s mission. The adopted Budget reflects these priorities. It also reflects a response to the voices heard at General Convention, through PB&F’s open hearings and the resolutions presented, that ministries in our church need to be carried out differently.

By Canon, the Budget is crafted and voted on by the General Convention, following hearings and the legislative process. The budgetary process itself begins, however, well before Convention, when staff from the Church Center and members of various Commissions, Committees, Agencies and Boards (CCABs) and the Executive Council work together to formulate a Draft Budget, which is then submitted to PB&F for review. PB&F presents a Proposed Budget to the General Convention for consideration and approval.

The Budget approved by the General Convention is prepared and approved well before the periods to which it applies. Changes in available income from investments and dioceses may occur throughout the triennium. Thus, each year during the triennium, a revised Annual Budget, based on the Budget approved by the Convention, is proposed, reviewed and approved by the Executive Council.

The Finance Office provides accurate and timely reports to the church. Annual Budgets, monthly financial statements and annual audited statements are available on the church’s web site at http://episcopalchurch.org/finance. Your comments are always invited and welcomed.

The 76th General Convention endorsed a Budget whose focus is mission. By approving the Budget, each deputation accepted responsibility to work diligently to ensure that
their diocese will meet, exceed or make significant efforts to strive toward meeting the full asking so that the mission of the church can continue.

God’s peace to all of us.

General Convention
Hope. Mission. Accountability. Transparency. Honesty. Giving to others first and then to ourselves, last. In this General Convention, we were privileged to hear the passion behind these aspirations from many members of our church in the Open Hearings on Priorities, Spending and Funding. They provided the framework for the Joint Standing Committee on Program, Budget and Finance’s (PB&F) efforts to respond creatively to the impact of economic conditions and changing patterns of diocesan giving on the anticipated revenue for the Budget for The Episcopal Church (the Budget). PB&F is deeply grateful for the prayers and understanding from members of both Houses of the Convention that supported us as we deliberated.

For each new challenge there is a new opportunity. The economic environment and its effects on the financial resources available to the Budget for the next triennium call the church to take a very close look at all that we do, how and where we do it, whether or not certain activities should continue, and how programs might be done more effectively by a network of service organizations. This work was hard and, more often than not, painful.

As a joint committee of the Convention, we present this Budget for 2010-2012 which embodies what we learned from you and from one another in the process. At the outset, we are mindful that the Budget is only one tool that supports the mission and ministries of The Episcopal Church.

The proposed Budget embodies changes we prayerfully considered. These changes reflect how we, as a church, can give to others in more efficient and effective ways as we go forward. We want to be very clear that where budgets have been reduced for organization and programs, the proposed changes are not value statements about the quality or importance of the ministries or work being done by dedicated staff and volunteers. Rather, they reflect PB&F’s crafting of a new look at what The Episcopal Church should be doing now for (and with) our dioceses, congregations, and members to enable their own missions and ministries more effectively.

PB&F was mindful of the Priorities embraced and adopted by this Convention. The 0.7% line item for the Millennium Development Goals (MDGs) was restored as they are clearly a focal point for mission and ministry at the diocesan and congregational level. You told us again and again that supporting the MDGs makes a statement to the world about who we are as a church revitalized.

You will see that there is also a 0.7% allocation that addresses issues of domestic poverty in the Americas through line items for Jubilee Ministries. There is seed money
for expansion of outreach to Hispanic/Latino communities and funding for ministry materials for children. This Budget contains $200,000 to assist in debt relief for seminarians.

The inclusion of $3 million during the next triennium for legal Assistance to Dioceses is an amount less than was spent during the current triennium to support Episcopal dioceses in reorganization that need to protect themselves against the loss of their property. We emphasize that this is an estimate based on similar expenses to date and is intended to provide funds to further the successful measures taken to protect assets of dioceses valued at hundreds of millions of dollars. As with any estimate, it may be over or under the actual expenses that will be incurred in the coming triennium.

Legal Expenses for Title IV were reduced from the Draft Budget. Some provision was made to repay part of the $37 million debt on The Episcopal Church Center renovation.

PB&F responded to requests to reduce the diocesan Asking in two ways: (1) to particularly assist smaller dioceses, an increase was made in the standard exemption from $100,000 to $120,000 across the triennium; and (2) to assist other dioceses, the percentage of the Asking was reduced to 20% in 2011 and to 19% in 2012. The Asking will remain at 21% for 2010. By taking these steps, we hope more dioceses will strive to make their commitments to the Budget at (or as near to) the full Asking as they possibly can.

The message PB&F heard from you was that some out-of-the-box thinking is called for. To encourage Committees, Commissions, Agencies and Boards (CCABs) to become more efficient and to conduct meetings electronically rather than in person, the “First Meeting” of CCABs in Chicago from November 27-29, 2009 will provide hands-on computer training for online meetings. Travel budgets for CCABs in 2010 were greatly reduced so that they will meet in 2010 using online technology and conference calls. In addition to the First Meeting, most CCABs have funding for two face-to-face meetings during the triennium. A “First Meeting” has not been funded in the Budget for 2012.

The church can no longer sustain a 10-day General Convention. PB&F proposes a substantially reduced budget for the 77th Convention and requests that the Joint Standing Committee on Planning and Arrangements recommend to the Executive Council that the next General Convention be reduced by at least two days. The Blue Book and other Convention documents will now be provided online only. We propose a 77th Convention that is as paperless as possible.

Finally, the columns for 2011 and 2012 have a grey background. This has been done to highlight the budget amounts for those years that are subject to adjustment as the triennium progresses. In particular, PB&F expects that increased accountability and oversight will result in adjustments to the annual budgets over the triennium.

PB&F worked diligently, holding before ourselves the Priorities that deputies and bishops adopted. We debated, prayed, thought creatively, struggled and voted to bring
a balanced Budget to you. The members of the Committee all feel privileged to serve the Convention and the Lord through our work and believe that this Budget is responsive to the Gospel, the voice of the Convention and the economic realities of our time. We pray that it will enable our church to be an even greater blessing for the world.

