## ICE RAIDS

The Episcopal Church is committed to welcoming strangers as a matter of Christian responsibility. Under this mandate the Episcopal Church requests the halt of an enforcement only approach and policies that criminalize migrants and divide families. Congress should provide oversight of ICE enforcement actions and call for the end of these measures that provide an inadequate response to the current immigration situation. Enforcement only policies only make more evident the need for a comprehensive immigration reform.

### **Immigrant Advocate Network (IAN)**

The Immigrant Advocate Network (IAN) has an excellent Raids and Immigration Enforcement library with legal materials with sample motions to suppress, bond motions, complaints for racial profiling. It also includes raid response plans and advocacy materials. CLINIC affiliates can register to become a member of IAN at <http://www.ian.org>.
