FOLLOWING THE STAR

a daily online advent devotional guide

following the star,

the devotion series for Advent and Christmas, returns to d365.org on Sunday, December 2, 2012. Scripture, prayer, and meditative thoughts, accompanied by gentle music, can be accessed every day at www.d365.org.

Writers Amy Butler, Andrew Kellner, and Joann Lee have centered their thoughts on the classic themes of Christmas. Listen for the notes of hope, peace, joy, and love as you prepare yourself for the coming Christ. David Burroughs, Passport's president and co-founder, has recorded original piano arrangements to accompany the daily devotions. With new devotions available each day through Epiphany, January 6, make this unique meditative resource a part of your personal preparation as you follow the star towards Jesus.

Following the Star is part of the year-round devotion site, d365.org, a ministry of Passport, Inc. Visit www.d365.org for new devotions all through the year. Sponsored by Passport, Inc., the Cooperative Baptist Fellowship, the Presbyterian Church (USA), and The Episcopal Church.