PRIORITIES

The 76th General Convention adopted the following priorities to guide the work of the Joint Standing Committee on Program, Budget & Finance and to inform the entire church of where we will engage mission in the forthcoming triennium. We understand these as priorities for the ministry of The Episcopal Church, and in the spirit of Ubuntu, not as priorities one over another. All are essential and of equal value, and should be received with a “both/and” rather than an “either/or” spirit as together they engage and empower the communicants, congregations and dioceses of this church in common ministries that serve God’s mission. Our hope and prayer is that these mission funding priorities will excite and energize all members of our church as have those adopted by the 75th General Convention – that the heartbeat of our Episcopal Church will forever be “mission, mission, mission.”

DETAILS OF REVENUE FOR 2010–2012

DIOCESAN COMMITMENTS

Diocesan Commitments constitute 56% of the Domestic and Foreign Missionary Society’s (DFMS) projected income for the 2010–2012 triennium cycle and represent 66% of the non-governmental portion of that income stream. These commitments are the primary source of DFMS program support. They are also among the most volatile and difficult to predict due to economic conditions nationally, localized issues at the Diocesan level, and reactions to General Convention and DFMS policies.

DFMS commitments are based on 21%, 20% and 19% in the years 2010, 2011 and 2012 respectively of each Diocese’s operating income, after a flat $120,000 deduction, and calculated on a two-year trailing basis (e.g., 2010 DFMS Asking will be based on 2008 actually reported individual Diocesan income). Actual Diocesan Commitment receipts for the 100 U.S. dioceses for the first year of the last two triennia (2003 and 2006) and the most recent full year (2008) were as follows:

As of July 9, for 2009, 34 Dioceses have pledged at the 21% or higher level (down from 2005); 27 are giving between 10 and 20% of income; 22 are giving between 1 and 9%; 22 others are giving but have provided no Diocesan income information to the DFMS. (See Appendix B)

INVESTMENT INCOME

The second most significant source of DFMS income, at 19% of total projected revenues, investment income consists principally of an annual dividend “draw” or “payout” from trust funds that are collectively invested. At year end 2008, the DFMS benefited from dividends on trust funds valued at $10.1 million of the total $238 million of assets invested.

The draw or payout is based on a five year rolling average of the market value of the portfolio, thus smoothing out investment returns for the purposes of a stable source of revenue. For the 2007-2009 triennium a 5.0% annual draw was in place; for the next triennium Executive Council recommended that the rate be 5.5% annually. Investment markets worldwide declined dramatically during 2008. The DFMS portfolio suffered a
32.6% loss before fees, slightly lagging its benchmark portfolio by 1.4%. While the losses during 2008 were distressing, we remain confident that active management of the portfolio is preferable to passive index funds. Over the past three, five and ten years, the portfolio has outperformed its custom passive benchmark.

During 2008, 9 new trusts were opened, adding nearly $2,141,958 in assets.

**The Budget for The Episcopal Church, 2010–2012**

The investment performance of the portfolio is closely monitored and compared to similarly oriented endowment funds and to a custom benchmark unique to DFMS. For the 2010–2012 triennium the objective of the fund is to achieve an annual return of 8.5%. Inflation, fees and expenses are estimated at 3.0% collectively, leaving 5.5% available for the annual payout.

**DFMS Gross Investment Returns**

In addition to the Trust Fund portfolio, the DFMS enjoys some $750,000 dollars annually in interest income from aggressive cash management activities, Economic Justice Loan funds, a minority bank deposit program, and other non-endowment activities that are typically invested in conservative fixed income securities with a two-to five-year maturity.

**Other Income**

The DFMS enjoys several smaller sources of revenue including Government Grants in support of Episcopal Migration Ministries, the Episcopal Life publication and the Episcopal Books and Resources.

### Episcopal Life

Episcopal Life costs are subsidized by revenues earned from advertising and subscription sales.

### Government Grants

Episcopal Migration Ministries (the refugee resettlement program) is primarily supported by federal government contracts, principally from the Reception and Placement Program funded by the State Department and the Department of Health and Human Services Matching Grant Program. DFMS and affiliated organizations resettle an estimated 2,500 refugees per year through the Reception and Placement Program, and 950 refugees per year will qualify for participation in the Matching Grant Program. After withholding amounts necessary to cover administrative costs, these funds are passed to dioceses to fund local programs.

### Episcopal Books and Resources

Episcopal Books and Resources costs are largely subsidized through online and telephone sales of affordable, high-quality publications and other merchandise that has a primarily Anglican/Episcopal focus and context.

### Rental Income

A byproduct of the extensive renovations/asbestos abatement/redesign of The Episcopal Church Center building at 815 Second Avenue in New York City is the rental of 2 ½ floors of prime space in the reconfigured building. Nearly $950,000 annually has been projected in gross rental income from this stream of revenue.
EXPENSE DETAILS FOR THE 2010–2012 TRIENNium

EXPENSES

For purposes of this presentation of the Budget for the 2010–2012 triennium and for the enabling Resolution (2009–D067), expenses are divided into the three portions identified in Canons I.4.6 (b) and (c): Canonical, Corporate and Program.

The Canonical portion provides for the expenses of the General Convention, the Presiding Bishop, the President of the House of Deputies, the Executive Council, and Committees, Commissions, Agencies and Boards. The Program portion provides support for the mission and ministry of the church and Communication. The Corporate portion provides administrative support of the Domestic & Foreign Missionary Society offices. While it is through the Program and Canonical portions of the Budget that The Episcopal Church carries out the mission and ministry adopted by General Conventions, it is through the corporate portion that such efforts obtain the administrative support so necessary for its day-to-day mission.

CONTRIBUTED SERVICES \(^1,^2\)

Eight agencies are currently housed at The Episcopal Church Center. Most of the organizations have been housed there for 30 years or more; but only ERD is directly included in the budget of the DFMS.

| Episcopal Relief and Development (ERD) | Episcopal Church Foundation |
| Anglican UN Observer | National Association of Episcopal Schools |
| CUAC / Int. Partnerships for Learning | Church Periodical Society and Prayer Book Society |
| Episcopal Church Building Fund | |

The total amount of these contributed services budgeted for the 2010–2012 triennium is $4,889,867.

\(^1\) For Agencies that are not part of the DFMS budget: Postage and billable telephone costs plus IT services are charged and recovered from the non-DFMS agencies. Other costs such as utilities, mail services and telecommunications are allocated based on square footage of space occupied. Executive Council decided to forgive expenses incurred by Anglican UN Observer.

\(^2\) For ERD, which receives direct support from the DFMS budget: The cost of utilities, mail services and telecommunications are allocated based on square footage of space occupied. The cost of staff services is allocated based on the number of employees.

BUDGET PLAN DESCRIPTION:

We offer an intentionally different model for the 2010–2012 Triennium Budget in order to initiate a change in the way we do the Budget at General Convention. Rather than building a balanced budget with greatly lessened revenue by removing resources from programs until the program is no longer viable, we look for strategic means of funding the work of the church by making better informed choices.

The intent and goal of this budget format is to make the most responsible and informed budget decisions to achieve greater accountability over the triennium for both the spending and funding portions of the budget and to assure a meaningful and productive link between stewardship and mission.

CORPORATE/CANONICAL

- Reviewed, evaluated and adjusted areas within its charge to improve effectiveness, accountability and efficiency of the organizations that are corporate or canonical
- Re-enforced awareness that “business-as-usual” must be replaced by innovative methods of carrying out mission and ministry through modern technology

PROGRAM/MISSION

- Reviewed mission programs, initiatives and funding in a time of reduced resources
- Identified mission areas that could be better performed at a diocesan or congregational level – the concept of subsidiarity.
The Open Hearing on Funding was held on July 10, 2009. The format chosen—public narrative—employed small group conversation in order to discover additional methods and options for funding the Budget for The Episcopal Church. To that end, more than 95 witnesses, Committee members, and staff participated in the process (nearly a dozen media representatives attended). Three questions were used to structure the discussions. They were:

- What is your perception and experience of the current funding formula?
- What questions do you have about the funding formula?
- What thoughts and ideas do you have about it?

The results shared with the entire group were wide-ranging and included a variety of insights, recommendations and suggestions. These are some of the topics addressed:

**Funding formula questions:** genesis, nature of formula mandatory or non-mandatory, how long The Episcopal Church has used this formula

**Increased transparency:** where does the money go, what critical difference does it make, longing to identify with the ministries that are represented by mission dollars

**Sustainability issues:** wisdom of using the same formula when dioceses may not be able to provide at the asking level, issues of small dioceses and small congregations being unable to contribute at the requested level

**Relationship challenges:** Communicating and interpreting the work of The Episcopal Church to dioceses and congregations so that they are aware of (and see themselves as participating in) these ministry efforts. People must feel connected to the ministry stories to be able to give of their resources, prayers, and themselves, and to feel that we are working together. There is a need to increase awareness of the co-ownership of the mission of the church.

**Subsidiarity:** How does the church figure out who does what, how can we avoid duplication of efforts, how can we engender a sense of co-ownership in our work.

**Change:** Embracing change in tough times to be able to spread the Gospel message. Different budgeting techniques might be explored including using 6-9 year budget projections, zero based budgeting, increasing stewardship awareness and making persons aware of how resources developed by The Episcopal Church help extend ministry beyond the congregation.

Time was also allotted for individual testimony, sharing stories of hope for the future, but echoing the reality that these are different times that call for different responses. The Committee is grateful for the opportunity to listen to the church and for the time and energy of those who participated in the Hearing.
BRINGING THE BUDGET HOME

Deputies are required to communicate the results of General Convention to their dioceses and each diocese is required to provide a forum for Deputies to report (Canon I.4.b, c). Now, more than ever, it is imperative that Deputies shoulder the responsibility to communicate and interpret the results of General Convention to convey The Budget for The Episcopal Church that will enable Mission and Ministry for the coming Triennium. The following are some suggested guidelines to assist you in talking about the Budget:

• Remind your diocese that the Budget is a response to God’s call to us to meet the needs of a hurting world

• Talk about the Mission Priorities and their use as a lens to identify focus areas for funding

• Connect amounts of money with the ministry. Say more than “Education was allotted “x” dollars”. Talk about what Resolution or work is reflected in the allocated amount. If you are able, talk about how this will enhance your local ministry work. Tell the stories!

• Identify programs and ministries that extend and stretch our understanding of how God calls us to respond.

• Share a surprise you experienced when looking at the diverse ministries and the church’s response

• Draw people’s attention to international work and ministries that are done on behalf of all of us by The Episcopal Church.

• Remind people that even though the current times impose fiscal constrains, we (as The Episcopal Church) have found concrete ways to respond.

• Help people understand that only by working together, at every mission intersection in the church, can we fully model God’s love to the needs of the world.

ACKNOWLEDGEMENTS

Included in the Budget booklet is additional information to facilitate your understanding of the budget process and your personal role in helping the church move forward in funding mission:

- a comparison of the projected income and expenses of the current triennium with the revenue and expenses projected for 2010-2012. Columns on that report show the “2010-2012 Total,” the “2010-2012 EC (Executive Council) Total,” and the percent difference (“Proposed vs. EC Draft.”)
- the enabling Resolution for funding (Funding Resolution) D-067
- a table showing the status of every Resolution that has funding implications
- a table of the diocesan commitments to the Budget for 2009

After the General Convention has acted on the Budget, the final budget document will be sent to deputies and bishops. It will also be available on The Episcopal Church website, www.episcopalchurch.org/finance. We hope that having this information in both forms will be helpful as you educate and explain the Budget to the leaders and decision-makers in your diocese as well as to the members of your congregations.

The work of the Joint Standing Committee on Program, Budget & Finance is facilitated by Episcopal Church Center staff including Mr. N. Kurt Barnes, Treasurer of the General Convention and Chief Financial Officer of the Domestic and Foreign Missionary Society and his staff, Amb. Linda E Watt, Chief Operating Officer, and the chair and vice-chair of the Administration and Finance Committee of Executive Council, Josephine Hicks and the Rt. Rev. Jon Bruno.

RESOLUTION (2009–D067)
BUDGET FOR THE EPISCOPAL CHURCH 2010–2012

Resolved, the House of Bishops concurring, That the Budget for The Episcopal Church for the next triennium be adopted as set forth:

1.0 The Budget for The Episcopal Church for the period January 1, 2010 through December 31, 2012, which shall be a unified budget including Canonical, Corporate, and Program (mission) portions, is adopted at a total of $141,271,984.00.

1.1. The Canonical portion, providing for the contingent expenses of the General Convention, the stipend of the Presiding Bishop and the expenses of that office, the expenses of the President of the House of Deputies, and Church Pension Fund assessments is adopted at a total of $23,224,447.00 as follows:

For the year 2010 $ 6,984,630.00
For the year 2011 $ 7,110,068.00
For the year 2012 $ 9,129,748.00

1.2. The Corporate portion, providing for the requirements for the administrative support of the Domestic & Foreign Missionary Society offices, is adopted at a total of $30,824,297.00 as follows:

For the year 2010 $ 10,360,457.00
For the year 2011 $ 10,129,112.00
For the year 2012 $ 10,334,729.00

1.3. The Program (Mission) portion, providing for support for the mission and ministry (restricted and unrestricted) of the church, is adopted at a total of $86,807,787.00 as follows:

For the year 2010 $ 28,787,593.00
For the year 2011 $ 28,736,457.00
For the year 2012 $ 29,283,736.00
2.0 The funding policy for the period January 1, 2010 through December 31, 2012 is adopted, based on a single Asking of the dioceses. After a $120,000 exemption from total income, a single asking shall be applied at the rates of 21% for 2010, 20% for 2011 and 19% for 2012 of the balance of income to the diocese, reported in the diocesan financial statements for the year two years prior to the year to which the pledge is applied [e.g.: 2010 Asking is to be based on 2008 actual income figures]. “Income” includes (1) all congregational giving to the diocese, (2) all unrestricted investment and endowment income to the diocese, (3) restricted investment and endowment income to the diocese which covers costs in the operating budget, and (4) other earnings from investments or enterprises. It is intended that income shall include revenues that fund normal operating and program expenses of the dioceses. It is not intended to include pass-through income that is used for expenses for programming that are simply administered by the dioceses, or that would not be otherwise funded by contributions from parishes or out of investment income.

2.1. We rejoice with dioceses that have moved toward, and those that give at and above 21%. Such giving creates a strong financial basis for vital mission and witness of The Episcopal Church. We encourage all our dioceses to adopt the full Asking; then we could allocate an additional 6 million dollars each year toward fulfilling the mission priorities which we have embraced in this 76th General Convention.

2.2. For the budgetary period income from diocesan commitments, totaling $79,162,193 is anticipated as follows:

For the year 2010 $ 28,333,000
For the year 2011 $ 26,374,340
For the year 2012 $ 24,454,853

2.3. For the budgetary period 2010-2012, payment by the dioceses of the Asking shall be made in twelve equal monthly payments.

2.4. All additional income, other than from the Asking of the dioceses, totaling $62,109,791 is projected as follows:

For the year 2010 $ 20,952,373
For the year 2011 $ 20,467,048
For the year 2012 $ 20,691,370

2.5. A General Ordination fee is hereby authorized, which fees shall be added to the funding from dioceses and applied to the expenses of examination as appropriated in the budget. A candidate for Holy Orders eligible for examination and so certified by the diocesan bishop shall not be disqualified for examination because the fee has not been paid.
2.6. General Convention registration and exhibitors fees are hereby authorized, which fees shall be added to the funding from dioceses and applied to the expenses of the 2012 General Convention, and for no other purpose.

3.0 In the exercise of their respective authorities, the Executive Council of the General Convention and the Joint Standing Committee on Program, Budget and Finance shall be subject to the following policies:

3.1. Each year, the Executive Council, with the advice of the Joint Standing Committee on Program, Budget and Finance, shall adjust the budget to the assured income of the Executive Council so as to carry out the Budget for The Episcopal Church for that year on a balanced budget basis.

3.2. The fiscal year shall begin January 1.

3.3. If, in any year, the total anticipated income for budget support is less than the amount required to support the budget approved by the General Convention, the Canonical portion of the Budget for The Episcopal Church shall have funding priority over all other budget areas.

3.4. Undesignated bequests and legacies received during the budgetary period shall be set aside in the general endowment fund of which only the income shall be used for the general purposes of the Society.

3.5. Designated bequests and legacies received during the budgetary period shall be set aside in specific funds of which only the income shall be used for the purposes so designated.

3.6. Each Committee, Commission, Agency and Board (CCAB) proposing to the General Convention any Resolution with funding implications shall present to the Joint Standing Committee on Program, Budget and Finance a detailed budget in support of its plan(s), including cost estimates from contractors and suppliers for all goods and services, but not later than six months before the opening day of the General Convention.

3.7. Subsequent editions of the Report and Proposal of the Presiding Bishop and Executive Council to the General Convention contain the following information for each year of the preceding triennium:

- A description of the actual income and expenditures of the DFMS, relating the expenditures to the church’s priorities with accompanying narrative
- Endowment balance and total investment return, with accompanying narrative
- Posting of this report on The Episcopal Church website when it is released to the Bishops and Deputies

The pledges of seven dioceses exceeded the 21% asking in 2008. We are grateful to the dioceses of Alaska, Connecticut, Idaho, Nevada, New Jersey, Southern Ohio and Western New York for their leadership.

If every diocese in the domestic U.S. contributed at the 21% asking rate, the potential additional revenue that would be available for the Church's mission would exceed $6.5 million annually.

Several dioceses have not provided their Diocesan Reports. Their income is recorded as "n/a" and their pledge rates are not calculable.

BUDGET NARRATIVE – EXPENDITURES

PRESIDING BISHOP'S OFFICE

Office of the Presiding Bishop
This office supports the ministry of the Presiding Bishop in administration, communication and pastoral ministry. It oversees General Convention initiatives and policies; the ecumenical initiatives and relationships; and pastoral relationships with the bishops of The Episcopal Church. The office plans and coordinates the visits of the Presiding Bishop; plans all meetings of the House of Bishops; and oversees the processes of election and consecration of bishops. The office has responsibility for Title IV measures involving bishops and the preservation of the legacy of The Episcopal Church in instances where bishops have sought to remove dioceses from the church. In the most recent triennium, pastoral support to bishops has included coordination of renewal efforts in dioceses that have experienced the departure of former leaders, including bishops. The office retains oversight responsibilities for the Convocation of American (Episcopal) Churches in Europe, and the Church in Micronesia, as well as the Office of the Bishop for Chaplaincies.

House of Bishops
Expenses here support the work of the annual Interim and Special Committee meetings of the House, as well as providing additional support to special subcommittees, such as the Theology Committee and the Spouse Planning Group.

Chief Operating Officer
Assisting the Presiding Bishop in her role as Chief Executive Officer, the Chief Operating Officer oversees the staff of The Episcopal Church Center and coordinates the work of mission program, communication, finance and administration. The Chief Operating Officer is the principal implementer of the vision of the mission and ministry of the Church Center as established by the General Convention and works under the direction of the Presiding Bishop.

Office of Pastoral Development
This Office supports the Presiding Bishop and House of Bishops in Episcopal formation and development through the College for Bishops. This includes the canonically-mandated formation program for new bishops and continuing education at each meeting of the House, as well as the pastoral care of bishops, their families and diocesan systems, direction support for dioceses and nominees in Episcopal elections, vocational assessment, training and deployment of bishops. This Office also offers mediation work in Title IV disciplinary canons, giving attention to complaints and formal charges against bishops, with the goal of satisfactorily addressing the complaint so as to avoid an ecclesiastical trial.
Title IV & Legal Support of Dioceses
These expenses are related to property litigation and disciplinary situations, as well as legal assistance to dioceses. Fundamentally, this activity concerns the preservation and ongoing stewardship of our heritage and resources, both financial and structural.

GENERAL CONVENTION

Committees, Commissions, Agencies and Boards
The CCABs study issues mandated to them by the Canons or referred to them by the General Convention and make recommendations to Convention, reporting in the Blue Book to all bishops and deputies.

General Convention - Site & Facilities
The General Convention is the legislative body of The Episcopal Church, consisting of the House of Deputies (with about 800 members—up to four clergy and four lay persons from every diocese) and the House of Bishops (with nearly 300 active and retired bishops). The Convention meets every three years in legislative session. Its powers are established by the first article of the church’s Constitution. The Houses meet and act separately, and both must concur in order to adopt legislation. Although bishops and deputations pay their own travel and lodging expenses, the planning, administrative, security and facilities costs are borne by this budget.

General Convention Publications
Several print and online documents are associated with the General Convention, including The Summary of Actions; the Bishop & Deputy Handbook; the Blue Book; and the Budget.

General Convention Secretariat
Staff is available in three on-site Secretariat offices (General Convention; House of Deputies; House of Bishops) to provide assistance during each General Convention.

Executive Council
The Executive Council is the principal entity among the Committees, Commissions, Agencies and Boards (CCABs). It includes a total of thirty-eight elected representatives who serve for staggered six-year terms: two persons elected from each of the church’s nine provinces, twenty people elected at large by the General Convention, and five ex officio members, including the Presiding Bishop and the President of the House of Deputies. The Council meets three times a year and has charge of the coordination, development and implementation of the ministry and mission of the church.

House of Deputies
The President of the House of Deputies appoints all the lay and clergy members and serves as a member ex officio of all Committees, Commissions, Agencies and Boards. The incumbent shares leadership of the Executive Council, appoints legislative committees, represents The Episcopal Church in various Anglican and ecumenical capacities,
coordinates planning for the business of the House and presides over it during the General Convention.

**Office of the General Convention (GCO)**
This office undertakes the planning, logistical arrangements and staff support for the triennial Convention gatherings, the thrice-yearly Executive Council meetings and the meetings and work of the Committees, Commissions, Agencies and Boards. It handles production of the reports to the General Convention (known as the “Blue Book”) and the Journal and the updated Constitution and Canons issued after each Convention. Through the Director of Research, the GCO undertakes the collection, publication and analysis of annual Parochial Report and Diocesan Report data. The GCO is implementing new systems for online publishing, online meetings and communications for CCABs and redesigning the legislative support software to provide greater efficiency in the next triennium. The GCO also works closely with the President of the House of Deputies and provides staff and logistical services where required.

**Archives**
The Archives of The Episcopal Church is the national repository for documentation on the church, related Anglican organizations and individual Episcopalians. Through its main research office in Austin, Texas, a records management office at The Episcopal Church Center in New York and a digital archives repository for online access to principal documents of the General Convention, the Executive Council and other key archival resources, the Archives seeks to preserve and make available evidence of the historic and contemporary ministry of the church.

The work of the Archives with individuals, congregations and other organizations supports each mission priority; but especially Reconciliation and Evangelism, Congregational Transformation and Justice and Peace as it assists individuals, congregations, dioceses and other organizations that inquire about their Episcopal identity and work.

**General Board of Examining Chaplains**
The General Board of Examining Chaplains, elected by the General Convention and responsible to the House of Bishops, consists of four bishops, six clergy with pastoral cures, six members of seminary faculties and six lay persons. Its work, defined by Canon III.15, is primarily the annual administration of the General Ordination Examination, administered to seminary seniors and others pursuing Holy Orders, who are nominated by the bishops of the dioceses. The GBEC collaborates as needed with other General Convention groups devoted to the development and support of ordained ministry.

**MISSION COORDINATION**

**Mission Direction**
This office supports and articulates the mission of The Episcopal Church and the programs of the four Mission Centers through print resources, digital communication and multimedia, conferences and visits to congregations, dioceses and provincial
gatherings. The office leads the development and maintenance of a user-friendly, dynamic web site for the program areas of the church.

**MISSION FUNDING**

**Development Office**
The Mission Funding Initiative was created to develop additional financial resources from major donors in further support of the church’s mission priorities. Five funding areas have been identified and, together, they seek to assist the church to serve as an effective agent for evangelism, reconciliation, education and transformation. The Funds are: Congregational Development; Leadership in Ministry; Communications; Spiritual Enrichment; and Global Ministry.

Additionally, Mission Funding is undertaking fundraising for the Archives, the St. Ives Fund for legal defense and an on-line giving engine.

**ADVOCACY CENTER**
The Advocacy Center, based in the Office of Government Relations in Washington, D.C., New York and Seattle, addresses the Gospel directive for people to love their neighbors as themselves. The offices educate, motivate, organize and empower Episcopalians to action for justice, peace and care for all of God’s creation. The work of the offices encompasses all of the budget priorities by:

- Providing training, resources and action to promote a church without racism;
- Providing grants or loans to organizations and networks that serve and empower the poor and marginalized;
- Using its grassroots, Episcopal networks and policy expertise to advocate nationally and locally on issues of justice;
- Working with other religious denominations and partners to address issues of domestic poverty, health care, civil rights, the environment, the Millennium Development Goals, immigration and refugees, HIV/AIDS and international debt relief;
- Supporting peacemaking in areas of conflict worldwide;
- Advocating full equality for women and girls; and
- Monitoring the church’s efforts to be socially responsible in the investment of its financial assets.

**Direction & Administration**
This office coordinates the work of the Advocacy Center, particularly between programs based in New York and Washington, D.C. (Office of Government Relations). An office in Seattle focuses on economic and environmental justice. The three locations coordinate work through regular communication and staff meetings to ensure a cohesive program of advocacy, network building and resource development.
Social & Economic Justice, Jubilee
This area works on creating a just society. It encourages the growth and development of networks, resources and partnerships throughout the church that address matters of justice through public policy advocacy, social outreach ministry, environmental stewardship and economic affairs. Issues of justice include affordable food, employment, affordable quality childcare, education, healthcare, immigration, cultural affirmation, equal protection under the law, economic opportunity, a healthy environment and affordable housing.

Anti-Racism, Racial Justice & Gender Equality
The office continues an 18 year commitment by General Convention to train the leadership of the church on how to identify and end racist structures. The office also works to promote gender equality, and includes Native American/Indigenous Ministries, which interprets and develops programs which address the needs and inclusion of Native American/Indigenous peoples and their communities within The Episcopal Church.

Peace, International Affairs, and Migration
This office supports Episcopal, Anglican, ecumenical and interfaith efforts to restore justice, seek reconciliation and overcome violence in the world. The staff works with staff of the Presiding Bishop’s Office to gather information, provide support, stand in solidarity and initiate advocacy when violence and oppression cause harm, especially to our partners across the world.

MISSION LEADERSHIP CENTER

Direction & Administration
This office coordinates the work of the Mission Leadership Center.

Ordained Ministry & Transition
This office supports networks that strengthen ordained ministry, including Fresh Start, CREDO, diaconate and other clergy associations, seminary continuing education and dioceses in their work of leadership education and formation. The office initiates conversations that envision clergy leadership needs and leads new initiatives.

Lay Ministry
This office helps laity to claim and act on their call to ministry and raises up skillful leaders for godly work inside and outside the church. Church work is conducted through Fresh Start, in partnership with new church plants, and by widening the reach of Proclaiming Education for All. Beyond the church, the office works to extend awareness of Episcopal workplace values and linking Sunday worship to weekday practice.

Young Adults
This office supports diocesan and provincial work with young adults (18-30) and in campus ministries through leadership training events, campus peer ministry training,
service/learning internships, conferences, consultations and network programs. It produces resources for individuals, such as the Advent and Lenten meditation guides for students and young adult armed forces personnel. In conjunction with dioceses, seven new campus ministries have been initiated through two-year start-up grants. The office also works with ecumenical partners.

**Missionary Personnel**
The Missionary Personnel Office recruits, trains and supports Appointed Missionaries, Volunteers for Mission and Young Adult Service Corps (age range 21-30) missioners. Currently there are 80 missionaries serving in 32 countries. Their work supports the growth and development of overseas dioceses and provides the missionaries with knowledge and understanding that benefits them and their church communities when they return.

**Chaplaincies**
The Office of the Bishop Suffragan for Federal Ministries addresses the care of Episcopalians in federal service, in Veterans’ Affairs hospitals, in federal prisons and their families, supporting clergy in armed service, healthcare and prison settings, and its more recent work with emergency responder and maritime chaplains. It provides both direct support for chaplains in federal service and the indirect support through advocacy and training for chaplains affiliated with diocesan bishops.

**Women’s Ministry**
Women’s Ministries focuses on the mission and ministry of women at all levels of the church. The office seeks the empowerment of women and gender equity, creating tools, resources and networks to enhance the leadership capacity of women in the church and the world. Its advocacy work employs the Beijing Platform for action in critical areas of concern for all women throughout the world.

**EVANGELISM & CONGREGATIONAL LIFE CENTER**

**Direction & Administration**
This office provides oversight of programs, budgets, staff and administrative support (including meeting and event coordination) within the Evangelism & Congregational Life Center (E&CL). The budget includes funds for nine collaborative training events, one per province over the next triennium, presented by staff from each ministry area within E&CL, to share and learn about best practices.

**Christian Formation**
This office serves Episcopal congregations, dioceses and provinces with resources for children’s formation, youth formation and events, adult formation and older adult formation. The office fulfills General Convention mandates (including Safe Church Resolutions), through training, Christian education resources, consultations and network programs and church-wide events (including the Episcopal Youth Event). Its resources and programs assist in articulating what it means to be Christian, Anglican and Episcopalian in a diverse world.
Congregational Research
This office directs, coordinates and publishes ongoing research and analysis for the church, with a primary focus on Episcopal parishes and missions. Under the authority of the Office of the General Convention, Congregational Research undertakes the distribution, collection and analysis of the annual Parochial Report and conducts the triennial survey of Episcopal congregations. The office also conducts specialized studies of congregational life and ministry programs for various Committees, Commissions, Mission Programs, Agencies and Boards.

Congregational Vitality & Stewardship
This office serves congregations that are seeking to enrich and expand their capacity to serve the spiritual needs of their communities. Congregational Vitality provides resources for building and maintaining healthy faith communities, with a specialized focus on the needs of small congregations and their leadership. Stewardship seeks to engage all Episcopalians in a culture of abundance and generosity. The teaching and practice of stewardship involves seeking greater insight into spiritual growth, discernment of purpose, leadership, giving and the connection of money and faith.

Ethnic & Multicultural Congregational Development & Evangelism
These offices develop, support and inspire congregational life with and among ethnic communities and multicultural churches by creating resources and providing networking, consultations and training events. The offices provide a voice of advocacy for the people of Asian, black, Latino/Hispanic, Native American and multicultural-by-design communities and for people living with disabilities. Harmony, understanding, and communication are promoted across cultures by developing common programs and projects. The five officers collaborate with other staff and provide online liturgical and theological resources, onsite consultations, conferences and clergy- and lay-training programs.

Evangelism & Church Planting
The Office of Evangelism provides resources and training to assist congregations in the evangelization of underserved populations and in discipleship development. The office is developing regional experts in the field of evangelism and partnerships within the emerging church movement; and it is working with a recently created Network of Innovators dedicated to discovering and sharing what is working church-wide. By providing resources and consulting to diocesan and provincial leaders, the Office of Church Planting helps to identify and prepare those gifted for new church planting. It offers liturgical resources for emergent ministry forms, onsite consulting, weekly peer-to-peer support for church planters and ministry redevelopers, as well as regional and national training events. The office identifies best practices from around the church and the larger Anglican Communion.

Episcopal Migration Ministries (EMM)
EMM carries out the gospel mandate to “welcome the stranger” through work with 30 affiliates in 27 dioceses to engage parishes as co-sponsors in refugee resettlement in the US. The Office also responds to various requests for immigration assistance and trains
immigration counselors. With church funding, EMM is able to assist dioceses and parishes actively engaged in work with undocumented migrants; such work cannot be funded by federal grants.

**Worship & Spirituality**
This office designs and provides conferences, consultations and worship materials to enhance spiritual transformation for individuals and communities of faith. Networking with other organizations and institutions that focus on worship and spirituality, this office promotes grounding in both traditional and new forms of worship and spirituality that transform the human spirit in the power of the Holy Spirit and strengthen congregational life and mission. During 2010-2012, this office will expand an online Worship that Works resource with free downloadable worship and spirituality resources and links to other sites.

**PARTNERSHIPS CENTER**

**Direction & Administration**
This office coordinates the work of the Partnerships Center.

**Anglican Communion**
This office provides support to strengthen relationships between The Episcopal Church and the 37 other provinces in the Anglican Communion through hospitality, communication, education and financial support.

**Diocesan Services**
This office provides resource and financial assistance to dioceses within The Episcopal Church. Specific funding for overseas dioceses is done on a year-to-year basis upon evaluation of parochial/diocesan reports and other indicators. Funds will be distributed among the following dioceses and jurisdictions by the Executive Council: Cuba, Colombia, Dominican Republic, Ecuador Central, Ecuador Litoral, Haiti, Honduras, Micronesia (Guam), Taiwan, Venezuela and Virgin Islands.

**Ecumenical & Interfaith Relations (EIR)**
The Office of Ecumenical and Interreligious Relations coordinates, on behalf of the Presiding Bishop and The Episcopal Church, various bilateral and multilateral dialogues and conversations with other Christian communions working toward the greater unity and common mission of the church. In an increasingly multi-religious context, the office also works in Interreligious dialogue, seeking greater understanding of and cooperation with the other major world religions. The office primarily addresses the priorities of Claiming Our Identity and strengthening Partnerships among religious groups.

**Grants & Covenants**
The Executive Council is committed to providing ongoing support for the overseas dioceses of The Episcopal Church; the partner churches with which we have covenant agreements; dioceses called Domestic Missionary Partners (formerly Coalition 14); and
the three historically black Episcopal colleges. Also reflected here is The Episcopal Church’s fair share of the Inter-Anglican Budget (Anglican Consultative Council).

Support for Covenant Agreements provides a means for all Episcopalians to participate in the development and mission work of the Anglican/Episcopal church in Central America, Liberia, Mexico and the Philippines; the financial commitments are part of the autonomy processes approved by General Convention.

**United Thank Offering**
This office provides administrative staff and services and accounting and banking support to the United Thank Offering program. UTO is entrusted to promote thank offerings, to receive the offerings and to distribute the monies through grants within the framework of the policies and procedures of the Domestic and Foreign Missionary Society (DFMS) of The Episcopal Church.

**Translation Services**
This office coordinates interpretation and translation for official requirements of the General Convention and other offices of the DFMS.

**Episcopal Relief & Development**
Funding for Episcopal Relief and Development in the DFMS budget represents a block grant to support administrative costs. In addition to direct support, DFMS provides indirect support in the form of space and utilities as well as accounting and administrative services (shown as DFMS Contributed Services). All ERD activities are directed to fulfilling its mission to be the primary means through which all Episcopalians can bring healing to a hurting world.

**COMMUNICATION**

**Communication Direction**
Communication Direction includes the work of the Director of Communication and the Mission Communication Officer whose responsibilities include brand identity, overall communication strategy and the sharing of best practices and materials across the church.

**Corporate Communications**
The work of Corporate Communication includes public affairs, media relations, media training, crisis management and message strategy. Our popular bulletin inserts will be coordinated by this office.

**Digital Communications**
This office is responsible for all digital communications from the Office of Communication, hosting and creating content for The Episcopal Church web site, www.episcopalchurch.org, including live web casts and other resources for the wider Church. It also facilitates conversations and monitors social networking sites, including blogs, Facebook and Twitter. It works with the Director of Communication to develop
digital strategy and with the editor of the Episcopal News Service online to design and enable the online news publication.

**Episcopal Life (EL)**

Episcopal Life is a monthly newspaper but will cease publication as currently configured at the end of 2009. Editing, layout, database management, content (from Episcopal News Service) and printing services will continue to be available to dioceses and parishes who wish to have a printing partnership arrangement. Several formats will be offered, including a tabloid newspaper. Timely news from Episcopal News Service will continue to be provided online.

In 2010, a new quarterly magazine will make its debut. The magazine, yet to be named, will be a feature-oriented, thought-leadership publication containing in-depth, longer-format articles, along with news.

**Episcopal Books and Resources (EBaR)**

Episcopal Books and Resources provides warehousing, order fulfillment and distribution services for Episcopal Church Center departments and affiliated organizations. It also houses a small retail bookstore and café. The products have a primarily Episcopal and Anglican focus.

**FINANCE OFFICE**

**Controller's Office**

As a unit of the Treasurer’s Office, the Controller’s Office is responsible for processing all of the financial transactions for DFMS and reporting, summarizing and interpreting financial data for the use of management, creditors, boards and committees of the organization. It helps to develop budgets and forecasts, measures actual performance against operating plans and interprets the results of operations to all levels of management. The office performs all of the accounting functions for DFMS, which includes cash receipts, accounts payable, payroll, cash disbursements, account and diocesan receivables and grants payable. It works closely with the Society’s independent auditors to design and implement appropriate controls to safeguard the assets and resources of DFMS.

**Treasurer's Office**

The Treasurer’s Office is responsible for oversight of the financial functions and the investment assets of DFMS. This includes investment management of both long-term assets, such as endowment portfolio and charitable trusts, and short-term assets, such as DFMS operating cash and custodial accounts held for others; oversight of banking functions, such as electronic funds transfers; financial management training; and oversight of entities and activities funded through the budget. The Treasurer has extensive responsibility for developing and monitoring the Budget of The Episcopal Church.
Refugee Loan Collection (IOM)
The U.S. Government provides resettlement loans to each refugee. The DFMS collects the loans and receives a portion. Any amount that exceeds the DFMS’s collection costs may be used as determined by the General Convention Budget.

Debt Financing and Repayment
The removal of asbestos, improvements to all mechanical and electrical systems and fireproofing of the offices at 815 Second Avenue were financed through a bank line of credit which will be repaid over time.

ADMINISTRATION

Facilities Management
Facilities Management costs include those required for the maintenance and upkeep of The Episcopal Church Center at 815 Second Avenue in New York City, the operations of the mailroom, leasing costs for office equipment, office supplies and corporate printing. The largest elements of this budget are for utilities, building management and engineering and cleaning and security services. Some services are provided under the lease with our tenant, the Ad Council, as well as to DFMS offices and associated Episcopal agencies with offices in our building.

Human Resources
The Human Resources Management Office strives to have the best person in the right job at the appropriate time, adequately prepared, effectively motivated, in compliance with moral and civil law and reflective of the cultural diversity of the church and society. The Human Resource Management team ensures that all staff—both current and retired—are treated fairly in keeping with stated human resources policies and best practices. Valuing responsibility, partnership and service over entitlement, dominance and self-interest, this office seeks to partner with others in developing and realizing opportunities for enhancing the quality of effort and productivity in our mutual ministry.

General Corporate Legal Fees
Under the direction of the Chief Operating Officer, two part-time in-house counsel provide guidance to The Episcopal Church Center staff and other church entities (such as Executive Council) on official legal matters, including contracts, employment, copyright, building codes, taxes, finance, regulatory and other issues. They also coordinate any referrals to outside counsel as required for corporate matters.

Technology
This office includes the functions of Management Information Systems (MIS) and Telecommunications (Telecom).

MIS is responsible for all aspects of computer infrastructure and usage at The Episcopal Church Center and onsite at General Convention. The network it maintains enables document creation, e-mail and Internet access to all employees, including remote access.
for traveling staff. Its servers host numerous commercial software packages in finance, human resources, fundraising and other areas. Upon request, MIS develops and hosts data base applications (mostly web-accessible) for other departments, including systems for Parochial Reports; Church Deployment; and General Convention legislation, registration and housing. MIS also takes a leading role in data modeling and shared initiatives with other Episcopal organizations such as the Church Pension Group. Telecom operators are the first voices heard when calling The Episcopal Church Center. The office answers church-related inquiries and directs calls to the appropriate offices. It also manages the physical and financial operations of the phone system.

**Contributed Services**

Seven agencies are currently housed at The Episcopal Church Center. Most of the organizations have been housed there for 30 years or more; but only ERD is consolidated in the DFMS financial statements. Many of the agencies were established either by prior Presiding Bishops or by General Convention. The agencies work closely with numerous departments and staff members on a daily basis; many agency representatives participate in staff meetings and other DFMS meetings. All are very much a part of the community and workings of The Episcopal Church Center; they complement and extend the mission and ministry of DFMS.

---

**Footnotes:**

ii **For Agencies that are not consolidated in the DFMS financials:** Postage and billable telephone costs plus IT services are charged and recovered from the non-DFMS agencies. Other costs such as utilities, mail services and telecommunications are allocated based on square footage of space occupied. Executive Council decided to forgive expenses incurred by Anglican UN Observer.

iii **For ERD:** The cost of utilities, mail services and telecommunications are allocated based on square footage of space occupied. The cost of staff services is allocated based on the number of employees.

iv Effective 1/1/2010, each agency will be responsible for its share in annual allocated costs for Building Services, Telecommunications, the Mail Center and Purchasing above the allocated costs as of the base year of 2007, after a $2,500 exemption.
